Norwegian Diary, 1940-1945 Myrtle Wright, 1974 **Church Resistance to Nazism in Norway, 1940-1945** Arne Hassing, 2014-02-01 Church Resistance to Nazism in Norway 1940-1945 examines the evolution of the Lutheran state Church of Norway in response to the German occupation While German Protestant churches generally accepted Nazism and state incorporation Norway's churches rejected both Nazism and ideological alignment Arne Hassing moves through the history of the Church of Norway's relationship to the Nazi state from its initial confused complicities to its open resistance and separation He writes engagingly of the people at the center of this struggle and reflects on how the resistance affected the postwar church and state *The German Northern Theater of Operations 1940-1945* F. Ziemke, **The German Northern Theater of Operations, 1940-1945** Earl F. Ziemke, 1989 Special Operations in Norway Ian Herrington, 2019-04-04 Between 1940 and 1945 Britain's Special Operations Executive SOE carried out sabotage and organised resistance across occupied Europe Over 5 years SOE sent over 500 agents into Norway to carry out a range of operations from sabotage and assassination to attempts to organise an underground guerrilla army This book is the first multi archival international academic analysis of SOE's policy and operations in Norway and the influences that shaped them challenging previous interpretations of the relationship between this organisation and both the Norwegian authorities and the Milorg resistance movement *The Secret Wars, a Guide to Sources in English: Intelligence, propaganda and psychological warfare, resistance movements, and secret operations, 1939-1945* Myron J. Smith, 1980 **Roosevelt: The Soldier of Freedom (1940-1945)** James MacGregor Burns, 2012-05-08 The engrossing Pulitzer Prize and National Book Award winning history of FDR's final years Barbara Tuchman The second entry in James Macgregor Burns's definitive two volume biography of Franklin Delano Roosevelt begins with the president's precedent breaking third term election in 1940 just as Americans were beginning to face the likelihood of war Here Burns examines Roosevelt's skillful wartime leadership as well as his vision for post war peace Hailed by William Shirer as the definitive book on Roosevelt in the war years and by bestselling author Barbara Tuchman as engrossing informative endlessly readable *The Soldier of Freedom* is a moving profile of a leader gifted with rare political talent in an era of extraordinary challenges sacrifices heroism and hardship **German Northern Theater of Operations 1940-1945 [Illustrated Edition]** Earl Ziemke, 2015-11-06 Includes 23 maps and 31 illustrations This volume describes two campaigns that the Germans conducted in their Northern Theater of Operations The first they launched on 9 April 1940 against Denmark and Norway The second they conducted out of Finland in partnership with the Finns against the Soviet Union The latter campaign began on 22 June 1941 and ended in the winter of 1944-45 after the Finnish Government had sued for peace The scene of these campaigns by the end of 1941 stretched from the North Sea to the Arctic Ocean and from Bergen on the west coast of Norway to Petrozavodsk the former capital of the Karelo Finnish Soviet Socialist Republic It faced east into the Soviet Union on a 700 mile long front and west on a 1 300 mile sea frontier

Hitler regarded this theater as the keystone of his empire and after 1941 maintained in it two armies totaling over a half million men In spite of its vast area and the effort and worry which Hitler lavished on it the Northern Theater throughout most of the war constituted something of a military backwater The major operations which took place in the theater were overshadowed by events on other fronts and public attention focused on the theaters in which the strategically decisive operations were expected to take place Remoteness German security measures and the Russians well known penchant for secrecy combined to keep information concerning the Northern Theater down to a mere trickle much of that inaccurate Since the war through official and private publications a great deal more has become known The present volume is based in the main on the greatest remaining source of unexploited information the captured German military and naval records In addition a number of the participants on the German side have very generously contributed from their personal knowledge and experience

The Churchill Coalition and Wartime Politics, 1940-1945 Kevin Jefferys, 1995 In this revisionist study Jefferys challenges many long held assumptions about British politics in the period between 1939 and 1945 Drawing on a range of unpublished sources he challenges the notion of consensus as a guiding principle of politics in the 1940s and argues that wartime coalition masked the continuance of profound disagreements about the future direction of economic and social policy Distributed in the US and Canada by St Martin's Press Annotation copyrighted by Book News Inc Portland OR
