Loving Daddy:

My Loving Daddy Patsy Secrist, 2020-07-08 My Loving Daddy is the true story of a broken life brought on by the dreadfulness of sexual child abuse and how the power of God rescued and healed that life and brought joy and victory It is an amazing story of redemption and the power of forgiveness Patsy Secrist is very transparent as she tells you her story in her own words and though it was difficult to write she excels in telling the whole story Life is hard but God is better And he can heal your life too *Daddy Do You Love Me?* Ariel Allison, Shelby Rawson, 2006-08-01 The United States is the world's leader in fatherless families Marginalized by society into a distant and unemotional role as the family's bread winner we are only now beginning to understand the devastating effect of emotionally distant fathers on their daughters health and well being and for some even on their spirituality Millions of women have suffered physical and emotional scars due to absent fathers and have experienced the painful void not having this vital connection has created Both authors write from personal experience overcoming emotionally distant fathers offering practical solutions and hope for healing this emotional and spiritual rift From how to forgive an abusive father coping with loneliness to nurturing healthy relationships and much more this book is a tremendously empowering and enriching journey for women out of sadness and pain breaking a legacy of loneliness and regret to a renewed hope for their lives Included are chapter questions pages for journaling and a list of counseling resources **Daddy Speaks Love** Leah Henderson, 2022-01-04 A moving tribute to the joy and grounding that fathers bring to their children's lives What does a daddy do From day one this daddy speaks love to his little one And along with that love his words and actions speak many other things too like truth joy comfort and pride Like many dads he answers a million questions and tries to make sure that days are full of fun adventures giggles and hugs Dads are good at scaring away imaginary monsters and honest about how to confront the real ones too They set an example for the future speaking out for equality and justice while sharing lessons from the past But most of all daddies encourage their young ones to fight for a better world with the comfort of knowing their dads are right beside them *Daddy Speaks Love* speaks to that everlasting bond between children and their fathers and is a perfect gift for special occasions including Father's Day Valentine's Day birthdays baby showers and more *Daddy Love* Joyce Carol Oates, 2018-04-01 From the author of *Bellefleur* A psychologically incisive glimpse into the mind of a deranged predator and the boy he abducts to be his son Booklist Robbie Whitcomb is five years old when he's taken from his mother in a mall parking lot In her attempt to chase the kidnapper she's left badly injured and permanently disfigured Such are the methods of the man who calls himself Daddy Love a man known to the rest of the world as charismatic preacher Chester Cash For the next six years Robbie is to be Daddy's son That means doing whatever Daddy says and giving him whatever he wants Soon Robbie learns to accept his new name Gideon He also learns that he is not the first of Daddy Love's sons And that each of the others after reaching a certain age was never seen again As Robbie's mother recovers from her wounds her life and marriage are a daily struggle But as years go by she

maintains a flicker of hope that her son is still alive Meanwhile Robbie approaches the bittersweet age with no illusions about his fate But somewhere within this tortured child lies a spark of rebellion And he knows all too well what survival requires After all these years Joyce Carol Oates can still give me the creeps Marilyn Stasio The New York Times Book Review A lean and disturbing tale that reverberates after its ending The Columbus Dispatch Oates makes us squirm as she forces us to see some of the action through Love s twisted and warped perspective Kirkus Reviews This unsettling tale showcases Oates s masterful storytelling Publishers Weekly

Dear Child, Love, Daddy Anonymous, 2008-07 Dear Child Love Daddy is a compilation of 365 letters from a loving father to his forcibly estranged child These letters are masterfully written and woven together and their endearing style has a way of engaging the reader The author uses wit humor thought provoking questions and quotations from the Bible to impart love acceptance interest encouragement and gentle instruction to his young child Perhaps you ve experienced a less than ideal relationship with your father or maybe you are a dad who wants to be there more for your child Perhaps you re a mother whose child needs more from his/her father Or maybe you just want to read an endearing account of a father s love for his child Then Dear Child Love Daddy delivers This faithful husband and father of three has felt the horror of having one of his children kidnapped during a heated custody battle with his ex wife Up against a high powered family with deep pockets which used lies and exploitation this disabled man lost custody of his beloved child He meets pain and terror with fortitude and perseverance Remaining undaunted in his desire to honor God and to be the father that his child needs he writes daily Having never received a single letter in return he assumes the youngster who can barely read has not been receiving his letters Perhaps the best way to describe this anonymous author is by the words of his two adoptive children The first says He s a really cool and fun dad And the second says He s the best dad in the world He could be doing other things but instead he plays with us

Daddy Look! Todd Battle, Darrel Sanders, Reggie Watts, 2012-04 Fathers how many times on a weekly basis do you hear the expression from your children Daddy Look Have you ever wondered why they want you to look so badly Do you know how much power exists in Daddy s Look If you haven t been looking at them what have you been looking at What happens when Daddies don t look Are there dangers in not looking Is it too late to look Authors Battle Sanders and Watts tackle these questions and more in this tremendous book destined to change the lives of all who read it and truly want to make a difference in their children s lives This is a great book Daddy Look offers a focused approach to becoming a godly

father Using the story of Daddy Look it summarizes these lessons in five key principles Being a Godly Man Being a Man of Character Being a Teacher Being a Provider Being a Protector This book is clearly written with Christian fathers as a target audience however men without a Christian background would still glean much from the principles in the book I wholeheartedly recommend this book It s a great read and I m very proud that my Pastor is one of its authors Grover Johnson Single Dad This book will both challenge and provoke change in any father who takes the time to read it and then makes a commitment to apply it I truly wish this book was around when I was raising my two children as a sole provider and self sufficient single Mom Dr Anita Latin Byrdsong Founder OVL Foundation A father with the responsibility of raising up a child and being a role model to look up to I felt like I failed recently while my 11 year old daughter asked me if I love her It was a gut shot that caused me to stop everything and have a heart felt talk with her I realize now that she has been saying DaddyLook but in many different ways My daughter and I have a new found relationship that feels much different than before But had I listened to her cries sooner this could have been avoided and she could have detoured from the feelings of being lonely and unloved The book Daddy Look gives a great understanding on the complications of parenting and how to avoid or deal with these situations in life Michael Pine www.daddylookbook.com
