Of The Supreme Being In Brahminism:

Of the Supreme Being in Brahminism Louis Jaccoliot, 2005-12 This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia, and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high-quality modern editions that are true to the original work. **The Brahmin and his Bible** R. S. Sugirtharajah, 2019-12-12 On the bicentenary of the publication of Raja Rammohun Roy's Precepts of Jesus, R. S. Sugirtharajah situates Roy's compilation of the moral teachings of Jesus in its social, cultural, and political context and analyses the hermeneutical issues it generated. In doing so, he documents the often acrimonious exegetical exchanges between Roy and the missionaries over the standing and status of the Bible, their often differing hermeneutical suppositions and strategies, their contradictory constellations of Jesus, and disputes about translations. Sugirtharajah addresses issues such as the place of the Precepts among earlier Gospel Harmonies, Roy's use of the Improved Version, a highly contentious Unitarian Bible, and his motives for translating his own Hindu texts. Sugirtharajah also demonstrates how Roy's work was a precursor to de-mythologization, which the West took up later, and how Roy's identification of Jesus as an Asiatic and his idea of a moral union between Father and Son were routinely reused by later Indian writers. An additional feature is a critical look at Thomas Jefferson's *The Life and Morals of Jesus of Nazareth*, which appeared in the same year and which had a similar interpretative aim and aspiration. This volume also includes Roy's Precepts in full. There have been popular perceptions of Roy as someone who strongly disapproved of various Christian doctrines and was highly rationalistic in his outlook. Sugirtharajah demonstrates that Roy was much more complex in his writings. His initial rationalistic energy and passion displayed in his Precepts gave way to something much more intuitively and emotionally based, which ironically did not disturb the foundations of Christianity but made them stronger and safer for Christians. Sugirtharajah brings to the fore a forgotten but significant work which raised important issues for biblical studies and the power relations between colonized and colonizer over the control of texts and interpretation. He draws lessons from this 19th-century colonial religious controversy for a postcolonial world where religious texts are manipulated to provoke religious hatred and violence. **The Foreign Missionary**, 1877 **Dreaming the Great Brahmin** Kurtis R. Schaeffer, 2005-06-02 *Dreaming the Great Brahmin* explores the creation and recreation of Buddhist saints through narratives, poetry, art, ritual, and even dream visions. The first comprehensive cultural and literary history of the well-known Indian Buddhist poet-saint Saraha, known as the Great Brahmin, this book argues that we should view Saraha not as the founder of a tradition but rather as its product. Kurtis Schaeffer shows how images, tales, and teachings of Saraha were transmitted, transformed, and created by members of diverse Buddhist traditions in Tibet, India, Nepal, and Mongolia. The result is that there is not one Great Brahmin but many. More broadly, Schaeffer argues that the immense importance of saints for

Buddhism is best understood by looking at the creative adaptations of such figures that perpetuated their fame for it is there that these saints come to life Ceylon in 1893 John Ferguson,1893 The dictionary of religion, ed. by W. Benham Dictionary,1887 The Dictionary of Religion William Benham,1887 *The Sacred Books of China* ,1976 **A History of the Sikhs** Joseph Davey Cunningham,1849 *A History of the Sikhs* Joseph Davey Cunningham,2011-06-02 A comprehensive history of the Sikhs written by a British colonial official who had lived among them for eight years *Journal of the Transactions of the Victoria Institute, Or Philosophical Society of Great Britain* ,1885 Who is Who in Hindu Mythology - VOL 2 Surya N.
