Psychoanalytic Patterns in the Work of Graham Greene Roland A. Pierloot,2023-12-14 In Greene s writings we
notice a genuine concern with social and political conflicts at different places in the world But at the same time they bear
witness to a distinct involvement in problems of human nature and behaviour In this respect we can formulate some
dominating preoccupations such as the stressing of antitheses and antagonisms which he calls himself cleavage the
questioning of loyalty and the claiming of the right to disloyalty the repercussion of childhood experiences in particular the
father son relationship on adult life and the transcendental dimension in human experience From a psychoanalytic viewpoint
we analyse the various elaborations of these general themes in the work of Greene as symbolizations of specific unconscious
phantasies defined in the writings of Freud Klein Fairbairn Kernberg Kohut and Winnicott This analysis of the imaginary
world of an author is conceived as analogous to a clinical psychoanalysis It is a hermeneutical activity based on the
countertransference experience evoked by the reading of the text while taking into account the manifold strategies of
symbolizing in a literary work the choice of the genre themes text construction tropes word plays figurative language
repetition discontinuity parallelism plot and characters *The Mother's Magazine and Family Circle* Abigail Goodrich
Whittelsey,Darius Mead,Elizabeth Sewell,Maria C. Tracy,1868 Musical Times and Singing Class Circular ,1898 *Short
poems* F C. W,1877 Jesus And James Earl Mead,2018-11-05 If you are seeking to make better sense of your life and the
world with Jesus always at the center you will be glad for this book Inside you will find nothing trivial or shallow You will find
things you are not likely to have read or heard anywhere else and you ll be glad about those things too Even tough issues are
dealt with head on boldly and courageously through Jesus s life death and resurrection Jim s writing is lively engaging and
conversational but deep he is passionate about the topics and compassionate toward his readers Poetry by Us You & I
Warwick Conway,2015-01-13 The first edition from poetry by us you i is containing affection as well as love within chapter
one Chapter two containing reality along with what life throws at us Inside of chapter three there you will find forfeiture loss
