The Year-book of Photography and Photographic News Almanac for ... Henry Baden Pritchard, 1883 *Year-book of Photography and Photographic News Almanac*, 1885 *The Photographic News: A Weekly Record of the Progress of Photography*. Ed. by William Crookes, and by G. Wharton Simpson William Crookes, 1859 **The New Photo-Miniature**, 1901 **Bulletin of Photography** John Bartlett, Frank V. Chambers, Francis Stapleton Chambers, 1914 **Popular Photography - ND**, 1949-09 **Camera**, 1928 **The Concise Focal Encyclopedia of Photography** Michael Peres, 2014-06-20 Defining photography is impossible Revealing it is another matter and that's what *The Concise Focal Encyclopedia of Photography* does with each turn of the page History The technical origins and evolution of photography are half of the story The other half consists of the ways that cultural forces have transformed photography into a constellation of practices more diverse than any other mode of representation Photographers can tell a more in depth story through a photo like Dorothea Lange's *Migrant Mother* than a journalist ever could with the written word alone Major themes and practitioners Over 25 entries many with supporting illustrations examine the figures trends and ideas that have contributed most heavily to the history and current state of photography Contemporary issues The issues influencing photography today are more complex than at any other time in its history Questions of ethics desire perception digitization and commercialization all vie for attention Hear what the experts have to say about crucial issues such as whether or not the images we take today will last the test of time and if so how When material is covered this skillfully concise is no compromise *The Concise Focal Encyclopedia of Photography* is packed with useful information compelling ideas and best of all pure pleasure *Literature and Photography in Transition, 1850-1915* O. Clayton, 2014-11-21 *Literature and Photography in Transition 1850 1915* examines how British and American writers used early photography and film as illustrations and metaphors It concentrates on five figures in particular Henry Mayhew Robert Louis Stevenson Amy Levy William Dean Howells and Jack London **The New Photography Manual** Steve Bavister, Lee Frost, Rod Lawton, Andrew Fleetwood, Patrick Hook, 2007-11-22 In the tradition of the *Artist's Manual* series comes the definitive illustrated guide to all things photography related A veritable bible for beginners as well as an invaluable reference for accomplished photographers this volume covers the ins and outs of photography equipment and techniques Comprehensive and easily referenced *The New Photography Manual* clearly explains all the essential tools and tricks of the trade from choosing cameras and lenses through composition and lighting to developing and printing With tips from professional working photographers and hundreds of color and black and white images this guide offers everything photographers need **Global Photography** Erina Duganne, Heather Diack, Terri Weissman, 2020-06-08 This innovative text recounts the history of photography through a series of thematically structured chapters Designed and written for students studying photography and its history each chapter approaches its subject by introducing a range of international contemporary photographers and then contextualizing

their work in historical terms The book offers students an accessible route to gain an understanding of the key genres theories and debates that are fundamental to the study of this rich and complex medium Individual chapters cover major topics including Description and Abstraction Truth and Fiction The Body Landscape War Politics of Representation Form Appropriation Museums The Archive The Cinematic Fashion Photography Boxed focus studies throughout the text offer short interviews curatorial statements and reflections by photographers critics and leading scholars that link photography's history with its practice Short chapter summaries research questions and further reading lists help to reinforce learning and promote discussion Whether coming to the subject from an applied photography or art history background students will benefit from this book's engaging example led approach to the subject gaining a sophisticated understanding of international photography in historical terms Resource Bulletin NC, 1981 *The Focal Encyclopedia of Photography* Michael R. Peres, 2013-05-29 This volume is a complete revision of the 1996 third edition shares the ever changing breadth of photographic topics with a special emphasis on digital imaging and contemporary issues Produced by an international team of photographic and imaging experts with collaboration from the George Eastman House the world's oldest photography museum this fourth edition contains essays and photographic reproductions sharing information where photography and imaging serve a primary role ranging from the atomic to the cosmic **Photo-era Magazine** Juan C. Abel, Thomas Harrison Cummings, Wilfred A. French, A. H. Beardsley, 1913 *Chinese News Discourse* Nancy Xiuzhi Liu, Candace Veacock, Shixin Ivy Zhang, 2021-06-16 As a country in transition Chinese news discourse has quite distinctive characteristics and more so given the power of state media in society With China's engagement in world affairs and its massive Belt and Road Initiative BRI now in place Western media coverage of China has dramatically increased Against this backdrop news dissemination and discourse demonstrate a need for academia to give perspectives with interdisciplinary approaches Chinese News Discourse presents original research from academics in China and the West showing theoretical methodological and practical dimensions between news media and discourse The book focuses on Chinese news discourse by examining what new modern features it demonstrates in contrast and comparison to news discourses in other countries in the coverage of such hot topics as the BRI or the 70th Anniversary of the Founding of the People's Republic of China just to name a few This book is a useful resource for scholars and students of discourse language media and communication studies as well as translation studies
