Chapters into Verse: Poetry in English Inspired by the Bible

Robert Atwan, Laurance Wieder, 1993-05-06 For generations poets have turned to the Bible for insight and inspiration What did so many creative minds find in scripture Is the Bible still a vital source of poetic inspirations Chapters Into Verse is the first comprehensive collection ever made of poems written in English inspired by the Bible A groundbreaking anthology it introduces readers to a distinct heritage of English poetry the scriptural tradition Though frequently ignored and sometimes suppressed this tradition rivals the classical and is every bit as venerable Drawing a unique map of the history of English poetry the two volumes of Chapters Into Verse survey and define the literary legacy of the Scriptures from the fourteenth century to the present Each volume is arranged in scriptural order and each poem is preceded by the biblical passage that inspired it Thus readers can conveniently witness the various ways sacred text has sparked the imagination of poets throughout the ages In Volume I which covers Genesis to Malachi almost every book of the Old Testament is represented The collection features verses both famous and unfamiliar from Milton s Paradise Lost and Lord Byron s Hebrew Melodies to Christopher Smart s hymns and Mary Herbert s psalms The editors have included poems by virtually all the prominent religious poets among them John Donne George Herbert Henry Vaughan Edward Taylor and Gerard Manley Hopkins Included too are devotional and visionary works from a wide range of vintage poets Robert Burns William Blake Walt Whitman Emily Dickinson Christina Rossetti Alfred Tennyson and Robert Browning Proving that the Bible is just as powerful a source of inspiration today as it was in the past the collection assembles a mixed congregation of modern and contemporary poets such as Marianne Moore Delmore Schwartz Dylan Thomas Robert Frost William Carlos Williams Countee Cullen e e cummings William Butler Yeats Robert Lowell Hugh MacDiarmid Laura Riding Jackson Charles Reznikoff A D Hope Geoffrey Hill Denise Levertov Philip Levine John Ashbery and Derek Walcott Of enduring interest to readers of both scripture and literature this anthology illuminates key passages of the Old Testament The measured speech and inspired leaps of poetry offer a spirited alternative to the textual exegesis usually supplied by prose commentary As such Chapters Into Verse is truly a poets Bible In selection after selection readers will encounter an astonishing variety of religious experiences as a host of poets from many eras and many backgrounds respond to Holy Scripture spiritually profoundly and imaginatively

Poetry and Allegiance in the English Civil Wars Nicholas McDowell, 2008-11-20 This book is about the things which could unite rather than divide poets during the English Civil Wars friendship patronage relations literary admiration and anti clericalism The central figure is Andrew Marvell renowned for his ambivalent allegiance in the late 1640s Little is known about Marvell's associations in this period when many of his best known lyrics were composed The London literary circle which formed in 1647 under the patronage of the wealthy royalist Thomas Stanley included Cavalier friends of Marvell such as Richard Lovelace but also John Hall a Parliamentary propagandist inspired by reading Milton Marvell is placed in the context of Stanley's impressive circle of friends and their efforts to develop English lyric capability in the absence of traditional court patronage By recovering the cultural values that were shared by Marvell and the like minded men with whom he moved in the literary circles of post war London we are more likely to find the reasons for their decisions about political allegiance By focusing on a circle of friends and associates we can also get a sense of how they communicated with and influenced one another through their verse There are innovative readings of Milton's sonnets and Lovelace's lyric verse while new light is shed on the origins and audience not only of Marvell's early political poems including the Horatian Ode but lyrics such as To His Coy Mistress Anacreon with Thomas Stanley's Translation Anacreon, 1893 Close Reading Frank Lentricchia, Andrew DuBois, 2002-12-23 A reader intended for courses presenting the continuity of close reading from New Criticism through poststructuralism Andrew Marvell Matthew C. Augustine, 2021-03-18 This book provides an accessible account of the poet and politician Andrew Marvell's life 1621-1678 and of the great events which found reflection in his work and in which he and his writings eventually played a part At the same time considerable space is afforded to reflecting deeply on the modes and meanings of Marvell's art redressing the balance of recent biography and criticism which has tended to dwell on the public and political aspects of this literary life at the expense of lyric invention and lyric possibility Moving beyond the familiar terms of imitation and influence the book aims at reconstructing an embodied history of reading and writing acts undertaken within a series of complex physical and social environments from the Hull Charterhouse to the coffee houses and print shops of Restoration London Care has been taken to cover the whole of Marvell's career in verse and prose even as the book places the lyric achievement at the centre of its vision *Gerald Finzi's Letters, 1915-1956* Gerald Finzi, 2021 A fully annotated edition of more than 1600 letters from and to Gerald Finzi spanning the composer's life from ca the early 1920s up until his untimely death in 1956 WINNER of the 2022 C B Oldman prize by the International Association of Music Libraries Archives and Documentation Centres IAML UK Irl Gerald Finzi's 1901-1956 masterpiece is the radiant and touching cantata Dies Natalis He is also highly regarded for his Thomas Hardy song settings for his Intimations of Immortality and for his fine cello and clarinet concertos As a scholar he championed the then neglected composers Hubert Parry and Ivor Gurney and the eighteenth century John Stanley William Boyce and Richard Mudge composers he revived with the amateur orchestra he founded Diana McVeagh Finzi's biographer brings together more than 1600 letters from and to

Gerald Finzi spanning the composer's life from the early 1920s until his untimely death in 1956. His more than 160 correspondents include Ralph Vaughan Williams, Herbert Howells, Edmund Rubbra, Arthur Bliss, and Howard Ferguson, Michael Tippett, Benjamin Britten, and Sir John Barbirolli, the poet Edmund Blunden, and the artist John Aldridge, making this a portrait not only of Gerald Finzi but also of his group of composer, musician, and artist friends in the first half of the twentieth century. In these mostly unpublished letters, Finzi emerges as a multi-faceted and complex character, developing from a solitary introverted youth into a man with strong views and wide interests: education, pacifism, vegetarianism, the Arts and Crafts movement, and the English pastoral tradition, among others. From amusing trivia to the deeply serious ideas and principles Finzi set out at the onset of war, and in the 1950s, these letters allow for first-hand insights into his personality and background. This definitive edition is fully annotated, offering context with substantial commentaries on the correspondence, illustrations by Joy Finzi, a chronology, bibliography, and a catalogue of works. *The Art of Marvell's Poetry* J. B.

Leishman, 2021-10-29. First Published in 1966, *The Art of Marvell's Poetry* presents J. B. Leishman's appreciation of Andrew Marvell's poems by demonstrating a sensitive understanding of attitudes peculiar to the seventeenth century and to Marvell. Leishman calls Marvell an inveterate imitator and experimenter. His success depended on originality of combination rather than originality of invention. But while such phrases as "Musick the Mosaique of the Air," "Desarts of vast Eternity," and "a green Thought in a green shade" were certainly inspired by others, they are distinctively and unquestionably Marvell's own. Marvell's poetry is shown to be the work of a man living at a certain moment in history; it is poetry which could not have been written at any other time, and its affinities to the work of contemporary poets are clearly demonstrated. *The Art of Marvell's Poetry* is a must-read for scholars and researchers of English poetry, English literature, and European literature. *The Poets and the Poetry of the Nineteenth Century* Alfred Henry Miles, 1905. ***The Poets and the Poetry of the Century*** Alfred Henry Miles, 1898. *The Modern Language Review* John George Robertson, Charles Jasper Sisson, 1925. Reimagining Constancy in the English Civil Wars Rachel Zhang, 2024-09-30. *Reimagining Constancy in the English Civil Wars* exposes writers' reliance on conservative language during one of the most radical periods of English history. In case studies of both familiar genres (country house poem, love lyric, epic) and understudied ones (emblem book, prose romance), it shows how the conservative language of constancy was used to justify opposing positions in the period's most pressing controversies, including monarchical rule, ecclesiastical order, Catholicism, and England's relationship to the wider world. At the same time, writers like John Milton, Andrew Marvell, Hester Pulter, Percy Herbert, and others establish the virtue's importance to literary tradition as they use constancy to retain yet reimagine inherited formal structures and strategies. This book thus uses women's writing and non-canonical texts to highlight cross-factional conservatism and international investment in what scholars often describe as the English Revolution. ***Hesperides*** Robert Herrick, 1887. *Anacreon*: with T. Stanley's transl., ed. by A.H. Bullen. *Anacreon*, 1893. *Charles Kingsley to James Thomson* Alfred Henry Miles, 1898.
