Comic dramas. 1825 Maria Edgeworth, 1825 Lucy Audubon Carolyn E. DeLatte, 2008-09-01 Wife of the great naturalist John James Audubon Lucy Bakewell Audubon 1788-1874 was a powerful and extraordinary woman who coped resourcefully with the demands of a difficult situation and worked tirelessly to aid her husband in his landmark work In *Lucy*

Audubon A Biography Carolyn E DeLatte focuses on the early life of Lucy Audubon her birth in England and youth in eastern Pennsylvania her courtship and marriage to the eccentric young Audubon their wanderings along the western fringe of the country the birth of their children and the preparation and publication of The Birds of America Throughout DeLatte emphasizes Lucy Audubon s own experiences concerns and point of view She tells of Lucy s often stormy relationship with her brilliant but unreliable husband her place at the head of their small family and her crucial role in the creation and publication of her husband s magnum opus Intelligent adaptable and strong willed Lucy was DeLatte shows the partner Audubon needed for his life and for his work As noted Audubon expert Christoph Irmscher says in his foreword When DeLatte slips into her character s skin she does so unobtrusively and to great effect thus we are right there with Lucy

Lucy Webb Hayes Russell L. Mahan,2005 Rutherford B Hayes and Lucy Webb Hayes lived their lives as though they knew Rutherford would become President of the United States one day They not only led exemplary lives from beginning to end but saved an incredible amount of information for the future historian Lucy saved almost all of her letters since girlhood Rutherford did likewise plus kept a regular diary from his youth to his death It is the opinion of this author that it is more interesting to hear the story of Lucy Hayes through the words of Lucy and those who knew her when their statements are clear and succinct than to have the events filtered through a historian s paraphrase and summary Accordingly there is a fair amount of quotation from Lucy herself from Rutherford and from others in the course of this book It is hoped that these quotations have been woven into the biography in such a manner as to give the reader a closer view of its subject than can be had by pure narrative It is necessary to write about Rutherford to know what Lucy was doing This is true for two reasons First he left an excellent diary which records many events for which no writing from Lucy or others is available Second even without the diary it is impossible to understand the life of a First Lady without also knowing something of the life and career of the man who took her to the White House Still this biography is about Lucy Hayes not Rutherford **FDR and Lucy** Resa Willis,2012-12-06 First Published in 2006 Routledge is an imprint of Taylor Francis an informa company
