the Lectionary will help those who break open the Word to avoid misinterpreting Scripture by providing readers with the background information needed to recognize when the application of a particular passage to a person's life is faithful to the Bible and when it is not. While the book is for Cycle B, the readings for the Third, Fourth, and Fifth Sundays of Lent in Cycle A are also included for RCIA groups. Three sets of discussion questions for Breaking Open the Word groups, other faith sharing groups, and Bible study groups round off each Sunday.

BOOK JACKET A Bible Study Program Using the Sunday Lectionary Robert R. Beck, 2014-09-19 Bible study groups sometimes find themselves stalled in a process of sharing personal impressions while looking for more depth. Others read commentaries but long to engage the biblical text itself. Where does one begin? A Bible Study Program Using the Sunday Lectionary offers a toolkit of approaches for reading the biblical text that a variety of reading groups have already found helpful. Unlike some study methods that emphasize the individual reader, this program keeps the community of worshippers in mind, including the historical faith community that produced the writings and the community of worshippers now reading it. The Catholic Study Bible serves as a reference for the historical community, while the schedule of Sunday Scripture readings evokes the present-day community of readers with the bonus of enhancing readers' Sunday worship experience.
