Tantrums are an expression of emotion that
became too much for the child to bear.
No punishment is required.

Biblical Worship Shamblin Stone, 2012-03-15 God has always had a way He wants to be worshiped He has outlined that way for us in His written revelation the Bible In it He has commanded us to worship Him with our entire being holding nothing back According to Jesus this is the first and greatest commandment The reasons God has given us for obeying His commands to worship Him are because of who He is and because of what He does Worship is the biblically declared reason for mankind s existence However how and when we worship is just as important as the fact that we do worship Also what God means when He uses the biblical synonyms of the word worship is important to understand when we are trying to obtain a more complete picture of how God wants us to worship Him Biblical Worship is a book for every Christian regardless of their preferred worship style or worship traditions The fresh new insights contained within its pages about what type of worship God desires from us all have the potential to shock you at times At the very least this book will cause you to never view worship the same way again
