

The background of the image is a peaceful sunset scene. The sun is low on the horizon, creating a bright, golden glow that reflects on the calm surface of a lake or river. The sky is a mix of soft oranges, yellows, and blues. In the foreground, an open Bible lies flat on a dark, textured surface, possibly a wooden table. The pages of the Bible are visible, showing text in two columns. The overall mood is contemplative and spiritual.

Guide to Effective Fasting and Praying Pius Joseph,2019-05-11 Fasting and praying is one of the greatest ways to unleash the power of God in every situation of life The Bible says Jesus returned in the power of the spirit after fasting And if we can follow the same principles we will get the same result that Jesus got Several situations of life may stare at you on the face You may have prayed about them and nothing seemed to have changed At this point you need to add something to your prayers Prayer and fasting may be necessary to turn that battle into a testimony I know that there are several fasting and praying books out there to help the believer make judicious use of his moment of fasting and prayers But the question is not whether there are fasting and prayer guide or whether the believer actually fasted and prayed Are you fasting and praying the right way If you haven t 21 days or 30 days of praying and fasting will be unproductive It was this reason that compelled me to write this book in order to guide the believer to fast effectively No longer will it be that you fasted and the situation remained After fasting and praying a change must occur in your life Through this book you will learn How to fast and pray effectively How to make the period of your fasting productive What to do when you are praying and fasting What you are not supposed to do when you are praying and fasting Prayers you must pray before you start fasting and praying Prayers you should pray during your fasting Prayers you should pray after your fasting Get this book now fast pray and see results
