Rod Guerrero, 2013-11 We often allow ourselves to get defeated in sadness depression despair loneliness and ultimately self destruction These are terrible places to be But there is a way out of those places and that is through God's love and trust along with belief in yourself In And God Answered author Rod Guerrero offers a discussion of how to turn negative thoughts into positive energy Presented as a back and forth conversation between Guerrero and God this study provides a serious and thoughtful discussion of topics relevant to the lives of all beings that inhibit and share our world Guerrero maintains that to be mired in negativity is an exhausting waste of energy and that life is meant for joy and not struggle We can fill our lives with love peace and prosperity by building on the inexhaustible supply of love that exists in all of us You can unleash that authentic power within you and set yourself free Including original poems And God Answered communicates that any negativity can be bridged over to the positive by stilling your thoughts and communing with God to redirect your thoughts and create as you desire *Trailblazers 4' 2006 Ed.* , **Knowing Who I Am** Nianell, 2012-10-15 Wherever she goes the popular South African recording artist and celebrity Nianell offers this important inspiring message Every one of us should love ourselves When we learn how to love ourselves unconditionally we will be able to experience a life worth living and also inspire and touch the people around us Then we not only make a difference in our own lives but also in the lives of others In her first book Knowing Who I Am Nianell tells how she has learned to love herself She takes the reader on a journey through her life from being a shy withdrawn schoolgirl to becoming the acclaimed singer songwriter she is today Like most people Nianell has had to face challenges and she offers an honest and unpretentious account of her personal experience of suffering the struggle to belong love womanhood being a mother of triplets and being a star Her personal stories many shared with the public for the first time illustrate how she discovered who she really is and how she came to the point of accepting herself and her worth Nianell's descriptions of her experiences will touch your heart inspire you and help you realize the value of accepting and loving yourself as you are Knowing Who I Am is an enjoyable combination of biography and inspiration It is a reading and growing experience that will remain with you long
