Sara Sheldon, 2007-11-30 On a dark night in February 2005 Sara Sheldon arrived at Camp Fallujah outside the dangerous ancient city for which it was named Armed only with a camera a laptop and notepads she was a spectator to the war who secured permission to embed with the 1st MEF and observe and interview Marines who happened to be women then posted at Camp Fallujah In the time she spent there Sheldon interviewed women who held ranks from corporal to colonel to gain a broad and varied perspective of the experiences representative of female Marines throughout Iraq She reveals much about her subjects the preconceived notions they possessed when they enlisted in the Corps how the experience of serving in Iraq changed them and what they ultimately took home from the battlefield Americans are aware that women are actively serving in the armed forces but few understand what exactly is expected of women in the military the duties they perform and the limitations and restrictions placed on them especially in a combat zone Sheldon reveals much about her subjects In some ways they mirrored their male counterparts Some enlisted only for four years to receive educational benefits or for an opportunity to escape their home environment Others made the Corps their career serving as commissioned officers Still others were recalled to active duty to serve with their representative Guard units Sheldon uncovers their stories the preconceived notions they possessed when they enlisted in the Corps how the experience of serving in Iraq has changed them and what they ultimately took home from the battlefield She also sheds light on the day to day grind all American service personnel face in Iraq Yet she never loses her main focus Far removed from the Green Zone Sheldon and her subjects spent their days in harm's way but she avoids a running commentary on policy Instead she remains committed to examining how women tasked with field duties and various missions at the lower levels of command are impacted by their experiences **Mumia Abu Jamal** John Hayden, 2006 From the knowledgeable perspective of 25 years as a criminal lawyer mostly appeals like murder rape robbery etc a former co editor of Gilbert's Criminal Law Procedure and a free lance writer for over a decade the author writes incisively about the remorseless cop killer described by America's newspaper of record as Perhaps the best known Death Row prisoner in the world Page 1 New York Times Dec 19 2001 the day after a federal court nullified a racially mixed jury's July 3 1982 unanimous sentence of death Mumia Abu Jamal The Patron Saint of American Cop Killers exposes the Hollywood backed Free Mumia Free All Political Prisoners movement's claims of racism in jury selection police frame up and police intimidation of defense witnesses as a transparent fraud With the same precision and insight he devoted to a three part article in the East Hampton Independent and the Southampton Independent on the tragic carbon monoxide death of his friend tennis star and CBS TV commentator Vitas Gerulaitis Hayden takes the reader through the pre trial trial and absurdly lengthy post conviction

proceedings Now that the chances of the cop hating ex Black Panther ever being executed for killing a 25 year old cop are about the same as his chances of ever being found innocent Hayden predicts that the middle aged Death Row prisoner will like Dr Martin Luther King s cowardly assassin racist James Earl Ray die of old age in a 6 X 9 steel cage in a super max prison somewhere in rural America [Congressional Record](#) United States. Congress,2017-10 [My American Life](#) Congresswoman Lauren Boebert,2022-07-12 How Lauren Boebert the gun toting Congresswoman from Rifle Colorado joined the fight to make sure we never live in a socialist country Lauren Boebert is the Republican gun toting Congresswoman from Rifle Colorado who overcame difficult life circumstances to be a leading voice for personal freedom and our 2nd Amendment rights Raised on welfare in a Democrat household young Lauren learned from her first job at McDonald s that she could provide for herself better than the government ever could She gained national attention after wearing a Glock on her hip and telling Democrat presidential candidate Beto O Rourke Hell no you aren t taking our guns A self taught conservative and small business owner Lauren Boebert s My American Life describes in vivid detail why Lauren dropped out of high school the success of Shooters Grill where her restaurant staff open carries live firearms and how she came to be a United States Congresswoman making sure her four boys never grow up in a socialist country Lauren Boebert is a true believer in the opportunity of an America based on the beliefs in God family and country where a one hundred pound five foot nothing mom who had never been elected to public office suddenly had the opportunity in Congress to stand up for our core conservative beliefs and call Nancy Pelosi AOC and the rest of the crazy liberals out on all their bullcrap **The Roads to Congress** 2020 Sean D. Foreman,Marcia L. Godwin,Walter Clark Wilson,2021-11-20 This book analyzes changes to campaigning and voting in the United States in 2020 The global pandemic caused by COVID 19 upended traditional campaign strategies posed unprecedented challenges to candidates and possessed the potential to fundamentally alter how campaigns think about running for office At the same time the Trump administration s divisive handling of twin crises stemming from the pandemic and rising racial tensions loomed over congressional races as the most disruptive election cycle in living memory The ramifications of the 2020 congressional elections for the direction of public policy in America and perhaps for American democracy itself cannot be overstated The Roads to Congress 2020 examines key House and Senate campaigns candidates and controversies in the 2020 election to reveal what accounts for the outcomes and point the way to America s political future **Gunfight** Ryan Busse,2021-10-19 A former firearms executive pulls back the curtain on America s multibillion dollar gun industry exposing how it fostered extremism and racism radicalizing the nation and bringing cultural division to a boiling point As an avid hunter outdoorsman and conservationist all things that the firearms industry was built on Ryan Busse chased a childhood dream and built a successful career selling millions of firearms for one of America s most popular gun companies But blinded by the promise of massive profits the gun industry abandoned its self imposed decency in favor of hardline conservatism and McCarthyesque internal policing sowing irreparable division in our politics and society That drove

Busse to do something few other gun executives have done he s ending his 30 year career in the industry to show us how and why we got here Gunfight is an insider s call out of a wild secretive and critically important industry It shows us how America s gun industry shifted from prioritizing safety and ethics to one that is addicted to fear conspiracy intolerance and secrecy It recounts Busse s personal transformation and shows how authoritarianism spreads in the guise of freedom how voicing one s conscience becomes an act of treason in a culture that demands sameness and loyalty Gunfight offers a valuable perspective as the nation struggles to choose between armed violence or healing

Proud of What I Was — a Soldier Richard Dan Hill,2011-11-17 Anyone who ever served in the military can tell a similar story The circumstances change and the names are different but when you deal with young soldiers anything is probable Hill tells the reader about many of these young men and women in some very funny situations He also details what it is like to be the commander of a unit with 200 or more of these soldiers in peacetime and in war In telling the story of his long and varied career he offers some real leadership gems that carry over to industry As one observer quipped every Lieutenant should read this book before spending a day with troops he will either resign his commission or stay in the military until they kick him out The author refers to the family members of military members as the real heroes in the military You will gain a whole new appreciation of what it is like to be an Army spouse Hill and his wife Carla moved 16 times during his 24 year career Once children came along it meant new adventures along with new schools and new friends The term Army Brat is worn with pride but it is a title that is hard earned One knows that military families are nomads but the author explains how assignments happen and the consequences of decisions on careers and promotion He tells the reader about dealing with the ubiquitous assignment offi cer The citizen who has never been around the military will learn a great deal about the inner workings of the career Army Officer and those who support them You will laugh out loud at some of these tales and cry when you learn about the sacrifices these soldiers and the families make You will swell with pride when you hear how some of these men respond from unspeakable adversity Hill is unabashedly proud of all veterans and as the title states he is proud of his many years of serviceHe is Proud of What he wasA soldier
