Lovers Lair:

Harlot's Moon Meryl Taylor, 2019-03-01 This is the most recent in Meryl Taylor's long series of literary offerings since 1987 when she first published *Earthbound* as a tribute to Elizabeth Steinberg a murdered child from New York City. Proceeds went to the World Hunger Coalition. Since then *SCRAPS* 1988 with *New Horizons* in Chula Vista donated funds to Humane Society Brown Mare with *Avant Garde* in Missouri gifted WWF Big Trouble on Hog's Back helped Wounded Warriors and her other works with Xibris aided animal charities across the world. She was widely published in magazines under pen names in the late 70s and won contests with her teachers' help. Writing has been her passion and solace. Now with her love Charles at her side she reaches out to those who hurt, need to heal, survive, move on, and grow past life that no longer works. Living in Dayton, Ohio, she writes for adults and children who need to laugh at lives that may not always seem funny. With a freshly minted PhD she soars into the stratosphere to entertain and enlighten. A mother and grandmother she sees life as a challenge, a tunnel where that light is no roaring train but an opportunity. To aspiring authors write on, publish or perish. *Prez* Margaret Garrison, 2014-07-10 When a woman falls in love with a married man a struggle begins. When that woman presides over a regional university and holds high ethical standards a major conflict looms. Katherine Embright, chancellor of North Carolina's Wickfield University, thinks she can manage her head versus heart dilemma until she is diagnosed with colon cancer. Reluctantly she turns to campus security officer Paul Stafford, the man who secretly stirs her feelings. This is 1990, an era when women executives cannot afford to appear weak. And Katherine needs Paul's expertise to help conceal her advancing illness from the public eye. *Prez: A Story of Love* takes the reader behind the ivy walls of academia into the real life drama of the human heart. Along the way Katherine runs out of gas on a mountain interstate, tangles with her aging Board of Trustees chairman, and rides through the winds of Hurricane Hugo. Adding to her tension is the guilt she harbors toward the long ago deaths of her father and young brother. With a keen eye for both imagery and first person narration, Margaret Garrison develops themes that embrace romantic passion, devotion for family, and spiritual grace. In the end, this debut novel will leave the reader feeling emotionally empowered and enriched. *How to Save a Marriage in a Million* Leonie Knight, 2015-02-15 Joanna and Richard Howell thought they had it all until they lost their precious little boy. Brokenhearted, their perfect marriage crumbled. Since then Jo's thrown herself into nursing, determined to distract herself from what she's lost. She loves her newfound inner strength but seeing her gorgeous husband again makes Jo wonder if she's brave enough to hope they can have another shot at happiness. [Same Sex in the City](#) Lauren Blitzer, Lauren Levin, 2012-12-11 At last, lesbian culture is becoming more visible in the mainstream media. From *The O.C.* to *The L Word*, gay women and the occasional bi-curious straight girl are portrayed coming to terms with their sexuality and embracing it. But the journey from sexual curiosity to finally coming out can be confusing without proper guidance and empowering role models. Lauren Blitzer and Lauren Levin know first hand the challenges that lesbian women face in our society and *SAME SEX IN THE CITY* is their

uplifting and at times irreverent response The Laurens are both prominent figures in the New York lesbian community though their stories are very different Here they relate their own experiences and those of the women they interview as well as offer serious advice alluring anecdotes and a positive attitude for girls who know they re gay and those who are wondering about their sexuality but are not yet sure whether their Prince Charming is really a Cinderella Part confessional part informational SAME SEX IN THE CITY covers the gamut of lesbian life from dating to heartbreak from hooking up with straight chicks to being out at work It s the book that millions of women have been searching for a step by step guide that will help every woman come to terms with and celebrate her sexuality whatever it may be **Weekends for Two in the Southwest** Bill Gleeson,2005-11-24 Completely revised and updated Weekends for Two in the Southwest presents 50 of the best locales for lovers in Arizona New Mexico and Colorado Illustrated with 200 glorious color photographs it offers detailed descriptions including rates amenities and ambience for each inn and resort plus suggestions for restaurants and daytime excursions capturing the warmth spirituality and allure of one of the most beautiful places in the world Surviving Magnelia Monsoon Maggie Jansen,2023-08-22 The seeds of alcoholism are often planted deep in the shadows of childhood growing silently and unnoticed until it inevitably blooms into an active problem that can derail and destroy lives careers and families Surviving Magnelia Monsoon Beyond 1215 and the Bottle is a raw intimate and inspiring memoir vividly detailing the author s descent into alcoholism and how after decades of struggle she finally managed to reclaim joy love and family from the depths of a despair she d been sure would never end From a childhood that grew more and more dysfunctional as her parents marriage dissolved into tears raised voices and raised fists eventually ending in divorce and estrangement the narrative follows the author s struggles to feel safe or loved after her mother s departure to calm the chaotic storm left in her wake and to fill the growing emptiness threatening to swallow her whole with anything that might take the pain away or at least numb her to it for a while She manages to keep a mask of normalcy firmly in place for years more or less and build a near perfect life with a loving family of her own but with alcohol degrading its foundations a collapse is inevitable a collapse that will leave her with no choice but to get help or die buried under the rubble Contradicting the egregious and harmful stereotype of alcoholics being weak willed or lesser than this memoir showcases the incredible strength needed to even function under the weight of denial rationalizations and self loathing let alone accomplish anything as well as the fact that it is a disease that doesn t discriminate based on birth or circumstance It can affect anyone and does No alcoholic is truly alone in their struggle It is all too common But there is always a way out Babylon Laid Waste--A Journey in the Twilight of the Idols Brigitte Goldstein,2019-06-10 Alerted by a letter from Berlin that her grandmother may be alive in a Jewish hospice there Misia Safran a former refugee living in New York is determined to follow the lead and return to her native Germany However it is 1946 and the defeated Reich under Allied control is off limits to civilian travel in or out With the help of a people smuggling ring Misia manages to breach the fortress and enter with forged German identity papers under an assumed
