in 2020 Wilson combines decades of national political experience and insight in his take no prisoners analysis hammering Trump's destructive and dangerous first term in a case by case takedown of the worst president in history and describing the terrifying prospect of four more years of Trump Like no one else can Wilson blows the lid off Trump's 2020 Republican war machine showing the exact strategies and tactics they'll use against the Democratic nominee and how the Democrats can avoid the catastrophe waiting for them if they fall into Trump's trap Running Against the Devil is sharply funny brutally honest and infused with his biting commentary It's a vital indictment of Trump a no nonsense no holds barred road map to saving America and the guide to making Donald Trump a one term president The stakes are too high to do anything less
