Off Pace:

The Born Again Runner Pete Magill, 2016-10-09 Pete Magill's *The Born Again Runner* is a one of a kind guide for everyone who wants to run but feels they can't. As a drug-addled young man, Pete Magill once found himself in the ER with his body telling him to give up. Taking up running seemed impossible, but he willed himself to do it anyway. Magill went on to become one of the fastest masters runners ever, a multi USA Masters Cross Country Runner of the Year and a sought-after coach. Over a glowing albeit hard-won career, he has heard every excuse people use to stop running or never start from aching knees and sore ankles to advanced age and arthritis to too many cigarettes or years on the couch. In every case, Magill's best advice is to do what he did: Run anyway at a pace and mileage that work. Through inspiration, science, and anecdote, Magill gets runners out the door through personal action plans, he sets them on the right path, and through the best exercises to protect and rehabilitate the body, he keeps them going, showing a way forward for new and sidelined runners who haven't before realized how close they are to fun and pain-free running. Whether you're just starting out as a runner or starting afresh, you can do no better than heed the guidance of running's ultimate comeback kid, Pete Magill, as presented in *The Born Again Runner*. Matt Fitzgerald award-winning co-author of *Pain Performance*. Myths are busted and excuses are denied. It will be pretty difficult to deny Magill, so just get out there, start, and stay with your running regime. Portland Book Review **The Up-Down** Barry Gifford, 2015-01-13 A novel of violence of love and introspection. *The Up-Down* follows a man who leaves home and all that's familiar, finds true love, loses it, and finds it again. Pace's voyage is outward among strangers and inward into the fifth direction that is the up-down in a sweeping voracious human tale that takes no prisoners, witnesses extreme brutalities, and expresses a childlike amazement. Here the route goes from New Orleans to Chicago to Wyoming to Bay St. Clement, North Carolina, but the geography he is charting is always first and foremost unchartable. *Marathon* Jeff Galloway, 2025-10-07 Get the everyperson's guide to running from America's coach, Jeff Galloway, and experience the unforgettable lifetime accomplishment of running a marathon. If you haven't already begun training for a marathon, you've probably thought about doing so. Former Olympic athlete and record-setting distance runner, Jeff Galloway is here to say, "You can do it." Jeff has been coaching runners for more than 50 years. He is the official training consultant for the runDisney series of races. With the new edition of *Marathon*, he'll guide you every step of the way. Jeff has updated his unique programs that show runners how to train for and finish a marathon. Jeff's revolutionary run-walk-run method of training has enabled hundreds of thousands of people to complete marathons, and you can be among them. This innovative method opens marathon running to everyone, including those who may be out of shape, overweight, or past their athletic prime. Discover how to set up a personal training program, stay motivated, avoid injuries, burn fat, and more. You won't have to compromise your career or family life to be successful. This new edition includes updated training schedules with recovery components, and most training weeks require only 3 x 30 minutes of running or walking. You'll also appreciate the latest information on nutrition, mental

training eliminating injuries and exhaustion and step by step instructions that give you control of your training regime Jeff's motivation techniques have kept countless marathoners on the road to their goals This book shows you how to keep the fun in your run and how to stay away from aches and pains With such guidance it's possible for almost anyone to achieve the lifetime goal of finishing a marathon while enhancing health stamina and life quality Benefit from coverage of topics like these Training and inspiration Food and fat burning Dealing with injuries and getting older The Complete Idiot's Guide to Walking For Health Erika Peters,2000-03-01 You're no idiot of course You've been meaning to get on track to a happier healthier life and you've heard that walking burns the same amount of calories as jogging But your path while paved with good intentions is also filled with roadblocks like having too little energy or too many unwholesome distractions Lace up your sneakers The Complete Idiot's Guide to Walking for Health will help you develop a walking program and be with you every step of the way In this Complete Idiot's Guide you get Simple steps to figure out your waist to hip ratio and fitness level Easy ways to stay motivated and energetic Time saving tips on incorporating walking workouts into your busy life Expert advice on how walking helps you age gracefully **How to Run a Personal Record** Dave Kuehls,2009-01-06 Training tips for record breaking distance running from the author of 4 Months to a 4 Hour Marathon The only running book targeted specifically to help runners set a personal record this indispensable guide offers specific training programs for each of the four most popular race distances 5K 10K half marathon and marathon It also includes a common sense discussion of the training process a time tested three pronged approach information on everything runners need to know from day one to crossing the finish line plus race day strategies to squeeze out precious minutes and seconds from that finish line clock How to Run a Personal Record features a 32 page training log where the reader can log their progress through the 16 week training phase
