Love To The Last Breath:

Love to the Last Breath Daniel D. Narwa,2003-11 **Love's Last Breath** Aanchal Chaudhary,2025-02-22 Aella and Aidan were meant to be each other's forever until the silence came between them. What begins as a love full of laughter, trust, and shared dreams is soon tested by fear, insecurities, and the weight of unspoken truths. Aidan's quiet withdrawal turns into a downward spiral, leaving Aella grasping at the fragments of a relationship that once felt unbreakable. In the wake of misunderstandings and unanswered messages, Aella is left to confront her deepest fears while navigating the loneliness of Aidan's absence. But when the truth of his struggles comes to light, the choice between holding on and letting go becomes the greatest challenge she has ever faced. As they embark on a journey of healing together and apart, Aella and Aidan must learn that love is not just about the moments of joy but also about enduring the storms that threaten to tear them apart. Can they rebuild what's been broken, or will the silence between them leave a permanent scar? This is a poignant tale of love, loss, and resilience, a story that explores the power of vulnerability, the beauty of forgiveness, and the courage it takes to fight for what truly matters.

Wakefield's Course Mazo de la Roche,2022-08-16 In *Wakefield's Course*, Mazo de la Roche deftly explores the intricate relationships within the Wakefield family, juxtaposing personal aspirations with societal expectations. This novel is marked by de la Roche's characteristic attention to character development and emotional depth, as she weaves a narrative rich with themes of ambition, gender roles, and the pursuit of happiness. Set against the backdrop of early 20th-century Canada, the work reflects the transitional period in which traditional values clash with modernity, ultimately inviting readers to reflect on the complexities of familial bonds. Mazo de la Roche, a prolific Canadian author, garnered fame for her ability to capture the essence of her characters and their environment. Known for her deeply personal writing style, de la Roche channeled her own experiences and observations as a woman navigating a patriarchal society into the lives of her protagonists. Her unique perspective was undoubtedly shaped by her background and her embrace of the intricate tapestry of Canadian life, making her works, especially *Wakefield's Course*, resonate with authenticity and insight. For readers seeking a profound exploration of family dynamics and societal pressures, *Wakefield's Course* is a compelling addition to Canadian literature. With its richly drawn characters and evocative prose, de la Roche invites readers to delve into the complexities of human relationships, making this novel a rewarding read for anyone interested in the nuances of life's challenges and triumphs.

Love's Oneing Kerrie Hide,2022-11-08 Grounded in Christian love mysticism, *Love's Oneing* gives voice to the luminous consciousness that awakens from within our oneness in God in contemplation. With great sensitivity, the book offers nuanced insight into the marriage of kenosis and desire in contemplation through the rich tapestry of writings from nine mystics: Julian of Norwich, the Cloud of Unknowing, author Meister Eckhart, Mechthild of Magdeburg, Clare of Assisi, John of the Cross, Teilhard de Chardin, Beatrice Bruteau, and Ilia Delio. With the delicate eye of a spiritual director immersed in mystical literature, Kerrie Hide situates these mystical teachings within contemplative prayer whilst offering a scholarly

exploration of contemplative practice to embody the insights Deeply grounded in traditional and contemporary mystical classics Hide celebrates how the Christian mystical tradition lays a foundation for the evolutionary growth of communion consciousness and the insights of quantum science highlighting key moments in contemplation that when surrendered into open into divine love Born of intellectual reflection lived experience and contemplative wisdom Love s Oneing makes a unique contribution to the existing literature on contemplation at a time when the recovery of the mystical dimension of life is crucial for the future of our planet in this climate crisis moment Love's Journey Dontavius M. Foster,2010-02-08

Summary of Love s Journey In this book I have had more than my share of life s problems and I feel like we all share the same common thoughts in wondering how one s life can be so promising yet deceptive How love and hate co exist in a realm of equal compromise To the edification of good nevertheless evil always seem to follow Life is not to be mistreated so life has to be embraced However love is only surreal to those who treat it like that Therefore we have the power to declare our happiness and decipher who what when where and why people try to keep us miserable like themselves Along this journey love and pain has been produced and we all must go through this chapter of life I feel like its time to let others feel what I have experienced and now realize what has been due to me since my very existence my happiness and to show you all that you too can have peace in whatever situation you may be facing because you cannot stay down forever I have tasted a piece the goodness and I want more Finally to those who have chosen to read this book I hope you find useful information to move on to your destiny your happiness and your eighth wonder of the world You have to want better and hold on to what life has in store for you If it s for you then no one else can take it P S Find your reason for living and there you will find what makes you tick Dontavius M Foster Get Real Michael Hickey,2012-02-16

From the Preface Get real was a slang term that became popular in the 1960 s when Michael Hickey was growing up in East Boston It implied that someone wasn t in touch with reality and had to change their way of thinking or living If you put on the television today all you might find is one of the hundreds of so called reality TV shows More often than not these reality shows are illusions of reality because the real persons utilized as actors performers are seemingly coached to act in certain ways by the directors judges or producers who really control the reality Nonetheless reality TV is a modern phenomenon people watch it constantly and that does indicate a high degree of the public s interest in some concept of reality As for mystery it seems we are approaching an age where there will be the death of mystery and we will have only reality Hickey believes this is because the vast majority of the populace doesn t view reality in the context of mystery They imagine mystery to be something which is just obscure or ambiguous which given enough time will be solved by reason and logic and become reality Hickey s goal is that Get Real will give the reader a fresh understanding of both reality and mystery as seen from a theological and philosophical viewpoint Ultimately he intends the reader to move beyond the perceived duality in order to establish that mystery is truly the home of all reality The Light of My Life Mohammed Arqam Bazmy,2017-02-21
