In *Marty Robbins Fast Cars and Country Music* author Barbara J Pruett provides an exhaustive overview of Robbins life and career. Nearly half of the book is a chronological listing starting in 1948 of more than 2 000 magazine and newspaper articles and other sources of information about Robbins. Another section provides a basic discography of his hundreds of recordings including both albums and singles released in his lifetime and after. The book also features a list of all of the songs he copyrighted, stories about his stock car racing activities, several previously unpublished photographs and interviews with those who knew and worked with him, and even an extensive interview with Robbins himself.
