Manchester Affair:

The Manchester Affair Elizabeth Elgin, 1998 When Anne Parker was convicted of shoplifting Rachel her adoptive mother knew she had no alternative but to make a promise that would change the whole course of her life The distressing incident said their doctor had been a cry for help and had sprung from Anne s need to meet her natural mother However seeking a woman who does not want to be found is not easy at the best of times so Rachel sought the help of Daniel Steel Inquiry Agent extraordinary How could she know that their lives would become so heartbreakingly entangled that she would uncover a secret that had lain hidden for so long

Our Jackie Karen M. Dunak, 2024-11-12 Tells the story of Jacqueline Kennedy Onassis through her evolving public persona from campaign wife to First Lady to fallen idol to treasured national icon When Jacqueline Kennedy Onassis became First Lady of the United States over sixty years ago she stepped into the public spotlight Although Jackie is perhaps best known for her two highly publicized marriages her legacy has endured beyond twentieth century pop culture and she remains an object of public fascination today Drawing on a range of sources from articles penned for the women s pages of local newspapers to esteemed national periodicals to fan magazines and film Our Jackie evaluates how media coverage of Jacqueline Kennedy Onassis changed over the course of her very public life Jackie s interactions with and framing by the American media reflect the changing attitudes toward American womanhood Over the course of four decades Jackie was alternatively praised for her service to others and pilloried for her perceived self interest In Our Jackie Karen M Dunak argues that whether she was portrayed as a campaign wife a loyal widow a selfish jetsetter or a mature career woman the history of Jackie s highly publicized life demonstrates the ways in which news entertainment politics and celebrity evolved and intertwined over the second half of the twentieth century Examining the intimate chronicles of this famous First Lady s life Our Jackie suggests that media coverage of this enigmatic public figure revealed as much about the prevailing views of women in America how they should behave and whom they should serve as it did about Jacqueline Kennedy Onassis as an individual

The Afterlife of John Fitzgerald Kennedy Michael J. Hogan, 2017-03-03 This book analyzes the social construction of John Fitzgerald Kennedy s memory in the arts literature and in the many monuments erected in his honor

The Manchester Affair John Corry, 1967 The true and dramatic behind the scenes story of William Manchester s battle of the book the attempted suppression of *Death of a President* by the N Y Times reporter who covered the story from the beginning Anyone familiar with Manchester s book on JFK knows it was authorized by the Kennedy family One read of the lawsuits involved to stop publication and tidbits about the issues but it was always a bit vague Who wanted what changed And why Corry gets to the point fairly quickly The author had interviewed hundreds and had gathered his own impression about the transfer of power What he apparently picked up on was the loathing the Kennedy team including Bobby and Jackie had for LBJ One gathers Manchester described this widespread feeling in his original draft At the time RFK was a US Senator of New York and had not broken openly with Johnson over the Vietnam War It wouldn t

look so good to have everyone read of the real feelings of the Kennedys at that time at least that was the position of Jackie RFK

The Stalker Affair and the Press David Murphy, 2022-09-01 First published in 1991 *The Stalker Affair and the Press* documents the media treatment of police constable John Stalker's removal from his job and argues that this case presents a major difficulty for the standard academic analysis of the press in Britain namely that it supports the status quo because it is part of the dominant class system The author argues that the exclusion of non official and dissident versions of the events can be explained by more direct causes the ownership of the press and the routine nature of normal news production which relies on official and established sources Where such sources do not produce an account of events as in the case of the Stalker affair the overwhelming majority of press output questioned the legitimacy of state actions even to the extent of entertaining the notion that its agents had conspired to commit murder and to pervert the course of justice David Murphy's fascinating analysis picks apart the notion of a system controlling production to demonstrate the complex interaction between methods of individual journalists their sources and the ways news is produced This book will be of great interest to students and teachers of media studies cultural studies journalism and communication studies

The Kingdom and the Power Gay Talese, 2013-08-14 Beautifully documented no less than a landmark in the field of writing and journalism *The Nation* Fascinating Seldom has anyone been so successful in making a newspaper come alive as a human institution *The New York Times* In this century and the last most of history's important news stories have been broken to a waiting nation by *The New York Times* In *The Kingdom and the Power* former *Times* correspondent and bestselling author Gay Talese lays bare the secret internal intrigues at the daily revealing the stories behind the personalities rivalries and scopes at the most influential paper in the world In gripping detail Talese examines the private and public lives of the famed Ochs family along with their direct descendants the Sulzbergers and their hobnobbing with presidents kings ambassadors and cabinet members the vicious struggles for power and control at the paper and the amazing story of how a bankrupt newspaper turned itself around and grew to Olympian heights Regarded as a classic piece of journalism *The Kingdom and the Power* is as gripping as a work of fiction and as relevant as today's headlines Praise for *The Kingdom and the Power* I know of no book about a great institution which is so detailed so intensely personalized or so dramatized as this volume about *The New York Times* *The Christian Science Monitor* A serious and important account of one of the few genuinely powerful institutions in our society *The New Leader* A superb study of people and power *Women's Wear Daily*

Just Jackie Edward Klein, 2009-12-16 In this journalistic tour de force bestselling author Edward Klein a friend of Jacqueline Onassis's for many years takes us behind the public image to give us a story that has never been told before For this myth shattering portrait Klein has amassed a wealth of exclusive information from private documents and correspondence FBI files and hundreds of interviews with Jackie's friends the associates of Aristotle Onassis and people familiar with her longtime companion the mysterious diamond merchant Maurice Tempelsman Many people break their silence here for the first time Much more than a portrait of a
