Shamus off the hook though as Sheriff Peralta inexplicably demands that David solve the cold case The trail will take Mapstone to the most forlorn parts of Phoenix as well as to San Francisco and picturesque southern Arizona as he slowly uncovers the bloody secrets surrounding the mysterious FBI badge He s got the brains and the leads Now all he and Lindsey have to do is live long enough to bring justice to a fifty year old crime Where the Heart is Patricia Keelyn,2015 She d come home to put her life back together With a broken engagement behind her and a baby on the way Maddie Adams needs a safe place to have her baby and heal her broken heart Then she runs into Nick Ryan her once best friend and first love and her life once again becomes entwined with his And though the sparks between them are as strong as ever she does her best to ignore them Nick had betrayed her once and she can t risk it happening again Not now when she has another life to consider Nick Ryan grew up on the wrong side of the tracks Back then the only person who d believed in him was Maddie Adams a girl with everything going for her Then he d messed up and lost her Despite that he d achieved his dream of becoming a doctor and returned home to practice medicine But he d made other mistakes along the way mistakes that had cost him his wife and left him with an angry teenage son With Maddie back in town he s hoping for a second chance Can he undo the damage he s done to his son Can he heal the old hurt between him and Maddie And can they put together a new family one based on love rather than obligation **Risking Everything** Kara Liane,K.L.
