Moving To Nowhere Childrens Stories Of Homelessness:

Moving to Nowhere Mary E. Walsh, 1992-03-30 The number of homeless families in the United States continues to increase at an alarming rate There is little doubt that becoming homeless and living in shelters has had significant effects on the lives of the children in these families While many empirical studies have documented the effects of homelessness on one or another aspect of children s lives *Moving To Nowhere* looks at the experience of losing one s home and living in a shelter from the perspective of the child Children who are homeless tell their own story They speak of life in a shelter as they have known it It is through these stories that human service professionals can come to see homelessness as the children themselves see it and can learn what living in a shelter is like Children who are homeless tell their own story They describe how they became homeless why they think it happened to their family what their expectations and concerns were as they realized they would be moving to a shelter and what the shelter was like when they arrived They speak often of missing their old neighborhoods their friends and their extended family They report their fears their worries about their family s future the absence of money and resources and for some the presence of violence or substance abuse in their families They repeatedly tell of their embarrassment about being homeless this profoundly colors their relationships to friends schoolmates and teachers And in each of their stories these children provide clear and moving examples of how they manage to survive on a day to day basis while they wait for permanent housing Health care professionals psychologists and teachers as well as students and the general public will find this work poignant and instructive *Moving to Nowhere* Mary E.

problems of these youngsters as well as the problems of the many other extremely poor school children First published in 2000 Routledge is an imprint of Taylor Francis an informa company Handbook of Mental Health Services for Children, Adolescents, and Families Ric G. Steele, Michael C. Roberts, 2006-03-30 Social economic and theoretical changes in the current clinical landscape are adding up to profound changes in children's services not the least of which is an expanded need for mental health services Professionals novices and veteran clinicians alike wonder how to fill this demand in the present climate of turf wars reorganizations and budget cuts The Handbook of Mental Health Services for Children Adolescents and Families cogently analyzes the issues and provides the answers from current issues and emerging therapeutic trends to new avenues of treatment Thoroughly researched and documented by industry experts it presents the widest range of mental health services available to youth and their families Areas of coverage include Specific modalities in service delivery including inpatient and day treatment facilities pediatric hospitals and community mental health centers as well as rural school and primary care settings Services tailored to special populations such as adolescent sex offenders homeless children and their families children with chronic illness oppositional teens abuse situations and children exposed to traumatic events Details on preventative programs for child abuse substance abuse STD's and gang violence An in depth examination of the latest developments in children's services including therapeutic camping and Internet based treatment Approaches and methods for evaluating service organization delivery and efficacy Few areas of mental health care demonstrate the need for complementary services as much as child and family practice does With this need firmly in mind the Handbook encourages creativity and collaboration within practice settings and across agencies For clinicians administrators school practitioners and advanced level students this is a reference certain to have lasting impact on the field

Invisible Nation Richard Schweid, 2016-10-25 Every year more than 2.5 million children are left homeless in the United States and the number of such families continues to rise annually In every state children are living in small quarters packed in with relatives in cars in motel rooms or in emergency shelters In this vividly written narrative experienced journalist Richard Schweid takes us on a spirited journey through this invisible nation giving us front row dispatches of suffering families on the edge Based on in depth reporting from five major cities Invisible Nation looks backward at the historical context of family homelessness as well as forward at what needs to be done to alleviate this widespread although often hidden poverty Invisible Nation is a riveting must read for everyone who cares about inequality poverty and family life Provided by publisher **Beyond Homelessness, 15th Anniversary Edition** Steven Bouma-Prediger, Brian J. Walsh, 2023-09-12 What would the world look like if everyone had a home The rise in homeless encampments The destruction of our planet The disconnection from place caused by capitalism and technology Beyond the unavailability of housing our culture is experiencing a devastating loss of home In Beyond Homelessness Steven Bouma-Prediger and Brian Walsh explore the relationship between socioeconomic ecological and cultural homelessness Bouma-Prediger and Walsh blend

groundbreaking scholarship with stirring biblical meditations while enriching their discussion with literature music and art Offering practical solutions and a hope filled vision of home they show how to heal the deep dislocations in our society In this fifteenth anniversary edition the authors return to their work with a new postscript in which they discuss the evolution of their ideas and share true stories of home and community built anew This revitalized classic is a must read for any Christian committed to social justice and anyone longing for home

Social Issues in America James Ciment,2015-03-04 More than 150 key social issues confronting the United States today are covered in this eight volume set from abortion and adoption to capital punishment and corporate crime from obesity and organized crime to sweatshops and xenophobia

Homeless Joshua D. Phillips,2016-10-03 A half century after the War on Poverty of Lyndon Johnson poverty rates remain unchanged Scholars have advanced polarized theories about the causes of poverty as politicians have debated how or if to fund welfare programs Yet little research has been conducted where the poor are provided a platform to speak on their own behalf While it is important to understand how economic systems affect the homeless it is equally important to learn about the day to day realities faced by those who rely on public policies for survival Drawing on the author s experience working in the homeless community this book presents some of their stories of loss abuse addiction and marginalization through interviews

observations and ethnographic research

Creating Small Scale Social Programs Barbara Schram,1997-10-14 Built around a single case study *Creating New Agency Programs* clearly illustrates how to effectively plan implement and evaluate a small scale social program Each step in the planning process is introduced and described in a way that allows the reader to vicariously participate in the evolution of the program Useful charts time lines and resource lists are included and can be easily referenced and utilized This book s emphasis on planning is important not only because it is a much used and generally under taught skill but because successful planning is the process that can turn the dreams of a community into concrete reality This book is geared toward designing programs to meet specific social needs and organizing the relevant and human resources to implement them The programs are specific detail and activity oriented but are designed to support long range goals which may be handed down by a parent organization or the community in general The author s strategy of using a case study serves as a creative learning tool that leads readers through each practical step toward successfully creating their own small scale social program Filling the void of literature on designing programs *Creating New Agency Programs* is ideal for professionals and students in a variety fields social work human services clinical counseling psychology drugs and alcohol psychology nursing and management who are faced with the task of planning designing and evaluating a program

Parenting in Public Donna Haig Friedman,Rosa Clark,2000 This book posits that a family s quality of life is greatly impacted by the quality of the organizational climate and of their encounters within the shelter setting Friedman proposes a revolutionary reassessment of the ways we as a national community act toward these families

Handbook of Psychotherapies with Children and Families Sandra W. Russ,Thomas H. Ollendick,2013-11-11 The aim of this book on

psychotherapies with children and families is to present a comprehensive overview of the current array of intervention approaches in the child mental health field There is a focus on the integration of theory research and practice throughout the book The book proceeds from the more global presentations of basic theoretical approaches to applications of these approaches with specific problems and populations It then presents more integrated intervention approaches and overviews of the research literature One of the unique features of this book is its focus on future directions for each approach both in clinical practice and in research A second unique feature is its structured format across diverse approaches with a focus on empirical validation of approaches Another innovation is the presentation of interventions that integrate major components of different theoretical approaches Thus the book reflects the current trends in the field of interventions with specific problems and populations empirical validation of the approach and the integration of treatment approaches There are five major sections in this book Part I consists of four chapters that address a variety of issues related to child psychotherapy Chapter 1 by the editors examines the historical roots of child psychotherapy and explores current trends in the treatment of diverse child disorders It emphasizes the movement to treatments that work and sets the stage for the chapters that follow

Simon,2014-02-04 This volume is a unique collection of original pieces chronicling diverse national examples of university community partnerships Communication and Disenfranchisement Eileen Berlin Ray,2013-12-02 This volume and its companion case studies book deal with some of the people groups and classes who are living a disenfranchised existence in the United States Whether through birth life events or unfortunate circumstances they are denied full privileges rights and power within the existing societal structure Centered around societal health problems as they relate to socioeconomic status family abuse and health concerns these volumes examine salient issues from several theoretical frameworks including feminist theory and the social construction of reality Communication and Disenfranchisement provides theory based essays on topics such as the homeless adult survivors of sexual assault battered women persons with disabilities impoverished women the indigent living in the inner city persons with HIV AIDS the terminally ill and the elderly Case Studies in Communication and Disenfranchisement provides parallel case studies applying the issues and concepts discussed in the essays Used together these books provide theoretically based applications of social health issues within a communication framework Traditionally health communication research has emphasized the communication physical health relationship Inadvertently this primary focus has restricted what information has been included under the domain of health communication These books expand that domain by examining how the communication disenfranchisement relationship is accomplished managed and overcome and by recognizing the significance of the pragmatic and theoretic implications of this inquiry Children, Health, and Learning Mary E. Walsh,Jennifer Murphy,2003-12-30 This book examines the critical historical and contemporary linkages between health and learning reviews the best practices and makes resources available for practitioners What is the relationship between health and learning vis vis theory research and practice The purpose of this book is to examine the critical historical and contemporary linkages between health and learning to review the best practices and to make resources available for practitioners Walsh and Murphy review current and historical efforts to provide health services to school children and youth A list of print and nonprint resources for professionals parents and school administrators is provided *Good Company* Douglas Harper,2015-11-17 *Good Company* A Tramp Life is a vivid portrait of a lifestyle long part of America s history yet rapidly disappearing The author traveled extensively by freight train to gain rich insights into the elusive world of the tramp Richly illustrated with 85 photographs by the author the book presents the homeless man as an individual who drank migrated and worked at day labor rather than the stereotype of a victim of alcoholism The tramps with whom Harper shared boxcars and hobo jungles were the labor force that harvested the crops in most of the apple orchards in the Pacific Northwest They were drawn to the harvest from across the United States and migrated primarily on freight trains as had hobos in the 1930s Although not without its problems the tramp way of life is a fierce and independent culture that has been an integral part of our American identity and an important part of our agricultural economy Since the first edition of this classic book was published by the University of Chicago Press the tramp

has virtually disappeared from the American social landscape The agricultural labor force is now made up of Hispanic migrants This significantly revised and updated edition contrasts this disappearing lifestyle with the homelessness of the modern era which has been produced by different economic and sociological forces all of which have worked against the continuation of the tramp as a social species The new edition richly documents the transition in our society from tramps to urban homelessness and the many social political and policy changes attendant to this transformation It also includes an additional thirty five previously unpublished photographs from the original research
