Becoming Wellstone Paul Wellstone, 2012-09-20 Paul David Wellstone Jr or Dave as he is known to his friends fell into a zombie like state of shock when he first got word that the eleven seater plane carrying his parents and sister couldn't be located on radar. It was as if he were watching someone else drive from the campaign office to his brother's home then north to Minnesota's Iron Range where his dad had been heading to attend the funeral of a steelworker. But when he saw smoke on the horizon it was with tremendous focus that he turned off the highway and drove straight toward the plume cutting up into the slate gray sky. On October 25 2002 Senator Paul Wellstone his wife Sheila and his daughter Marcia died in that tragic plane crash. Senator Wellstone was an admired and respected political leader known for his bipartisan spirit and passion for championing causes that impacted the overlooked and underrepresented. As his son Dave reveals in this intimate memoir he was also a loving advisor and an engaged father who taught his children to live with compassion and to Think for yourself don't just go around with the crowd never be afraid to take an unpopular stand. **Becoming Wellstone** is an insider's look at Paul Wellstone in action revealing the man behind the visionary leader who challenged the status quo. We move with Dave from a childhood of touch football games family dinners and political rallies to a young adulthood engulfed in loss. We see this son struggle to work through tragedy and slowly regain the strength to look ahead becoming a great leader in his own right and championing one of his father's great life achievements the enactment of the Paul Wellstone and Pete Domenici Mental Health Parity and Addiction Equity Act in 2008 bringing mental health and substance abuse treatment benefits to the masses.
