Manderley Rebecca Wolff, 2001-11-07 Selected by Robert Pinsky as one of five volumes published in 2001 in the National Poetry Series In the Manderley of Rebecca Daphne du Maurier's forbidding haven of mocking ghosts and secrets that refuse to remain buried nothing is as it seems So in this stunning debut collection by Rebecca Wolff cities partners mothers sisters friends and perfect strangers all disguise their true faces while they who seek connection are transported from one great gaping hole in the fabric of our knowledge to another No passage is too dark no garden too tangled for the troubled dreamer of Manderley Wolff turns a quicksilver gaze on a fluid world where both the real and the imaginary are transfigured Tempering steely candor with a sophisticated delight in wordplay these poems turn on a dime from the sensual to the eerie the resigned to the hopeful the comforting to the shocking Each poem weaves together layers of dream remembrance and fantasy distilling from romantic excess a gritty spare language of truth telling and surprise **Manderley** Rebecca

Carlos Williams was recognized as one of the most important innovators in American poetry he commissioned a printer to publish 100 copies of Poems 1909 a small collection largely imitating the styles of the Romantics and the Victorians This volume collects the self published edition of Poems Williams's foray into the world of letters with previously unpublished notes he made after spending nearly a year in Europe rethinking poetry and how to write it As Poems shows his first tentative steps into poetry the notes show him as he prepares to make a giant transformation in his art Shortly after Poems appeared Williams went through a series of experiences that changed his life a trip to Europe a marriage to the sister of the woman he genuinely loved and the establishment of his medical practice In Europe he was introduced to a consideration of an unlikely trio Heinrich Heine Martin Luther and Richard Wagner resulting in an exposure that subsequently influenced his developing style Williams looked back on Poems as apprentice work calling them bad Keats nothing else oh well bad Whitman too But I sure loved them There is not one thing of the slightest value in the whole thin booklet except the intent and never republished the collection Now that Williams's work is widely read and appreciated his reputation secure his

development as a poet is a matter worth serious study Poems can be seen as a point of departure a clear record of where Williams began before his life and ideas about poetry made seismic shifts Virginia M Wright Peterson s succinct introduction puts Poems in the context of his life and times discusses the reception of the volume his reconsideration of the poems and what they reveal about his poetic ambitions **Figment** Rebecca Wolff,2004 What is a poem Figment suggests myriad possible answers a post confession a remnant lyric an unerringly wistful invention Rebecca Wolff makes use of every tool at her disposal to create charming discomfiting poems spiked with shrewd summings up and nervy controlled lyric bursts Maureen N McLane Chicago Tribune **Women Poets on Mentorship** Arielle Greenberg,Rachel Zucker,2008-05-15 Short essays by women poets on mentoring women poets includes poems by the subjects and authors **Handbook of Creative Writing** Steven Earnshaw,2014-04-14 In this new edition 54 chapters cover the central pillars of writing creatively the theories behind the creativity the techniques and writing as a commercial enterprise With contributions from over 50 poets novelists dramatists publishers editors tutors critics and scholars this is the essential guide to writing and getting published DT A 3 in 1 text with outstanding breadth of coverage on the theories the craft the business of creative writing DT Includes practical advice on getting published making money from your writing New for this edition DT Chapters on popular topics such as self publishing and the rise of the indie author social media flash fiction song lyrics creative critical hybrids and collaboration in the theatre DT New and updated exercises to help you practice your writing DT Up to date information on teaching copyright writing for the web earning a living as a writer DT Updated Glossary of Terms *Poets & Writers* ,2002
