This Life of Mine Virginia Gardner,2012-10 Here is

a story of a young girl of nine years old who has so many trials and tribulations Thrown into womanhood at an early age she

finds happiness and love in her teens She becomes strong through it all and ends up wanting nothing but to leave her home in Mississippi The south where there is nothing but cotton fields and white landowners She was seeing people leaving one by one for points west east and north She wished to leave also for a better chance at life for her and her family *This Life's Tempestuous Sea* Douglas Charles Toland,2013-06-20 In a weak moment I have written a book Margaret Mitchell This book is a multilayered creation that touches on a wide array of topics many of them drawn from personal experiences Indeed you the lucky reader will be blessed with enough material for at least three books within one cover Why would I want to write such a multi themed book It wasnt my original intention Maybe Ive learned an important lesson and wont do so next time Like many older folks I wanted to share what I have learned to be true and useful and couldnt seem to stay with a single topic Ive lived long enough to confirm an important realization the gleanings from a well lived life are at least as important as knowledge gained vicariously through reading and classroom attendance But I think most people dont fully appreciate the value of their life lessons and end up taking most of them to the grave I want to counter that pattern and use this book to share as many of my gleanings as I can I also recognize several imminent dangers facing this nation and our planet and feel compelled to share these concerns Just as important I want my wife children and grandchildren to know more about who I was and who Ive come to be I hope they will have occasions to use some of my wisdom **All This Life** Joshua Mohr,2016-06-14 With a wide cast of characters and an exciting pace that mimics the speed of our modern all too connected lives All This Life examines the dangerous intersection of reality and the imaginary where coding and technology seek to highlight and augment our already flawed human connections Morning rush hour on the Golden Gate Bridge Amidst the river of metal and glass a shocking event occurs leaving those who witnessed it desperately looking for answers most notably one man and his son Jake who captured the event and uploaded it to the internet for all the world to experience As the media swarms over the story Jake will face the ramifications of his actions as he learns the perils of our modern disconnect between the real world and the world we create on line In land locked Arizona as the entire country learns of the event Sara views Jake s video just before witnessing a horrible event of her own her boyfriend s posting of their intimate sex tape As word of the tape leaks out making her an instant pariah Sara needs to escape the small town s persecution of her careless action Along with Rodney an old boyfriend injured long ago in a freak accident that destroyed his parents marriage she must run faster than the internet trolls seeking to punish her for her indiscretions Sara and Rodney will reunite with his estranged mother Kat now in danger from a new man in her life who may not be who he or his online profiles claim to be a dangerous avatar in human form Using his trademark talent for creating memorable characters with a deep insight into language and how it can be twisted to alter reality Joshua Mohr returns with his most contemporary and insightful novel yet
