Of Other Gods And Other Spirits:

God and Other Spirits Phillip H. Wiebe, 2004 Wiebe advocates the naturalizing of supernaturalism so that preoccupation with proofs is at least supplemented if not replaced by investigation of how belief in God and other spirits arises out of experience BOOK JACKET *Invasion of Other Gods* David Jeremiah, C. C. Carlson, 2023-12-19 A critical look at New Age spirituality by a Christian pastor inducted into the National Religious Broadcasters Hall of Fame New Age philosophy is really ancient paganism repackaged for modern consumption In *Invasion of Other Gods* Illumination Book Award winner David Jeremiah shows how this form of spirituality has flooded our culture with teachings and terminology that clearly contradict the Christian Gospel He discusses the history and thinking behind such neo pagan practices as crystals and past life therapy and shows how innocent seekers especially those coping with difficult life situations can fall prey to these phenomena in an informative guide that will fortify your faith against these seductive temptations **The Epistemology of Spirit Beliefs**

Hans Van Eyghen, 2023-04-14 This book assesses whether belief in spirits is epistemically justified It presents two arguments in support of the existence of spirits and arguments that experiences of various sorts perceptions mediumship possession and animistic experiences can lend justification to spirit beliefs Most work in philosophy of religion exclusively deals with the existence of God or the epistemic status of belief in God Spirit beliefs are often regarded as aberrations and the falsity of such beliefs is often assumed This book argues that various beliefs concerning spirits can be regarded as justified when they are rooted in experiences that are not defeated It argues that spirit beliefs are not defeated by recent theories put forth by neuroscientists cognitive scientists or evolutionary biologists Additional arguments are made that traditional theistic belief is epistemically linked to spirit beliefs and that unusual events can be explained in terms of spirit activity The book draws on theistic arguments phenomenal conservatism and defenses of religious experiences to argue for the justification of spirit beliefs The arguments draw on examples from various religious traditions ranging from Christianity and Islam to Haitian Vodou and Tibetan Bon The Epistemology of Spirit Beliefs will be of interest to researchers and advanced students working in philosophy of religion religious epistemology ethnography and cognitive neuroscience *The Whole Works of that Eminent Servant of Christ ... Miller,2024-01-16 Origen of Alexandria and the Theology of the Holy Spirit offers a comprehensive account of Origen's pneumatology In examining the Holy Spirit's identity and activity in Origen's writings this study reads Origen in his context and surveys his entire corpus It shows that Origen grounds his pneumatology in Scripture and uses Jewish philosophical and earlier Christian teachings in exegeting the passages he believes pertain to the Holy Spirit The Holy Spirit is revealed to function in Origen's works as a single hypostasis dependent on the Father and Son for both his being and attributes which ranks the Spirit below the Father and Son The Spirit however is grouped with the Father and Son distinct from all other beings and ranked above them The Holy Spirit therefore is ranked third of all things This relationship serves as the basis for Origen's belief that the Spirit's activities giving spiritual gifts sanctifying believers and making them holy offering intercession inspiring Scripture and aiding in the interpretation of Scripture are a common operation of the Father Son and Holy Spirit The Spirit then plays an integral role in the salvation of the human person By offering a comprehensive understanding of Origen's pneumatology Micah M Miller also provides a fresh perspective of his Trinitarian thought **The Work of the Holy Spirit Today** Isabel Radebe,2013-07-31 Part A of this book highlights the Work of the Holy Spirit based on John 16 since He has already come Part B unfolds the events of the end which also tells that only Christ is worthy to open the scroll of the world This scroll contains full accounts of what God has till the end Inside the scroll are seals which are located throughout the scroll so when each is broken more of the scroll can be read to reveal all phases of God's plan to end sin Part C tells about the history and future of Abraham's descendants **The Complete Works of John Bunyan** John P. apologetics scholar and popular speaker Ravi Zacharias shows how the blueprint for life and death itself is found in a true understanding of Jesus. With a simple yet penetrating style, Zacharias uses rich illustrations to celebrate the power of Jesus Christ to transform lives. Jesus Among Other Gods contrasts the truth of Jesus with founders of Islam, Hinduism, and Buddhism, strengthening believers and compelling them to share their faith with our post-modern world. Deliver Us From Evil, with clarity and insight, Zacharias shows how many of today's most popular ideas, thoughts, and beliefs are vandalizing our culture. He shows how it is there in the depths of our innermost being that the work of God changes what we want to do. This is not an ethical system calling us to civility; this is the transforming work of the grace of God who calls us His children. He shows how secularization has led us to a loss of shame, generating evil even against those we love. Pluralization has led us to a loss of reason, generating evil toward those we choose to hate. Privatization has led us to a loss of meaning, generating evil against ourselves.

Ritual, Resistance, and Liberation Jin Young Choi, 2025-06-30 While ritual creates a shared and conventional world of human sociality and expresses and controls the meaning of experience, it also functions to set boundaries and promote normativity. This volume explores the intersections of ritual with mechanisms and forces of power such as patriarchy, tradition, colonialism, authoritarianism, and capitalism on the one hand, and ritual's potential for resistance, resilience, and restoration on the other hand.

The Religious Other Martin Accad, Jonathan Andrews, 2020-12-31 We live at a time when religious diversity has become a fact of life in our globalized societies. Yet Christian engagement with Muslims remains complex, complicated by fear, misunderstanding, and a history fraught with political and cultural tensions. These essays, drawn from the 2018 and 2019 Middle East Consultations hosted by the Arab Baptist Theological Seminary's Institute of Middle East Studies, engage the need for a carefully developed theological understanding of Islam, its origins, and its sacred text. Weaving together the work of Christian scholars of Islam, the Bible, theology, and missiology along with the insights of ministry practitioners, this book combines scholarly exploration with pertinent ministry practice, offering a rich framework for the church to continue its conversation about its engagement with Muslim communities and its proclamation of Christ worldwide.

The Ageless Name of God Dr. Daryl Brock, 2024-12-02 God's personal name is eternal, divine, and beneficial. Exodus 3:15: The intrinsic nature of our all-powerful God is revealed in His name. Isaiah 45:23: Matt 1:21: Phil 2:10: Seeking the meaning of HIS name provides priceless insight regarding the nature of God. Applying the meaning of His name changes lives. Our dysfunctional world is becoming more and more dangerous. The world's dysfunction ruins lives, but there is an answer: Jesus is the answer. God created the church as a sanctuary for His people, not to hide in, but to ultimately operate from within, to positively affect our world. The sons of God, i.e., born-again Christians, are His kingdom ambassadors, representing His policies, counteracting the effects of the communicable disease called sin. The Bible declares that we labor together with God: 1 Cor 3:9, 2 Cor 6:1, to destroy the works of the devil: 1 John 3:8. But some are fearful.

2 Tim 1 7 and don t know what to do or how and where to get started The ramification of this ignorance is both grim and catastrophic God declares that His people are ruined destroyed for the lack of knowledge and that this lack of knowledge is disastrous to our children Hos 4 6 Please do not reject the call and revelation of God Displaying the revelation that is God is the highest most noble characteristic of the sons of God Seeking God s will and presence is the best way to address any problem however heinous the issue 2 Chron 7 14 To that end one of the tools that God has given us is the authority reflected in HIS name This revelation knowledge is precious Look at what God says I will set him on high because he hath known my name Ps 91 14 This book will help in your journey to know and please God It can become your importantly indispensable reference tool if you use it *The Works of that Eminent Servant of Christ, John Bunyan, Minister of the Gospel and Formerly Pastor of a Congregation at Bedford* John Bunyan, 1832
