Narratives Of Remembrance:

Narratives of Remembrance Marianne Børch, 2001 A collection of essays that reassess a number of currently dominant narratives of the past Contents D H Lawrence and the First World War the writing of Zennor in darkness Helen Dunmore Private memories public recollection narratives of the Second World War Eve Patten Remembering the Great War Nils Arne Sorensen Imagining Scotland a heritage industry examined David McCrone Facts and greasy piglets an essay on historiography and fiction Lars Ole Sauerberg The historical turn is coming and it s about time too Jens Rahbek Rasmussen Capturing the present that is flitting away from us Marianne Borch Museums, Narratives, and Critical Histories Kerstin Barndt, Stephan Jaeger, 2024-03-04 In response to systemic racism and institutions implications in histories of colonialism nationalism and exclusion museum curators have embraced new ways of storytelling to face entangled memories and histories Critical museum practices have consciously sought to unsettle established forms of representation break with linear narratives of progress and experiment with new modes of multivocal multimedia and subjective storytelling The volume features analyses of narratives and narration in museums and heritage institutions today as well as visions for future museum practices on a local regional national transnational and global scale It is divided into three sections Narrative Theory and Temporality Ruptures and Repair and Difficult Memories and Histories Essays from a variety of disciplines in the humanities and social sciences examine museum practices in history memorial anthropological and art museums across six continents They develop narratological categories reflect on immersive and virtual narratives challenge colonial violence and hegemonic forms of representation query the performance of heritage parse exhibition design and unearth techniques to express narratives of social justice War and Remembrance in the Twentieth Century Jay Winter, Jay Murray Winter, Emmanuel Sivan, 2000-08-27 How war has been remembered collectively is the central question in this volume War in the twentieth century is a vivid and traumatic phenomenon which left behind it survivors who engage time and time again in acts of remembrance This volume containing essays by outstanding scholars of twentieth century history focuses on the issues raised by the shadow of war in this century The behaviour not of whole societies or of ruling groups alone but of the individuals who do the work of remembrance is discussed by examining the traumatic collective memory resulting from the horrors of the First World War the Spanish Civil War the Second World War and the Algerian War By studying public forms of remembrance such as museums and exhibitions literature and film the editors have succeeded in bringing together a volume which demonstrates that a popular kind of collective memory is still very much alive **Collective Memory**

Narratives in Contemporary Culture Antonella Pocecco, Estrella Gualda, Emiliania Mangone, 2023-11-27 Starting from the central importance of memory in contemporary societies this book encourages a transdisciplinary reflection on how the presentification of the past is never a simple reenactment but corresponds to the interaction between memory and cultural sensitiveness present beliefs and needs expectations and forecasts for the future It studies cultural re construction through

collective stories including academic debates media narratives collective mobilizations state narratives of history architectural reconstructions and artistic expressions It looks at how technological innovations have profoundly changed the practices of conservation and dissemination of collective memory with particular reference to cultural digitization Finally it shows that the relevance and selection of events the organization of connections and cross references between past present and future as well as the importance of diversified collective imaginaries are the keys to narrative constructions of memory that prove to be sensitive and decisive for its continuity and its intergenerational transmission This interdisciplinary collection is for students and scholars of the social sciences cultural studies and the humanities interested in memory studies

Interpreting Contentious Memory Thomas DeGroma, Janet Jacobs, 2024-12-10 This book illustrates how scholars use different interpretive lenses to study profound conflicts rooted in the past Addressing issues of racism genocide war nationalism colonialism and more it highlights how our interpretations of contentious memories are indispensable to our understandings of contemporary conflicts and identities

[The Politics of Memory in Post-Authoritarian Transitions, Volume Two](#) Joanna Marszałek-Kawa, Anna Ratke-Majewska, Patryk Wawrzyński, 2017-01-06 History is a powerful tool in the hands of politicians and can be a destructive weapon as power over the past is the power to decide who is a hero and who is a traitor Tradition the remembrance of ancestors experiences of previous generations are keys that unlock the doors to citizens minds and allow certain ideas visions and political programs to flourish However can history be a proper political weapon during democratization processes when the past is decisively divided from the present Are the new order and society founded on the basis of some interpretation of the past or rather are they founded only with reference to the imagined future of the nation This book explores such questions through a detailed description of the use of remembrance policies during political transformations It discusses how interpretations of the past served the realization of transitional objectives in countries as varied as Chile Estonia Georgia Poland South Africa and Spain The book is a unique journey through different parts of the world different cultures and different political systems investigating how history was remembered and forgotten by certain democratic leaders Individual chapters discuss how governments remembrance policies were used to create a new citizen to change a political culture and to justify a vision of society promoted by new elites They explain why some sore topics were avoided by politicians and why sometimes there was no transitional justice or punishment of leaders of the authoritarian state The book will be of interest to anyone wishing to explore policies of remembrance democratization and the role of memory in contemporary societies

Memory and Genocide Fazil Moradi, Ralph Buchenhorst, Maria Six-Hohenbalken, 2017-04-07 This book focuses on the ethical aesthetic and scholarly dimensions of how genocide related works of art documentary films poetry and performance museums and monuments music dance image law memory narratives spiritual bonds and ruins are translated and take place as translations of acts of genocide It shows how genocide related modes of representation are acts of translation which displace and produce memory and acts of remembrance of

genocidal violence as inheritance of the past in a future present Thus the possibility of representation is examined in light of what remains in the aftermath where the past and the future are inseparable companions and we find the idea of the untranslatability in acts of genocide By opening up both the past and lived experiences of genocidal violence as and through multiple acts of translation this volume marks a heterogeneous turn towards the future and one which will be of interest to all scholars and students of memory and genocide studies transitional justice sociology psychology and social anthropology

Civil War and Narrative Karine Deslandes, Fabrice Mourlon, Bruno Tribout, 2017-10-24 This book explores the representation of intra state conflicts It offers a distinctive approach by looking at narrative forms and strategies associated with civil war testimony historiography and memory The volume seeks to reflect current research in civil war in a number of disciplines and covers a range of geographical areas from the advent of modern forms of testimonies history writing and public remembering in the early modern period to the present day In focusing on narrative broadly defined the contributors not only explore civil war testimonies historiography and memory as separate fields of inquiry but also highlight the interplay between these areas which are shown to share porous boundaries Chapters look at the ways in which various narrative forms feed off each other be they oral written or visual narratives personal or collective accounts or testimonies from victims or perpetrators

The Routledge Handbook of Memory Activism Yifat Gutman, Jenny Wüstenberg, 2023-02-15 This Handbook is the first systematic effort to map the fast growing phenomenon of memory activism and to delineate a new field of research that lies at the intersection of memory and social movement studies From Charlottesville to Cape Town from Santiago to Sydney we have recently witnessed protesters demanding that symbols of racist or colonial pasts be dismantled and that we talk about histories that have long been silenced But such events are only the most visible instances of grassroots efforts to influence the meaning of the past in the present Made up of more than 80 chapters that encapsulate the rich diversity of scholarship and practice of memory activism by assembling different disciplinary traditions methodological approaches and empirical evidence from across the globe this Handbook establishes important questions and their theoretical implications arising from the social political and economic reality of memory activism Memory activism is multifaceted takes place in a variety of settings and has diverse outcomes but it is always crucial to understanding the constitution and transformation of our societies past and present This volume will serve as a guide and establish new analytic frameworks for scholars students policymakers journalists and activists alike

The Memory of the Second World War in Soviet and Post-Soviet Russia David L. Hoffmann, 2021-08-26 This volume showcases important new research on World War II memory both in the Soviet Union and in Russia today Through an examination of war remembrance in its various forms official histories school textbooks museums monuments literature films and Victory Day parades chapters illustrate how the heroic narrative of the war was established in Soviet times and how it continues to shape war memorialization under Putin This war narrative resonates with the Russian population due to decades of Soviet commemoration which continued

virtually uninterrupted into the post Soviet period Major themes of the volume include the use of World War II memory for political legitimation and patriotic mobilization the striking continuities between Soviet and post Soviet commemorative practices the place of Holocaust memorialization in contemporary Russia Putin s invocation of the war to bolster national pride and international prestige and the relationship between individual memory and collective remembrance Authored by an international group of distinguished specialists this collection is ideal for scholars of Russia across a range of disciplines including history political science sociology and cultural studies
