Maroon,2023-11-07 An eloquent and perceptive series of essays

on Black lives in America Kirkus Reviews In this hard hitting collection of essays D B Maroon presents a personal biography of America Blackness and racial politics with unflinching style and delivers a relentless truth telling on some of the country's fiercest debates and most profound challenges From the birthplace of the Black Lives Matter movement to the murders of unarmed Black people this essay collection invites readers to ask questions as much as it asks for accountability Moving through debates on the 1619 Project to the rippling impact of resurgent white nationalism the golden thread of each essay is the hopeful continuance of the Black community as well as a call to greater truth as the first step toward reconciliation Intersectional personal and ultimately centered on truth love and perseverance Black Lives American Love details and tends to the fractures in American culture It is a meditation on how we can all do more to secure America's vastly beautiful possibilities for all its citizens rather than a few **Eternal Vows: Promise of Eternity** Alexander Gabriel

Zoderot,2025-03-03 Love is eternal But eternity demands sacrifice Aelin was never meant to stand out A servant in a noble house she was nothing until a single fateful glance changed her life forever But love is no blessing in the halls of power It is a curse Eternal Vows Promise of Eternity is a sweeping tale of relentless fate and the unbreakable bond of soulmates across

time The first time she met Randor it was fate The second it was tragedy Now she no longer knows if she is living remembering or dreaming Thrust into a world of deception and cruelty she is torn between the noble heir who sees her as his possession and the knight whose silent devotion speaks to a truth older than time itself Some vows are not spoken they are etched into the soul bound beyond death But fate is a cruel master and as the past and present collide Aelin must ask herself can love break the cycle or is she forever doomed to relive the same heartbreak Perfect for readers of Nicholas Sparks The Notebook Colleen McCullough's The Thorn Birds and those drawn to deeply emotional fate driven love stories filled with longing sacrifice and timeless devotion *Impending Love and Promise* Laura Freeman, 2018-12-17 The Civil War is over but a chance encounter between Jules Beecher and a man from her past turns a simple trip to find her orphaned cousins into a dangerous journey Determined to keep a promise to her father she puts her life at risk but finds a reluctant hero in Dr Roe Greystone Can Jules heal the broken doll of the battlefield or will the past destroy any future Roe abandoned the profession of medicine exhausted from the suffering and butchering of the Civil War Co owner of a sternwheeler Roe knew Jules was trouble the moment the kindhearted innocent boarded the Jenny Lee He is determined to protect Jules from a madman but will this Romeo risk all to rescue his Juliet **The Politics of Love** Rebecca Joubin, 2013-10-03 Dramatic miniseries are the primary arena for the expression of postcolonial Syrian culture and artistic talent an arena that unites diverse aspects of artisanship in a struggle over visions of the past present and future of the nation As the tour de force of the television medium blossoming amidst persisting authoritarianism these miniseries serve as a crucial and complex artistic avenue through which political and social opposition manifests Scholars have tried to come to terms with a highly critical culture produced within attempted state co optation and argue that politically critical culture operates as a safety valve to release frustrations so that dissenters are less likely to mobilize against the government Through research fueled by a viewing of over two hundred and fifty miniseries ranging from the 1960s to the present as well as an examination of hundreds of press reports Facebook pages and extensive interviews with drama creators this book turns away from the dominant paradigm that focuses on regime intent When turning attention instead to the drama creators themselves we witness the polyphony of voices employing love and marriage metaphors and gender de constructions to explore larger issues of nationalism self identity and political critique At the heart of constructions of femininity are the complications that arise with the symbiosis of pure femininity with authentic national identity Deconstructing masculinity as political critique has been less complicated since it is not implicated in Western identity issues on the contrary illustrations of subservient masculinity serve to subtly denounce government corruption and oppression Miniseries from the 1960s demonstrate that the focus of the qabaday tough man on female sexuality comes from his own political alienation vis vis the state and is part of a vicious cycle of state violence vis vis the citizen In recent years and in particular after the uprising we can see the emerging definition of the true qabaday as one who does not suppress a woman's sexuality thereby allowing for full equality in relationships as the basis of a truly

free society
