Off With Their Heads Traitors Crooks And Obstructionists In American Politics Media And Business:

Off with Their Heads Dick Morris, 2009-10-13 What happened to the unity that so blessed America after 9 11 Where did our sense of determination go Our political journalistic and cultural leaders have mounted a campaign to oppose and impede the war on terror that seemed so vital in that rare moment of clarity This book is my personal cri du coeur about deception in politics journalism and business especially when it stops us from following through on the work 9 11 has left for us all to do This book takes on some pretty sacred cows but it s about time they became fair game from the Introduction Are you appalled by the antiwar tone the news media has taken since the war on terror began especially objective news outlets like the New York Times and the network news Are you wondering when liberal celebrities like Barbara Streisand Sean Penn and Susan Sarandon suddenly became geopolitical oracles whose advice we re supposed to value above the wisdom of tenured experts Are you at a loss to decide who has betrayed us more outrageously the French who abandoned us in our time of need or our own elected officials who tapped our 401 k savings and the tobacco settlement windfall with equal abandon In Off with Their Heads syndicated columnist and Fox News Channel political analyst Dick Morris points an accusing finger at the many ways the public has been lied to and misled pickpocketed and endangered Whether it s Bill Clinton who ignored mounting evidence of impending terrorist catastrophe throughout the 1990s or the members of Congress who quietly sold our democracy down the river in exchange for lifetime incumbency Morris rips the cover off the cowardly and duplicitous figures who have sacrificed America s interests for their own From private corruption to public treachery even longtime political buffs will marvel at the astonishing behavior Morris reveals at every level of society and at how it threatens to compromise the American way of life

Off With Their Heads; Traitors, Crooks, & Obstructionists in American Politics, Media & Business Dick Morris, 2003 Are you appalled by the antiwar tone the news media has taken since the war on terror began especially objective news outlets like the New York Times and the network news Are you wondering when liberal celebrities like Barbara Streisand Sean Penn and Susan Sarandon suddenly became geopolitical oracles whose advice we re supposed to value above the wisdom of tenured experts Are you at a loss to decide who has betrayed us more outrageously the French who abandoned us in our time of need or our own elected officials who tapped our 401 K savings and the tobacco settlement windfall with equal abandon In Off with Their Heads syndicated columnist and Fox News Channel political analyst Dick Morris points an accusing finger at the many ways the public has been lied to and misled pickpocketed and endangered Whether it s Bill Clinton who ignored mounting evidence of impending terrorist catastrophe throughout the 1990s or the members of Congress who quietly sold our democracy down the river in exchange for lifetime incumbency Morris rips the cover off the cowardly and duplicitous figures who have sacrificed America s interests for their own From private corruption to public treachery even longtime political buffs will marvel at the astonishing behavior Morris reveals at every level of society and at how it threatens to compromise the American way of life

Losing Bin Laden Richard Miniter, 2013-02-05

Journalist Rich Minter uses his unparalleled access to sources and stories throughout the Middle East Africa and the United States He paints a devastating portrait of how close the U S military was to killing bin Laden on multiple occasions and how each time Clinton dropped the ball and allowed bin Laden to grow stronger and more dangerous **The Last Practicing American** Michael T. Wagner,2014-07-22 This book was not written for the weak kneed spineless politically correct non practicing American It is instead for those of us who have witnessed the methodical dismantling of traditional morals and values thus exhausting the limits of our tolerance The contents of this book will detail our cultural mutation which applauds deviance rewards failure and elects the corrupt in terms designed to wake up the lethargic patriot in all of us in an effort to re enforce the urgency in our resolve so we may reverse our current descending cultural trajectory thus sparing future generations from an otherwise inevitable implosion **Progressive Hollywood** Ed Rampell,2005-01-01 With an

introduction by Greg Palast author of bestseller The Best Democracy Money Can Buy Progressive Hollywood features Rampell s interviews and interactions with Hollywood luminaries such as producers Jerry Bruckheimer and Robert Greenwald actors Jack Nicholson Rob Reiner Mike Farrell Ed Asner Martin Sheen David Clennon Gore Vidal and Dennis Hopper directors Michael Moore Spike Lee Oliver Stone and Lionel Chetwynd blacklisted screenwriters Bernie Gordon who initiated the 1999 protests against Elia Kazan s lifetime achievement Oscar Bobby Lees who injected dialectical materialism into Abbott and Costello comedies and Norma Barzman author of 2003 s The Red and the Blacklist The Politics of Intelligence and American Wars with Iraq O. Seliktar,2008-02-18 Coming at the heels of September 11 Operation Iraqi Freedom has focused the limelight on the way in which the United States predicts and manages political change The failure to find WMD and more important the continued violence in Iraq instead of the hoped for democracy has engender an acrimonious debate on the motives of the Bush administration and its uses or misuses of intelligence The question of who got what right or wrong has been fought out along ideological and partisan lines with supporters claiming that given what was known about Saddam Hussein the decision to change his regime was justified and detractors arguing that a group of largely Jewish neoconservatives acting on behalf of Israel manipulated intelligence in order to trick the United States into an unnecessary and costly war The book provides a systematic and objective analysis of the problems that faced American intelligence in deciphering the behavior of the highly secretive and confusing Iraq regime and its enigmatic leader

Culture Wars Roger Chapman,2010 Although openness and inclusion are cornerstones of life in the United States intolerance and reactionary politics are also very real As the nation prepares to elect a new president The Culture Wars addresses the key defining issues of contemporar **The Return** Dick Morris,2022-07-12 Wall Street Journal Bestseller USA Today Bestseller Really an interesting read would make a great Christmas gift Get your copy of The Return Trump s Big 2024 Comeback Donald J Trump 45th President of the United States The Return is a fantastic political analysis of what very well may be taking place in the not too distant future Dick Morris is a 1 New York Times Bestselling Author who is also a true

political pro Great book get it now Donald J Trump 45th President of the United States The Trump revolution cannot succeed without Trump Will he run in 2024 You bet he will Will he be the GOP nominee Absolutely Will he win the election YES New York Times bestselling author Dick Morris is a winning presidential strategist and the man Time magazine dubbed the most influential private citizen in America In his new book The Return Trump s Big 2024 Comeback lays out Trump s secret plan to return to the Oval Office in 2024 Since 2016 Dick Morris has been a behind the scenes adviser to Donald Trump playing a key role in Trump s surprise 2016 win For the first time Dick Morris reveals President Trump s strategy to win in 2024 And yes he s running The stakes for the next elections could not be higher President Trump knows the future of America rests on his shoulders Morris says bluntly Morris explains that we cannot repeat 2020 and we can t let the Democrats get away with it again or America is lost He provides the road map that Trump is prepared to implement in his effort to take back the White House and the nation Conservatives and MAGA supporters must realize that there are new rules The Democrats Big Media Soros and the Deep State have decided Trump must be stopped at any cost Morris reveals how to beat the Democrats and the radical left at their own game and getting freedom loving Americans to rise up for Trump and our democracy Morris outlines the strategy for victory on three fronts Make certain more legal eligible voters cast ballots for Republicans and that their votes are not offset by a torrent of illegal ballots Morris says a new group of Trump voters are emerging who will create a New Majority The Republican candidate in 2024 will and must be Donald J Trump Accept no substitutes As Morris explains Florida Governor Ron DeSantis is not ready for prime time The Winning Trump Message The Democrats will transform America into a nation none of us will recognize by destroying social cultural economic and political freedoms Morris says time is short This election really is critical With the results of the 2020 election everything pundits knew or thought they knew is obsolete in this new era of massively higher turnout Read The Return to find out how conservatives can take advantage of the new rules to make America great again **South Park Conservatives** Brian C. Anderson, 2013-02-05 For the better part of 30 years liberal bias has dominated mainstream media But author and political journalist Brian Anderson reveals in his new book that the era of liberal dominance is going the way of the dodo bird CORRUPT Dick Morris, 2023-10-17 Within these incendiary pages Dick Morris America s reigning Dean of political strategy and tactics completely unmask the treasonous behavior of arguably the worst first family to ever darken the doors of the White House From the Foreword by Peter Navarro WAKE UP AMERICA Each day brings shocking new revelations of the depth and breadth of the corruption of the Biden family From China to Ukraine to Moscow to Iraq to Kazakhstan to Costa Rica to Florida to Romania and stops in between the Biden family has been enriching itself by trading off the public offices and power accumulated by its mastermind Joe Biden The corruption of our own elected leaders is the crux of America s difficulties United States laws do not prevent politicians and even Presidents from using their families to take bribes and payoffs before during and after they serve us in public office New York Times bestselling author Dick Morris is a winning

presidential strategist and the man Time magazine dubbed the most influential private citizen in America In his new book **CORRUPT The Biden Family s Dark Money** Morris lays out the case against the Biden family and years of corruption and grift at the expense of taxpayers and the security of the United States Since 2016 Dick Morris has been a behind the scenes adviser to Donald Trump playing a key role in Trump s surprise 2016 win And now as the 2024 elections approaches President Biden s corruption and that of his family are emerging as key issues and Morris argues President Trump **MUST** win in 2024 to clean up the dangerous cancer that has taken over the White House and is endangering the security of the United States and the world Stronger ethics laws embracing all the opportunities for theft that a big family offers are a partial answer But the real answer is to stop electing weak people who succumb to easy money around the world and especially to Chinese entreaties to office There is no room for corruption at the top of our government and according to Morris there is **NO** excuse for not electing Donald J Trump in 2024 to clean it up Within these pages both Joe Biden and Communist China are revealed to be extreme dangers to an American nation now threatened from within by a variety of cultural social and economic crises largely of Biden s making and threatened from without by an authoritarian and fascist regime now engaged in the most rapid military buildup of a fascist regime since World War II even as this Communist Chinese regime aligns itself ever more closely with America s other major existential threats in Russia Iran North Korea Peter Navarro **A MURDER OF CROWS** CHARLES E. CROCKETT,2012-07-18 BACK COVER Detailing the far right s attempts to alter the American political and economic landscape to satisfy its national ambitions **A MURDER OF CROWS** identifies over 100 people and organizations who would seek to turn back America to a time of little governmental participation lower tax rates for the wealthy and a closely held corporate and personal control of society s functions and finances It exposes the real desires and naked zeal of those who would place property rights over the rights and the needs of the average American citizen The text is well documented and provides a scathing indictment of those on the right who would wish to alter America s future to serve only a very prosperous few **Land of the Unconquerable** Jennifer Heath,Ashraf Zahedi,2011-03-23 Reaching beyond sensational headlines this book offers a three dimensional portrait of Afghan women In a series of wide ranging deeply reflective essays this book examines the realities of life for women in both urban and rural settings **Who's Counting?** John Allen Paulos,2022-09-15 For decades New York Times best selling author John Allen Paulos has enlightened readers by showing how to make sense of the numbers and probabilities behind real world events political calculations and everyday personal decisions **Who s Counting** features dozens of his insightful essays original writings on contemporary issues like the COVID 19 pandemic online conspiracy theories fake news and climate change as well as a selection of enduring columns from his popular ABC News column of the same name With an abiding respect for reason a penchant for puzzles with societal implications and a disarming sense of humor Paulos does in this collection what he s famous for clarifies mathematical ideas for everyone and shows how they play a role in government media popular culture and life He argues that if we can t

critically interpret numbers and statistics we lose one of our most basic and reliable guides to reality **Strategic**

Preemption Robert J. Pauly, 2017-07-05 Placing the second US Iraq conflict in the context of emerging trends in international relations this exceptional timely volume examines the broad framework of US policy toward Iraq under the administration of George W Bush The Second Iraq War marks the third time since 1991 that the United States has invaded a Muslim country and this book details not only the specifics of the conflict but the war's broad impact on US relations with Muslim states both in a regional and global context It analyzes the development of the previous US policy of containment to the new doctrine of preemption The volume also Examines the linkages between Al Qaeda's attacks on the United States on 11 September 2001 and the prosecution of the Second Iraq War *To Protect and Defend* Tom Lansford, Robert J. Pauly Jr, 2016-12-05 In response to the terrorist attacks of 11 September 2001 the United States embarked on a dramatic and sustained effort to reform and revitalize its homeland security policies and structures This book offers an examination of the evolution of policy and the concurrent restructuring of existing agencies as well as the creation of new bodies designed to counter the threat of transnational terrorism Detailing the historical roots of US homeland security policy and its evolution in the aftermath of the 9/11 attacks this book provides a unique overview of the emerging and existing agencies and bureaux at the national state and local levels which are tasked with homeland security Furthermore by integrating the existing paradigms of contemporary security policy with the changing nature of threat and response it provides an invaluable overview of existing and likely future security threats to the US homeland Freedom on the Frontlines Lina

AbiRafeh, 2022-02-21 Afghan women were at the forefront of global agendas in late 2001 fueled by a mix of media coverage humanitarian intervention and military operations Calls for liberating Afghan women were widespread Women's roles in Afghanistan have long been politically divisive marked by struggles between modernization and tradition Women's politics and the state have always been intertwined in Afghanistan and conflicts have been fueled by attempts to challenge or change women's status It may appear that we have come full circle twenty years later in late 2021 when Afghanistan fell to the Taliban once more Women's rights in Afghanistan have been stripped away and any gains however tenuous now appear lost Today the country navigates both a humanitarian and a human rights crisis This book measures the rhetoric of liberation and the physical and ideological occupations of Afghanistan over the twenty year period from 2001 through 2021 through the voices perspectives and experiences of those who are implicated in this reality Afghan women US Foreign Policy and the Persian Gulf Robert J. Pauly, Jr, 2017-05-15 Robert J Pauly Jr examines the history of US foreign policy toward the Greater Middle East in general and focuses specifically on the fundamental economic military and political causes of the 1990 1991 Persian Gulf crisis He investigates to what extent these causes were internal and external in origin looks at the principal actors in the crisis and determines whether and how these actors have continued to drive unfolding events in the Persian Gulf ever since The volume explores in detail the role of American leaders since 1989 including how far the US should

collaborate with Europe to pursue both American and collective Western economic military and political interests in the Gulf. It also considers the prospects for the future of American led nation building operations in Iraq and the outlook for the eventual liberal democratization of the Greater Middle East.

Violence in American Popular Culture David Schmid, 2015-11-02 This timely collection provides a historical overview of violence in American popular culture from the Puritan era to the present and across a range of media. Few topics are discussed more broadly today than violence in American popular culture. Unfortunately, such discussion is often unsupported by fact and lacking in historical context. This two volume work aims to remedy that through a series of concise detailed essays that explore why violence has always been a fundamental part of American popular culture, the ways in which it has appeared and how the nature and expression of interest in it have changed over time. Each volume of the collection is organized chronologically. The first focuses on violent events and phenomena in American history that have been treated across a range of popular cultural media. Topics include Native American genocide, slavery, the Civil Rights Movement and gender violence. The second volume explores the treatment of violence in popular culture as it relates to specific genres, for example Puritan execution sermons, dime novels, television, film and video games. An afterword looks at the forces that influence how violence is presented, discusses what violence in pop culture tells us about American culture as a whole and speculates about the future.

The American Prophecies Michael D. Evans, 2004-08-10 New York Times bestselling author Michael D. Evans explains ancient biblical prophecies about current events that affect America's role and destiny in the twenty first century.

Navigating Iran O. Seliktar, 2012-04-23 This book provides the first full account of America's relations with the Islamic Republic of Iran from Jimmy Carter's presidency to Barack Obama's. It discusses all major facets of Iranian policy of interest to the United States: nuclear proliferation, revolutionary export and support for international terrorism, efforts to undermine the Israeli-Palestinian peace process and violations of human rights. It compares developments in Iran to their perception in Washington, providing the clearest picture available yet of the discrepancies between the complex and elusive Iranian reality and its understanding in the United States.
