Loves Second Blooming:

Love's Second Bloom L. M. Gonzalez, 2017-09-22 Gloria has devoted her life to her two sons and found joy tending her backyard garden. She had no idea anything was missing until Matt strolled in pushing a wheelbarrow. The attraction was immediate. After his divorce, Matt's goal was to be the best father he could be for his daughters. Toward that end, he spent his time growing his landscape business. His plans never included falling in love again. Love descended upon them in a backyard filled with dying roses. Together, they were able to not only revive the roses but to rekindle the light of love within each other. Now Matt has proposed, Gloria has accepted, and they look forward to a future together. Can Gloria and Matt weed through the challenges including exes and kids that arise after Matt's proposal and find true love and happiness with each other?
