America Besieged

Michael Parenti, 1998-05 *America Besieged* deals with the underlying forces within U S society that deeply affect our lives. Showing how we are being misled and harmed by those who profess to have our interests at heart, Michael Parenti writes: We are indeed a nation besieged not from without but from within, not subverted from below but from above. The moneyed power exercises a near monopoly influence over our political life, over the economy, the state, and the media. Some Americans are astonished to hear of it. Others have had their suspicions, although they may not be quite sure how it all adds up. This book invites the reader to stop blaming the powerless and poor and, in that good old American phrase, start following the money. That is the first and most important step toward lifting the siege and bringing democracy back to life. Michael Parenti, one of America's most astute and entertaining political analysts, is the author of *Against Empire*, *Dirty Truths*, *Blackshirts and Reds*, *Rational Fascism*, and *The Overthrow of Communism*. **Democracy for the Few**, *Land of Idols*, *Political Mythology in America*, and many other books.

Front Lines Jack Hirschman, 2002-08 In the activist verse of this poetic warrior, always committed to the actual world, is never out of mind, even in his most intimate poems. Kabbalist, populist, and communist, Hirschman has published over sixty books of his own poetry, and this representative selection is a cross section of his poetic output spanning many years and mutations. When he reads aloud, the words take fire, and on the page they crackle and spark. Jack Hirschman is a San Francisco poet, translator, and editor. His powerfully eloquent voice set the tone for political poetry in this country many years ago. He is the author of numerous books of poetry, plus some forty-five translations from a half a dozen languages, as well as the editor of anthologies and journals.

En limpio se escribe la vida Daisy Zamora, 1992 These are poems written mostly in a time of war and rooted in the land and people of Nicaragua. Zamora draws deep portraits of women of all classes, often using her own body as a metaphor and starting point. Recalling the years of revolution and resistance to U S intervention, she follows the riverbed of her memories through the land of her childhood, mourns the devastation of war, and illuminates the heroic lives of ordinary men and women. Daisy Zamora was program director of clandestine Radio Sandino during the revolution and later served as vice minister of Culture in the Sandinista government.

American Poetry David Caplan, 2022 American poetry's two characteristics: American English as a poetic resource; Convention and idiosyncrasy. Auden and Eliot, two complicating examples. On the present and future of American poetry.

The Sea Is a Continual Miracle Walt Whitman, 2017-04-04 From his earliest days on Long Island and in New York City to his last years in Camden, New Jersey, Walt Whitman lived close to the sea; he knew and loved it. The liquid, flowing syllables of Whitman's poetry and prose tell specific stories of particular voyages and known shores, as well as vivid flights of imagination and keening paeans to wild winds, dark water, stormy and quiet airs. The land, for Whitman, is both immutable and still, while the sea is a realm of dynamic change, mercurial temper, and the ebb and flow of cosmic uncertainty. From *Mannahatta* to *Poem of Joys* to the magisterial ode to the slain President Lincoln, *O Captain, My Captain*, Whitman wove the strands of nautical lexicon and powerful imagery into the tapestry of our national literature. In *The Sea Is a Continual Miracle*, poet and editor Jeffrey Yang has compiled an
