Water my Soul Reflections in Poetry Arwa Qutbuddin,

Emerge: Poems from My Soul Kassi Ydris, 2018-05-01 Within each of us there is a spark a light in our souls that never dies It is the gift that is divine which God has given us It takes the form of art math teaching writing poetry counseling and something magical The darkness of the world and the illusions of technology have distracted us with their illusions and images of who we are not instead of helping us find the light inside ourselves which is the gift from God I wanted to write a series of poems that encourage others to find the light in their souls and in the process be happy doing what they are supposed to be doing and being who they are meant to be instead of wasting their lives away trying to please others and the images of who others want them to be Within each of us there is a spark of the divine the soul your light We

need you to find the light within yourself so you can shine with your light and make the world a less dark and a happier place
