

OFFICE ROMANCE: LOVE, POWER, & SEX IN THE WORKPLACE

How office romances are changing
the way men and women meet, date,
mate, and relate at work

Lisa A. Mainiero, Ph.D.

Office Romance Love Power And Sex In The Workplace

J Elliott

Office Romance Love Power And Sex In The Workplace:

Office Romance Lisa A. Mainiero, 1989 Based on the author's research and findings from a panel of 100 executive women this is an intimate exploration of the love revolution occurring in the workplace Readers learn what makes an office romance work what blights it and how it affects career advancement

Gender, Race, and Ethnicity in the Workplace Margaret Foegen Karsten, 2016-03-28 Insights from professionals in the fields of organizational development and diversity provide practical tools to help employees and managers regardless of race or gender collaborate in reaching their workplace potential The contributions of more than 30 experts reframe the discussion on gender race and ethnicity in the U S workforce examining the complex identity concerns facing workers who fall within minority groups and recommending practical solutions for dealing with workplace inequities Through focused essays experts explore new perspectives to persistent challenges and discuss progress made in addressing unequal treatment based on race and gender in the past eight years This detailed reference explores every aspect of the issue including mentoring family leaves pay inequity multiracial and transgender identities community involvement and illegal harassment The first part of the book identifies employment discrimination based on multiracial identity appearance and transgender status The second section unveils the psychology behind harassment on the job the third section provides strategies for overcoming traditional obstacles for the disenfranchised The final section discusses updates on laws dealing with the Family and Medical Leave Act The book closes with success stories of women of color in U S leadership roles as well as others achieving success in their professions outside of the country Accompanying tables charts and graphs illustrate the field's most poignant research such as the relationship between organizational effectiveness and diversity and the characteristics of those taking family and medical leave

NSFW Susanna Paasonen, Kylie Jarrett, Ben Light, 2024-02-06 An exploration of how and why social media content is tagged as not safe for work and an argument against conflating sexual content with risk The hashtag NSFW not safe for work acts as both a warning and an invitation NSFW tells users We dare you to click on this link And by the way don't do it until after work Unlike the specificity of movie and television advisories suggestive dialogue sexual content NSFW signals nonspecifically sexually explicit content that ranges from nude selfies to pornography NSFW looks at how and why social media content is tagged not safe and shows how this serves to conflate sexual content and risk The authors argue that the notion of unsafety extends beyond the risk of losing one's job or being embarrassed at work to an unspecified sense of risk attached to sexually explicit media content and sexual communication in general The authors examine NSFW practices of tagging and flagging on a range of social media platforms online pornography and its dependence on technology user generated NSFW content in particular the dick pic and associated issues of consent desire agency and social power the deployment of risqué humor in the workplace and sexist and misogynist online harassment that functions as an enforcer of inequalities They argue against the categorical effacement of sexual content by means of an all purpose hashtag and urge us

to shift considerations of safety from pictorial properties to issues of context and consent Women and Men in Management Gary N. Powell, 2018-05-23 Examine the evolving roles and experiences of women and men in the global workplace In the Fifth Edition of *Women and Men in Management* author Gary N Powell provides a comprehensive survey and review of the literature on gender and organizations This new edition is more intersectional than ever with expanded coverage of how race and ethnicity sexual orientation gender identity and expression and generational differences intersect with gender in the workplace Packed with the latest statistics research and examples the text explores important issues like the gender pay gap stereotypes and biases sexual harassment in the workplace work life balance and practical strategies for creating inclusive cultures New to this Edition Includes references to nearly 1 000 sources to reflect the growing of research since the last edition from 2010 Includes the latest research and statistics on a wide range of important issues like labor force participation educational attainment occupational attainment and more Public events and trends since the last edition such as increased public attention to rampant sexual harassment by corporate executives have been incorporated New attention is devoted to issues such as the effect of social media on gender socialization and how tech companies lose women of color during the hiring process **Work Motivation in Organizational Behavior** Craig C. Pinder, 2014-07-17 This second edition of the best selling textbook on *Work Motivation in Organizational Behavior* provides an update of the critical analysis of the scientific literature on this topic and provides a highly integrated treatment of leading theories including their historical roots and progression over the years A heavy emphasis is placed on the notion that behavior in the workplace is determined by a mix of factors many of which are not treated in texts on work motivation such as frustration and violence power love and sex Examples from current and recent media events are numerous and intended to illustrate concepts and issues related to work motivation emotion attitudes and behavior Women and Men in Organizations Jeanette N. Cleveland, Margaret Stockdale, Kevin R. Murphy, Barbara A. Gutek, 2000-01-01 The gender and racial composition of the American workforce is rapidly changing As more women in particular enter the workforce and as they enter jobs that have traditionally been dominated by men issues related to sex and gender in work settings have become increasingly important and complex Research addressing sex and gender in the workplace is conducted in several distinct disciplines ranging from psychology and sociology to management and economics Further books on gender at work often reflect either a more traditional management perspective or a more recent feminist perspective rarely however are these two orientations on women and work acknowledged within the same text Thus the principle goal of the book is to communicate a variety of social psychological literatures and research on gender issues that affect work behaviors to upper level undergraduate and graduate students in applied psychology and business **Relationships in Organizations** R. Morrison, H. Cooper-Thomas, 2013-10-15 This book is an exploration into the current world of relationships in the workplace It focuses on the ways in which organizational relationships be they friendships superior subordinate relationships negative relationships

romantic liaisons or simply membership to a social network can influence and affect our experience of work *Business Week*, 2006

Sex in the Parish Karen Lebacqz, Ronald G. Barton, 1991-01-01 Karen Lebacqz and Ronald Barton examine the gift of sexuality in relation to the parish and the dynamics of sexual desire and temptation Included in this book are the experiences of a pastor who did not set appropriate limits explanations of how the pastoral role affects sexual contact between pastor and parishioner suggestions for a framework of ethical analysis an examination of questions for women in ministry single pastors and pastors who are gay lesbian or bisexual and a review of ethical issues related to persons who carry responsibilities for the structures of ministerial practice

Intimacy A. Kakabadse, 2004-09-21 Sixty per cent of people at work admit to one or more intimate relationship A recently completed international workplace survey highlights that many people intermingle their private and work lives Time spent on tasks the intensity of team relationships and the sharing of common interests make work a multi purpose site satisfying personal needs as well as ambitions and career drives Are managers prepared to face such challenges No However through understanding workplace intimacy practices firm guidance for managers is provided to better prepare them to address such sensitive encounters

Sex & Gender Mary Jo Iozzio, Patricia Beattie Jung, 2017 The field of sexual ethics is widely studied in graduate school religion programs and seminaries but lacks a definitive resource for the classroom This teacher friendly anthology aims to fill that gap Featuring nine of the most important essays on the subject all of which have appeared in the *Journal of the Society of Christian Ethics* or its predecessor the *Annual of the Society of Christian Ethics* this collection covers a wide range of topics same sex marriage sexual minorities and biblical interpretation sex and power sexual harassment and sexual abuse HIV AIDS and prevention strategy the military and masculinities mobile porn and sexting human trafficking moral discernment and more Contributors represent a broad range of theological traditions and draw on scriptural texts as well as such disciplines as philosophy and sociology and psychology and the life sciences Each chapter includes reflection questions and suggestions for further reading and the book includes an index

Sex and the Office, Second Edition Julie Berebitsky, 2025-10-01 This transformative book examines men's and women's changing attitudes toward sex and gender in the US workplace Between 1870 and 1970 white collar office work became the leading form of employment for American women As more and more women took office jobs men and women workers attempted to make sense of this new environment where the workplace became a site of gendered power negotiations Emotional and sexual desires entangled with rational operating procedures Drawing on a wide range of primary sources including government investigation reports scandal papers memoirs and advice literature Julie Berebitsky describes how women perceived and responded to male desire and discrimination in the office She also offers keen insight into how popular media cartoons advertisements and a wide array of fictional accounts represented wanted and unwelcome romantic and sexual advances in the workplace Now in paperback for the first time this compelling edition includes a foreword that brings Berebitsky's work into the present where the Trump presidencies MeToo movement

and global pandemic provide striking illustrations of the book's enduring relevance. An afterword reflects on Berebitsky's lasting impact as a feminist teacher and scholar in the fields of labor history and women's studies. **Risky Business** Cary L. Cooper, 2016-04-15 What are the financial and psychological costs of risky behavior in business to the individuals concerned and their organizations? *Risky Business* provides a perspective on addictive behaviors such as gambling, drug taking, and even addiction to work; criminal behaviors such as theft and corruption; and behaviors such as aggression and violence. The authors then look at their implications to employee and organizational health within the context of the workplace environment, an environment that is often synonymous with psychological demands, stress, long hours, overwork, and shortages of staff or other essential resources. An essential guide for occupational psychologists, human resource specialists, risk managers, and for researchers in this field. **Workplace/women's Place** Dana Dunn, 1997 *Gender in Management* Gary N. Powell, 2024-04-28 *Gender in Management* by Gary N. Powell provides a comprehensive survey and review of the literature on sex, gender, and organizations, including research-based strategies for promoting an organizational culture of diversity, equity, and inclusion. *The Publishers Weekly*, 1909 *Organizational Behaviour and Work* Fiona Wilson, 2010-01-21 This edition provides a critical approach to the study of work and organizational behaviour, questioning what organizational behaviour is and how it has been researched and discussed. *Ethics, Easier Said Than Done*, 1988

Handbook on Women in Business and Management D. Bilimoria, 2007 This very impressive Handbook takes established research topics about women in management and treats them in fresh and novel ways. The chapters are intellectually interesting, sound, and provocative and meet the editors' aspiration to stimulate high-quality research on women's experiences in work organizations. I recommend it highly. Jean M. Bartunek, Boston College, US. This comprehensive Handbook presents specially commissioned original essays on the societal roles and contexts facing women in business and management, the specific career and work-life issues of women in these fields, organizational processes affecting women, and the role of women as leaders in business and management. The essays shed light on the extant structures and practices of society and organizations that constrain or facilitate women's representation, treatment, quality of life, and success. Despite decades of ongoing inquiry and increasing interest, research on women in business and management remains a specialized field without mainstream acceptance within business and management disciplines. The Handbook presents the current state of knowledge about women in business and management and specifies the directions for future research likely to be most constructive for advancing the representation, treatment, quality of life, and success of women who work in these fields. It provides the foundations for improved societal and organizational structures, policies, and relational practices affecting all in business and management. Thus, by enhancing the knowledge base that improves the work and life situations of women, it suggests ways to elevate the societal and organizational systems for all. The Handbook will be an essential reference source for recent advances in research and theory informing both scholars of organization studies, gender diversity, and feminism.

human resource specialists and educators of and consultants to business organizations and management **Organizing
and Organizations** Stephen Fineman, David Sims, Yiannis Gabriel, 2005-05-25 This fully revised and updated edition conveys the lived experience of being and working in organisations while at the same time introducing students to key concepts research and literature in organisational analysis

Uncover the mysteries within is enigmatic creation, **Office Romance Love Power And Sex In The Workplace** . This downloadable ebook, shrouded in suspense, is available in a PDF format (*). Dive into a world of uncertainty and anticipation. Download now to unravel the secrets hidden within the pages.
