Lovers And Enemies:

Enemies Or Lovers Emerald Jones,2016-10-25 A young girl who is of the supernatural descent meets her mate who just so happens to be her enemy There is already a battle going on between the two how can there be anything else The two go through ups and downs and the ride has just begun

Defiant Sara Cate,2020-08 RafeHate is easy A hell of a lot easier than the alternative It s my job to keep Wicked safe which means getting my hands a little dirty sometimes After I lost my best friend I m not pulling my punches anymore So it s hate that helps me win every fight and close every case But now the past is coming back to haunt me and I refuse to be cornered As for the girl who just moved in next door hate is my only option and I won t go down without a fight ShelbyTen years ago he ruined my life Now it s my turn to ruin his I didn t plan to move in next door to Rafe Nolan especially after what he did to me and my brother But now I have the opportunity to make his life as miserable as he made mine And for a man who is so tortured this should be easy But there is a dark secret behind all that pain of his that draws me in He s trying to hold his power over me but I can see him losing control I can use his secrets against him but as I start falling for him I know this is one fight I am going to lose Welcome to Wicked Beach Defiant is a standalone enemies to lovers romance It has a love to hate alpha a hole and feisty heroine with no cliffhanger and a guaranteed HEA

On Love and Charity Saint Thomas Aquinas,2008-07 Among the great works of Thomas Aquinas the Commentary on the Sentences of Peter Lombard has suffered almost total neglect among translators Such neglect is surprising considering that the massive Commentary more than 4 000 pages in the last printed edition is not only Aquinas s first systematic engagement with all the philosophical and theological topics on which he expended his energy over the span of a short career but is also characterized by an exuberance and elaborateness seldom found in his subsequent writings Although Chenu had already drawn attention decades ago to the importance of studying this youthful tour de force for a fuller understanding of Thomas s more mature work the Commentary on the Sentences has remained a closed book for many modern students of Thomistic and medieval thought because of its relative inaccessibility in English or in Latin The present volume containing all the major texts on love and charity makes available what is by far the most extensive translation ever to be made from the Commentary with the added benefit that the better part of the translation is based on the as yet unpublished critical edition of the Leonine Commission The collection of texts from all four books has a tight thematic coherence that makes it invaluable to students of Thomas s moral philosophy moral theology and philosophical theology In addition the inclusion of parallel texts from Aquinas s first Parisian Commentary as well as from his second Roman attempt at a commentary the recently rediscovered *Lectura Romana* makes this edition all the more valuable for those who wish to track the internal development of Thomas s thinking on these matters The new availability of so many rich passages from the Commentary on the Sentences will encourage and facilitate use of a magnificent resource that deserves to be better known The printed volume is supplemented by a web based document containing a fuller introduction webnotes and a bibliography

To reach this supplementary information click here ABOUT THE TRANSLATORS Peter A Kwasniewski is associate professor of philosophy and theology at Wyoming Catholic College and editor of Wisdom s Apprentice Thomistic Essays in Honor of Lawrence Dewan O P Thomas Bolin O S B is a monk at the Monastero di San Benedetto in Norcia Italy Joseph Bolin is adjunct professor of philosophy at the International Theological Institute in Gaming Austria and adjunct instructor of Latin for the Austrian Program of the Franciscan University of Steubenville PRAISE FOR THE BOOK T he present volume contains by far the most extensive English translation from the Scriptum to date The translators of On Love and Charity have aimed to give a translation which is neither too literal nor too liberal trying to find the golden mean between an unintelligibly Latinised or an enjoyable but unfaithful English version This impressive volume will be of a great help for those wishing to study Aquinas and the issue of love in more depth B Toth Ephemerides Theologicae Lovanienses

Flames of Love Heath Bradley,2012-11-29 Is hell for real or will all be saved What if both are true It is tempting to settle either for the liberal option of downplaying the judgment of God or for the conservative option of letting dominant church
