PERSONAL ACKNOWLEDGEMENTS Being that this book is about women there is absolutely no way I could have put it together if it wasn t for the women that have crossed my path During my years of dealing with various women I have to admit that I have had more than a little whether it was laughing with them going out to dinner to a movie to the park to the beach shopping joyriding playing cards or having sex I enjoyed every precious moment with them and I will cherish those moments as long as my brain continues to work Thank you so dearly for putting up with me On the flip side of this coin there are women I have dealt with that I pissed off or hurt during my years of immaturity If there was a way I could go back in time and undo the pain and frustration I caused you I wouldn t hesitate to do so because I know you ladies thought more of me back then I know you all didn t forgive me back then but I surely hope you do now Whether it was good times or bad times I shared with you wonderful women each one of you played a significant role in the man I am today and for that wonderful experience I am humbly grateful deeply honored and sincerely appreciative to have been blessed to have had our journeys connect I wrote this book to start a dialogue create awareness and get women to realize and believe that they are worth way more than they can imagine in life I want women to know that they do not have to settle for any man just for the sake of convenience security or whatever There will always be a gentleman available who is not only compatible with them but one

that will find them intriguing interesting intelligent and beautiful Sometimes it takes a little time to find a man that really honors women but trust me it s always worth the wait I intend to reach millions of readers mostly women If I can get one woman to read my book and walk away feeling much better about her life and the direction she wants to go in terms of a relationship then my mission will be complete Nothing that I have written in this book is intended to disrespect or offend any of my readers I mention this because some of the language in this book may not agree with the readers **Storm of Terror** Anthony Wood,2024-05-21 He thought his battles were over This one is for his soul Lummy Tullos has borne witness to the brutal toll of war His harrowing journey has led him down paths he never intended forced him to commit acts he never imagined Yet in the crucible of conflict it s often the noblest of men who must carry out the darkest deeds Lummy faced the impossible because survival and sanity demanded it With the Civil War s echoes fading Choctaw County Mississippi has known relative peace since Captain Tom Ford s notorious gang met its violent end two years ago But the loss of kin and comrades presses heavily on Lummy s soul Now all he yearns for is to be a devoted husband a loving father and to till the good soil of the family farm in peace Lummy s story isn t finished though His battles he hoped were over but President Grant himself reaches out to deny him respite The work of preserving freedom demands further sacrifice as a new specter looms on the horizon A former brother in arms once bound by the shared crucible of Vicksburg s trenches now reigns terror over central Louisiana The call to arms reaches Lummy s ears once more beckoning him to stand against the storm of terror so that others may know the peace he now craves Choctaw County s fields will have to wait as Lummy journeys back to Winn Parish where the West Kimbrell Gang s tyranny must be quelled and the clash of wills will decide the fate of a region held captive by fear and lawlessness The Complete Concordance to Shakspeare Mary Cowden Clarke,1860 **Catalog of Copyright Entries** Library of Congress.
