Lovers And Other Strangers Paintings By Jack Vettriano:

Lovers and Other Strangers Jack Vettriano, 2009-01-05 Jack Vettriano's erotic provocative and emotionally charged paintings have made him one of Britain's most successful contemporary artists. Collected by celebrities the world over his exhibitions have regularly sold out and paintings now change hands for millions of pounds. In this beautifully packaged collection Jack chooses 100 essential canvases that reflect the intensity and passion of his work. An elegant accompanying essay by critic Anthony Quinn recounts Jack's early years and his emergence as a successful artist. Filled with mysterious men and curvy seductive yet enigmatic women Jack's paintings are tales without text storyboards about love and lust, possession and longing, pursuit and conquest. Understanding perfectly the stylish sexiness and intrigue that occurs when high life and low life collide Jack also hints at memories of golden times past and lost.
