New Trends In Moral Theology:

New Trends in Moral Theology George M. Regan, 1971-01 *New Trends in Moral Theology* George M. Regan, 1971-01 **Formed in the Image of Christ** Kathleen A. Cahalan, 2004 A sacramental Christology and anthropology form the basis for Fr Bernard Haring's moral theology Christ as Word of God and High Priest embodies the perfect expression of worship and obedience The Christian life is an imitation of Christ's response to God we are called to make all responses religion and morality a religious response an act of adoring worship and praise **The Development of Moral Theology** Charles E. Curran, 2013-11-08 Charles Curran in his newest book *The Development of Moral Theology* Five Strands brings a unique historical and critical analysis to the five strands that differentiate Catholic moral theology from other approaches to Christian ethics sin and the manuals of moral theology the teaching of Thomas Aquinas and later Thomists natural law the role of authoritative church teaching in moral areas and Vatican II Significant changes have occurred over the course of these historical developments In addition pluralism and diversity exist even today as illustrated for example in the theory of natural law proposed by Cardinal Ratzinger In light of these realities Curran proposes his understanding of how the strands should influence moral theology today A concluding chapter highlights the need for a truly theological approach and calls for a significant change in the way that the papal teaching office functions today and its understanding of natural law In a work useful to anyone who studies Catholic moral theology *The Development of Moral Theology* underscores in the light of the historical development of these strands the importance of a truly theological and critical approach to moral theology that has significant ramifications for the life of the Catholic church *In Pursuit of Love* Vincent J. Genovesi, 1996 While retaining the basic structure of the original book this new edition has been thoroughly updated in light of some official Catholic documents and other theological writings dealing with sexual morality that have appeared since 1986 The Catechism of the Catholic Church Pope John Paul II's encyclicals *Veritatis splendor* and *Evangelium vitae* and the 1986 and 1992 statements of the Congregation for the Doctrine of the Faith on pastoral care of homosexuals and the issue of discrimination against them are among the more recent magisterial publications considered in this text This edition also contains several new sections the misuses of sex adultery pornography prostitution sexual violence four rationales for viewing a committed love relationship as the only appropriate context for sexual intercourse marriage as a sacrament and marital sexuality and love as embodiments of commitment intimacy and passion and public policy and the civil rights of homosexuals This edition also includes an expanded discussion of topics such as sexism sexually transmitted diseases especially HIV AIDS and the moral questions raised by new family planning methods Norplant Depo Provera RU 486 postcoital hormonal interventions against pregnancy the start of human life and abortion Vincent J Genovesi SJ received his PhD in Christian ethics from Emory University He is a professor at St Joseph's University in Philadelphia His articles have appeared in such journals as *The Thomist* *The Way* *America* and *Review for Religious* **The Everything Guide to**
