its treatment and the fight to survive It s about more than a mother and her son who had to face his mortality at such a young age and the despair and anguish that comes in losing that fight It s about more than death This book is about life It s about how this mother and son approached the everyday moments of life despite the greater story that was playing out around them and was outside of their control It s about what each had learned from the other and the influential roles played in their life experiences It is about how it still affects the life of the one left behind It s about the depth of human spirit and the soul s ultimate survival along with what the survivor is supposed to do with that energy The connection between this mother and her son has lived on long after his passing and it continues to be a force in this mother s life every day The inspiration in this story comes from the millions of small everyday moments the choices made the words spoken and the unconditional love that makes such a seemingly senseless experience somehow bearable This book gives a voice to parents and loved ones

surrender to the love she feels in heart Then she discovers Aaron s secret and the memories of what she already lost to cancer have her running from him Her efforts to get back to her simple formula turn futile though because her heart already belongs to Aaron When she finally admits her love their hearts come together to fight back against cancer together
