Recounts one woman's discovery of her ability to heal through contact with spirits and reveals how others can awaken this same gift in their own lives Explains how reconnecting with our inner sense of joy is the first step in healing Shows how to rid our life of the traumas from the past that hinder our spiritual development including unresolved traumas from past lives Provides a roadmap that others can use for rediscovering their own connections to the spirit world Like many others who have discovered that they have a healing vocation Alexandra Leclere began meeting with other healers and shamans to learn how to put her gift to use At one of these gatherings she was shocked to find that she was the only one who could see the spirit of a deceased woman that was being honored there a sign that marked the beginning of a remarkable adventure that taught her how to use her gift for healing herself and others Despite the extraordinary powers of clairsentience and clairvoyance revealed to her through her work with the spirit world Alexandra Leclere shows that the greatest gift she has received since her shamanic awakening is the ability to experience unconditional joy Often the pain caused by unresolved psychological traumas from the past including past lives is the key obstacle restricting access to the powers offered by the spirits The first step in healing requires reconnecting with the joy that resides within us Once this connection has been established we are all capable of restoring our connection to the spirit world Alexandra Leclere's story provides a roadmap for finding our way back

Mortal Fire C F Dunn, 2013-06-02 Mortal Fire winner of GOLD in Adult Romance ForeWordBook of the Year Awards 2012 Nominated Best Fiction Book of the Year CRT 2012 In this award winning debut novel and the first book in The Secret Of The Journal series historian Emma D Eresby escapes the predictable safety of her life in Cambridge to seek the journal the Seventeenth century diary of an obscure Englishman a portion of which was left to her by her grandfather Secreted in the library of a university in Maine USA the journal is Emma's lifelong obsession but as she takes up the year long teaching post

at the university she realises that the journal has a rival as she is irresistibly drawn to the enigmatic figure of surgeon Matthew Lynes As Emma evades the romantic advances of seductive colleague Sam Weisner she becomes aware of a more sinister presence haunting the university Attacks on women heighten tension on campus and Emma fears that she is the focus of a stalker's attention Suspense mounts on the eve of Halloween with horrific consequences but where there is darkness there must also be light Who is Matthew Lynes and what is his connection to the journal If I could say one thing Read this Colin Dexter creator of Inspector Morse The sense of growing menace will have readers gripping the edge of their seats The hairs on my neck started to rise as I realised there was only one possible answer to the mystery A tense and accomplished debut novel blending romance with thriller Fay Sampson award winning author The Hunted Hare I began MORTAL FIRE one winter evening with a cup of hot chocolate near at hand Within a few chapters the chocolate was ignored and had gone cold CF Dunn writes vivid prose which will hold a reader's attention to a riveting conclusion Mel Starr author of The Unquiet Bones *The Pillar of Celestial Fire* Robert Cox, 1997-11-01 In this well documented book compelling evidence is presented that during the previous Golden Age a universal sacred science was shared by enlightened Seers of the Biblical Egyptian Vedic Taoist and Native American traditions The mysterious and powerful knowledge possessed by these ancient Seers is relevant today for it holds the keys to spiritual enlightenment perfect health and physical immortality Although this knowledge was lost long ago according to the cycles of time mapped out by the ancient Seers themselves we are now about to enter into a new Golden Age a time when the lost sacred science is destined to be revived and miraculous new technologies will arise The author presents the spiritual historical and scientific background of this imminent revival with remarkable insight offering a message of great hope for the entire human race Fangs and Fire Lysander Van Der Woerd, The ancient library of Ravenscroft Academy stood like a fortress against the mountain winds its Gothic spires piercing the perpetually overcast sky Within its stone walls thousands of leather bound volumes held secrets that most mortals could never comprehend Seraphina Blackthorne moved between the towering shelves with practiced grace her emerald eyes scanning the spines of books that chronicled centuries of supernatural lore As the academy's newest librarian she had been drawn to this position not merely for her love of books but for the promise of answers For twenty three years she had lived with questions that burned in her soul like embers refusing to die Why did she dream of places she had never been Why did ancient languages flow from her lips as naturally as breathing And why when she looked in mirrors during the full moon did her reflection sometimes seem to flicker with an otherworldly light The grandfather clock in the corner chimed midnight its deep resonance echoing through the empty halls Seraphina should have left hours ago but she found herself drawn to a particular section of the library that she had been avoiding since her arrival three months prior The Restricted Collection called to her with an irresistible pull as if invisible threads were tugging at her very essence She approached the wrought iron gate that separated the forbidden texts from the general collection The lock should have been impenetrable yet

when she touched it the metal grew warm beneath her fingertips and clicked open with surprising ease Heart racing she pushed through the gate and stepped into a world that seemed to exist outside of time itself **Fire Me** Libby

The morning mist clung to the mountainside like ghostly fingers obscuring the ancient stone fortress that had stood sentinel over the valley for over a thousand years Within its weathered walls Princess Lyrlei of Valdris moved silently through the corridors her silk slippers making no sound against the cold flagstones Today marked the beginning of her twenty first year and with it the fulfillment of a promise made long before her birth The dragon s fire had not been seen in the valley for three generations yet the people still whispered of the great beast that once protected their lands from invaders The stories spoke of Pyrion the Magnificent a dragon of such power and wisdom that kings from distant realms would journey to seek his counsel But those were tales from another age when magic flowed freely through the world and the barrier between the mortal realm and the ancient powers was thin as morning dew Lyrlei paused before the great tapestry that dominated the eastern wall of the throne room Woven by her great grandmother s own hands it depicted the signing of the Dragon Pact the sacred agreement that had saved her kingdom from certain destruction The scene showed her ancestor King Aldric the Brave standing before a magnificent red dragon both figures bathed in golden light Between them lay a scroll bearing the royal seal and above them stars seemed to dance in an eternal pattern According to the ancient texts the pact was simple yet binding when the kingdom faced its darkest hour and when the royal bloodline produced a daughter of pure heart on her twenty first birthday the dragon would return In exchange for this protection the princess would be given a choice that would determine the fate of both their peoples The exact nature of this choice had been lost to time but Lyrlei had spent years preparing herself for whatever destiny awaited
