Loyal Opposition Struggling With The Church On Homosexuality:

The Loyal Opposition Tex Sample, Amy E. DeLong, 2000 No issue more polarizes American Protestants today than the church's stance on homosexuality. In recent years a number of denominations have engaged in prolonged and divisive debates on the subject and it appears that these debates will continue to occupy their attention. The contributors to this volume call for the formation of a loyal opposition that is serious in its commitment to the difficult process of reconciliation and forgiveness. Faithfulness to the gospel they remind readers requires nothing less than that Christians will be committed to the full inclusion of all persons in the body of Christ, not least of all those who disagree theologically and ethically. The book offers readers a multifaceted argument that the gospel requires a commitment to the full inclusion of all persons in the body of Christ. It focuses on how members of mainline denominations can respond to official denominational positions with which they disagree. Readers are offered an alternative response besides staying in the denomination and remaining silent or leaving the denomination because one disagrees with its official position on this issue. Contributors include J. Philip Wogaman, Roy Sano, Stanley Hauerwas, Jeanne Audrey Powers, Victor Paul Furnish, Dale Dunlap, Gil Caldwell, and Joretta Marshall. Foreword by Leontine Kelly.

We Shall Not Be Moved Jane Ellen Nickell, 2014-10-15 As Protestant denominations are fracturing over whether to ordain gays and lesbians, this work looks at The United Methodist Church's conversations about the issue in light of Methodism's historic contests over the leadership of African Americans and women to see what can be learned from these earlier periods of change. Using the uniform context of the Methodist General Conference where denominational policy is set, the book analyzes transcripts of floor debates in key years of these struggles, letting those who argued for and against the changes speak for themselves. Those arguments are read through the lens of French sociologist Pierre Bourdieu whose theory offers a sophisticated model that goes deeper than simple resistance to change in articulating a dialectic between social structures and agents that predisposes both to reproduce existing power relationships. This interdisciplinary historical study seeks to move beyond conscious motivations for the exclusion of these three groups and uncover deeply embedded misrecognized social dynamics. In exploring these groups' stories, this book examines who holds power in Methodist churches, how changes in authority structures occur, and why it is such a long and painful process.

Defending Same-Sex Marriage Martin Dupuis, William A. Thompson, Traci C. West, 2006-12-30 Today we find ourselves at a crossroads of two powerful unrelenting currents that are completely at odds with one another The movement for legal recognition of same sex unions has gone beyond the separate but equal status of civil unions to demand equality in marriage for all couples Progress is being made on many fronts mayoral action clergy officiating at same sex marriage and union ceremonies state legislative responses and street protests to name a few Meanwhile opposition to same sex marriage has also been gathering strength The struggle is sure to continue unabated for some time to come pitting those who believe in the traditional definition of marriage as a union between a man and a woman and who seek to codify this belief in the U S Constitution against those who find the basis for marriage between two loving committed individuals not only in the history of our civil rights legislation and court decisions but also in scripture and sacred religious traditions Those who believe in extending to same sex couples the 1 049 rights conferred by marriage as well as the supportive embrace of religious communities seek to strengthen the institution of marriage by making it inclusive and by passing laws and broadening doctrines to uphold marriage rights for all couples This three volume set clarifies the legal political religious cultural and social ramifications of same sex marriage for gay and lesbian couples and their families and friends and for the general public interested in the future of civil rights in the United States

Stephen Long, 2008-01-01 Stephen Long opens his erudite discussion of theology and ethics with the insistence that moral critique must emerge from a particular location rather than from the fluid values of any neutral observer Long sets out to put theology and ethics as well as the church in proper relation to one another Ethics must be based in theology not the other way around Our finite participation in the infinite make possible participation in a goodness beyond us That goodness comes to us in the flesh of Jesus Christ and the church is indispensable in drawing all people toward God's goodness The church a social ethic in itself gives purpose and order to other social institutions including family government and the market The goodness of God such a simple phrase such a profound and maybe even disruptive concept if we dare explore its implications Not only does Steve Long lead us skilfully and smoothly through potentially difficult matters of theology and philosophy he also brings home how our lives might be different if we really took the goodness of God to heart From matters of violence and economics to sexuality and family Long takes his readers through a thicket of competing ideas and leads them out the other side into greater clarity of vision unity of purpose and passion for God's good kingdom Seminaries and Sunday schools alike will benefit from this scholarly but accessible volume Michael Budde DePaul University D Stephen Long is assistant professor of theology at Garrett Evangelical Theological Seminary and codirector of the Center for Ethics and Values He is the author of *Divine Economy* a volume in Routledge's Radical Orthodoxy series

Reckoning Methodism Darryl W. Stephens, 2024-03-29 *Reckoning Methodism* addresses the brokenness of The United Methodist Church UMC in the United States Homosexuality is but one of several fault lines with decades long histories in this predominantly White denomination Demographic shifts racism and imperialism are heavily implicated in the current state of division What then is the true nature and mission of this church The UMC is the public church divided Distinct missional theologies arise from competing commitments and priorities When Methodist programmatic initiatives such as vital congregations environmental witness and volunteers in mission fail to account for these differences denominational unity is weakened Constructively this book seeks historical clarity collective repentance charismatic learning and institutional courage as United Methodists reckon with inherited animosities and divisions This book provides no answers or programmatic fixes Rather it provides possibilities for repairing past harms as United Methodists seek ways to continue living out their Wesleyan faith *Reckoning with the public church divided* we glimpse the nature and mission of the church not

only as it has been but also as it could be **Christian Identity Characteristics in Paul'S Letter to the Members of the Jesus Movement in Galatians** Jennifer Slater O.P.,2012-08-30 The author explores the Christian identity characteristics of Pauls letter to the Galatians By so doing she presents Pauls struggle to work out a form of Christianity which includes Jews and Gentiles males and females free and slave on the basis of their common baptism in Christ While the Roman Empire struggled to include many different ethnic groups Paul in Galatians makes a bold breakthrough to a new inclusivity in Christ and his Holy Spirit This solution holds major social implications it can help overcome divisions of race culture nationality or ethnicity The author endeavours to affirm certain equality among people while also realizing that this equality is not absolute in every respect The results of the study of Galatians confronts the situation in the new Republic of South Africa where despite the ultra liberal constitution the country still needs the inclusive and ethical message of Galatians to address the new problems of blackon black racism xenophobia homophobia violence against women great corruption in government and irresponsible exercise of authority and freedom Galatians remains crucial for its insistence on social inclusivity and liberating yet real ethics The author is convinced that the eternal truths of Christianity as displayed in the Jesus Movement of antiquity are still relevant in addressing contemporary life issues that aggrieve people in post Apartheid South Africa **Historical Dictionary of Methodism** Jennifer Woodruff Tait,Christopher J.
