[The Place of Poetics within Documentary Filmmaking](#) Keith Marley, 2023-07-21 This collection aims to give insight to the reader as to how poetic approaches to documentary filmmaking have helped to develop the documentary form into a rich and diverse way

of representing the real world in film. As such, it is the aesthetics of documentary filmmaking that becomes the primary focus of discussion within this collection. The majority of the chapters are written by documentary filmmakers who give insight into how poetics have influenced their own approach to documentary filmmaking, while other chapters are written by film scholars who analyse the work of others in order to uncover how poetics are manifested in existing documentary films. This book will be of interest to those who produce documentary films as well as those who have an interest in the work of other documentary filmmakers.
