

Dear lovely,

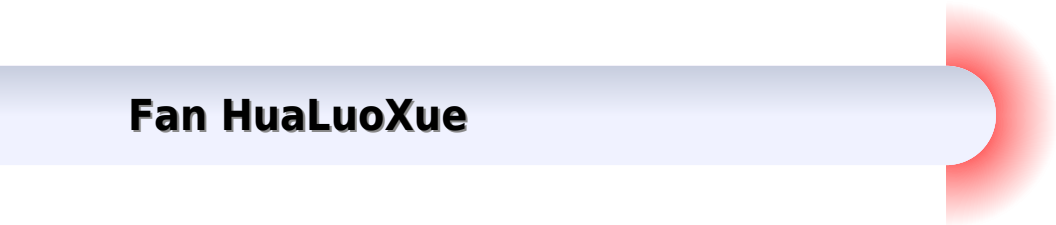

I know we're not together or anything but I just felt like I have to admit it. It's really stupid, it is. And I know ^{but} there is simply no  way to change my feelings. I don't know if you will ignore this or anything, but I fell in love with you. Simply your laugh, smile, eyes, the way you talk about something you aspire, the kisses you place all over me, the way you wrap your arms around me, your body, your soul, your warmth, your smell. And it gets stronger every time we meet. I fell in love with you, simply because you're you
