Soul Psychology Joshua David Stone,1994 There are tens of thousands of self help books on psychology and human relationships however there are very few that integrate the topics of the soul and spirit into the picture Most books on this subject focus on personality level self actualization The new wave in the field of psychology is transpersonal or soul psychology which will lead to monadic psychology for the more advanced students of the path The entire understanding of psychology is completely changed when the soul is properly integrated It has been said that personality level self actualization brings happiness soul level self actualization brings joy and monadic and spiritual level self actualization bring bliss

The Soul's Perspective on How to Achieve Perfect Radiant Health Joshua Stone,2001-03-06 One of the most revolutionary and profound books ever written on the subject of how to achieve perfect radiant health from God s or the Soul s perspective There are thousands of books on physical health which are excellent however they only focus on the physical level of health This book is a self help book giving you in depth training on how to achieve perfect physical health from a Spiritual mental emotional energetic physical and Earthly level Health will be profoundly increased by any person if they approach it from all the levels I have mentioned This book is a revolutionary cutting edge book that addresses the other 90% of how to achieve perfect health that traditional modalities don t often consider Spiritually electrifying reading **Just Love** Sri Swami Vishwananda,2012-05-08 JUST LOVE contains everything the entire universe It describes a Love that has been addressed before after all there is essentially nothing new to add to the wisdom of the Holy Scriptures of both East and West yet the way this Love is addressed is new and speaks to us at the beginning of the 21st century in a way that touches us deeply JUST LOVE is expressed by someone who not only knows about the all pervading all sustaining Divine force that forms the creation of the Universe but who is completely one with it JUST LOVE is the first major book written with words directly from Sri Swami Vishwananda It contains a collection of 52 talks expressed by a fully realized soul to enable each and everyone to attain the Divine Light in a simple way Sri Swami Vishwanada s message is simple Just Love Yes just love Love is all there is Love is all you have to do the rest will take care of itself

How to Release Fear-Based Thinking and Feeling Joshua David Stone,2001-01-20 One of the most profound and in depth books ever written on how to release fear based thinking and feeling and change it to love based thinking and feeling A revolutionary cutting edge master thesis on the subject of Spiritual Psychology and how to realize it The reader will never be the same after reading this book Each chapter will transform and shift your consciousness like an attitudinal and emotional chiropractic adjustment By the time you are finished with this book you will see life with totally new eyes Absolutely electrifying reading One of the most profound books

ever written in the field of Spiritual Psychology and Psychology Totally cutting edge May to May - My Journey to Self-love with God Reabetswe Moabi,2024-08-16 One of society's main problems today is a lack of self love this is evident in the way most people live their lives sadly I was also part of the statistic The fact that I was not living life to the full bothered me in many ways I was not running my own race I constantly compared myself to others I had not accepted myself for who I was and I had not taken full responsibility for my life I was merely alive and confused Although everything on the outside looked good I felt miserable I learned the hard way that what goes on inside us is more important than what people can see A lack of self love impacted most areas of my life negatively I knew something needed to change Once I had surrendered my life to God He helped me see my own value I started May to May My Journey to Self love with God to move my life in the right direction After discovering the 20 components that lead to self love my life has never been the same I could finally accept myself just as I was I am proud to say there is no other race I would rather run than my own I needed to love myself first so I could truly live

The Angelic Conflict Pastor Robert R. McLaughlin,2012-05-03 Robert R McLaughlin is the pastor of Grace Bible Church in Somerset Massachusetts and the President of Robert McLaughlin Bible Ministries Both ministries are non denominational grace ministries dedicated to teaching the Word of God from the original languages and making it available at no charge throughout the world For over 30 years Pastor McLaughlin has taught from the original languages of scripture The Ministry is dedicated to equipping the believers in the Lord Jesus Christ to live the life that the Lord has designed for them This is a life of contentment and strength as we go through the inevitable problems and challenges that life brings Like it or not believe it or not we are all a part of an Angelic Conflict One can hardly live in today's society and not come across the concept of good versus evil Books movies video games news it is found everywhere It is actually a measure of Satan's genius that he uses all of these things to disguise obscure and pervert the truth This book explains why most people including many Christians are unable to associate the events of their lives with the big picture the Angelic Conflict itself The Bible teaches that before the creation of man a conflict arose between God and His angels when Satan attempted to ascend to the Mount of Heaven and wrestle God's ruler ship away from Him The resulting battle left the surface of the earth in ruins at this point the earth was packed in ice Presumably it was at this time that the trial occurred in which Satan and the angels that followed him were found guilty and sentenced to the Lake of Fire Since Satan is obviously not yet in the Lake of Fire the logical conclusion is that he appealed his sentence We can speculate a number of grounds on which he is making this appeal One is an accusation against God's character that we hear often enough in life How can a loving God cast His creatures into hell To answer this appeal God created man a lower being and set him in the great stadium of earth for all the angels to observe God would take on the form of this lower being Himself He would allow sinful man to abuse and mock Him and finally to nail Him to a Roman Cross in an attempt to destroy Him Our Lord Jesus Christ would then bear the penalty for the sins of all mankind By doing so He neutralized the claims His justice had against us so that we could live with Him

and fellowship with Him forever This book unlocks the secrets of the Angelic Conflict
