Perestroika In The Countryside Agricultural Reform In The Gorbachev Era:

Perestroika in the Countryside William Moskoﬀ, 2019-07-04 This book is a collection of seven papers originally given at the 1989 meetings of the American Association for the Advancement of Slavic Studies The authors come from the fields of economics history and political science and are all specialists in the field of Soviet and East European agriculture The first essay by David Macey assesses Gorbachev s agricultural reform in light of the experience of the Stolypin reforms at the beginning of the century The essays by Jim Butterfield and Ed Cook examine the impediments to successful reform from the perspective of a political scientist and an economist Karen Brooks and Don Van Atta concentrate their attention on the efforts to introduce lease contracting into agriculture D Gale Johnson s essay examines the economic effects of trade liberalization in agriculture The final paper by Michael Marrese suggests that there are lessons for the Soviet Union to be learned from the Hungarian experience namely that the changes in agriculture must be comprehensive and that the party can win over popular support if its agricultural policies succeed

Perestroika From Below Judith Sedaitis, Jim Butterfield, 2019-07-11 This book represents the first comprehensive assessment of the world of social movements and collective action in the Soviet Union and provides the information to expand our knowledge and potentially our comprehension of the dramatic processes taking place

Land Reform in the Former Soviet Union and Eastern Europe Stephen K. Wegren, 2003-10-04 Land reform is a key factor in determining the political economic and social future of the transitional states of the former Soviet Union and Eastern Europe This book represents the first major study in this area Utilizing extensive field work unpublished materials statistical data and interviews with land reform officials the contributors explore the key issues [Agrarian Reform in Russia](#) Carol S. Leonard, 2010-12-06 This book examines the history of reforms and major state interventions affecting Russian agriculture the abolition of serfdom in 1861 the Stolypin reforms the NEP the Collectivization Khrushchev reforms and finally farm enterprise privatization in the early 1990s It shows a pattern emerging from a political imperative in imperial Soviet and post Soviet regimes and it describes how these reforms were justified in the name of the national interest during severe crises rapid inflation military defeat mass strikes rural unrest and or political turmoil It looks at the consequences of adversity in the economic environment for rural behavior after reform and at long run trends It has chapters on property rights rural organization and technological change It provides a new database for measuring agricultural productivity from 1861 to 1913 and updates these estimates to the present This book is a study of the policies aimed at reorganizing rural production and their effectiveness in transforming institutions

The Disintegration of the Soviet Economic System Michael Ellman, Vladimir Kontorovich, 2023-06-14 The Disintegration of the Soviet Economic System 1992 examines in detail the collapse of the Soviet economic system and is set in its political context both international and domestic The collapse is looked at from a macroeconomic point of view both real and financial as well as from a mesoeconomic viewpoint with chapters on such important sectors such as agriculture and the railways Because the USSR is

such a large country it is also looked at in a regional perspective with chapters on Central Asia and the allocation of investment between republics and attention is also paid to the welfare of the population their health and the development of their consumption and the environment and technical progress **Sowing Market Reforms** M. Crumley,2013-09-18 By examining a sector of the economy that was exposed to increased imports more than four decades ago Crumley illuminates the economic pressures resistance and reform that help to shape Russia s agrarian sector today **Russia's Unknown Agriculture** Judith Pallot,Tat'yana Nefedova,2007-08-23 Basing their findings on four years of research during which they studied rural districts drawn from a variety of contrasting regions of European Russia the authors discuss the place of rural households in Russia s agri food production system They show that far from being solely concerned with survival household plots in contemporary Russia are increasingly used to produce crops and livestock products for the market In the book they describe the rich variety of forms that small and independent farming takes today from highly localised clusters of cucumber or tomato producers to specialization in crop or animal husbandry at a higher spatial scale or associated with particular ethnic groups The authors systematically examine the influence on past and present practices of distance and the environment the state of the large farm sector local customs and ethnicity on what households produce and how they produce it often using case studies of people they have met plot holders farmers local officials to illustrate their point They criticise the tendency of the household production to be treated as the agricultural Other in post Soviet Russia and argue with the right incentives it has the potential for further development *The Collapse of the Soviet Union, 1985-1991* David R. Marples,2016-09-17 Why did the Soviet Union collapse in 1991 The collapse of the Soviet Union has widely been seen as the result of the arms race and Cold War and the failure of the Soviet side to keep pace with new technology This book argues that the disintegration was mainly a result of two interrelated factors the rise of the Soviet national republics and the manipulation of the new Russian presidency by Boris Yeltsin in what became a direct power struggle between Yeltsin and the Soviet leader Gorbachev Written in a clear and accessible manner the book provides an explanation of how the national question came to dominate Soviet politics by 1990 1 analysis of the economic crisis that occurred in the late 1980s a chapter devoted to the year 1991 from the referendum to reform the Soviet Union to the unforeseen dissolution of the country by December a discussion of the personalities of and political confrontation between the two key statesman Gorbachev and Yeltsin Also containing a Chronology Glossary and Who s Who of key figures *The Collapse of the Soviet Union* is essential reading for students of twentieth century European history **Economic Developments in Contemporary Russia** Ian Jeffries,2011-03-07 This book provides a comprehensive overview of economic developments in Russia since the late 1990s Key subjects covered include economic transition privatization and liberalization changes in land ownership and agriculture energy foreign direct investment economic stabilization and economic performance *From Leninism To Freedom* Margaret Latus Nugent,2019-03-08 This book stimulates inquiry into questions about how to facilitate and consolidate transitions from

Leninism to market oriented democracies It allows readers to appreciate the diversity of opinion that exists on such questions as the causes for what happened and the prospects for the future Political Developments in Contemporary Russia Ian Jeffries,2011-03-07 This book provides a comprehensive overview of political developments in Russia since late 1999 It covers all aspects of politics including central government and elections regional government and developments in the republics including in Chechnya and other Caucasian republics and human rights China After Socialism Barrett L. McCormick,Jonathan Unger,2017-07-05 As part of the series Socialism and Social Movements this volume explores the conditions and prospects of China moving toward a type of developmental state The lessons of economic and political reform in Eastern Europe are discussed in relation to the overall topic Rural Reform in Post-Soviet Russia David J. O'Brien,Stephen K. Wegren,2002-03-20 Rural Reform in Post Soviet Russia reviews change in agricultural and rural life since 1990 through historical political sociological and anthropological investigation The contributors interest is not so much in agriculture itself but in agrarian issues such as the relationship between rural interests and changing Russian institutions the economic and social organization of rural households and the quality of life in rural families and villages **Index of Economic Articles in Journals and Collective Volumes** American Economic Association,1990 *Socialist Economic Systems* Steven Rosefielde,2023-06-29 Bernie Sanders socialist advocacy in the United States communist China s economic successes and a Marxist revival are inspiring many to muse about improved strategies for building superior socialist futures *Socialist Economic Systems* provides an objective record of socialism s promises and performance during 1820 2022 identifies a feasible path forward and provides a rigorous analytic framework for the comparison of economic systems The book opens by surveying pre industrial utopias from Plato to Thomas More and libertarian communal designs for superior living It plumbs all aspects of the revolutionary and democratic socialist political movements that emerged after 1870 and considers the comparative economic political and social performance of the USSR and others from the Bolshevik Revolution onwards The book also provides case studies for all revolutionary Marxist Leninist regimes and supplementary discussions of Mondragon cooperatives Israeli kibbutzim Nordic corporatism and European democratic socialism It investigates the theoretical and practical complexities of command planning reform communism market communism worker economic management and egalitarianism It examines communism as an engine of economic growth and a mechanism for improving people s quality of existence including living standards labor self governance egalitarianism social justice and prevention of crimes against humanity before addressing the perennial question of what needs to be done next A suggested path forward is elaborated drawing lessons from the warts and all historical performance of socialist economies during 1917 2022 and failed socialist prophecy The evidence indicates that the key to 21st century socialism success lies in empowering workers of all descriptions to govern democratically for their mutual protection and welfare without the extraneous imposition of priorities imposed by other movements The book is essential reading for anyone interested in socialism political economy comparative

economic systems and political and social history *Reluctant Cold Warriors* Vladimir Kontorovich, 2019 During the Cold War Western economic studies of the USSR neglected the military sector of the Soviet economy Were economic Sovietologists under political pressure and if so in what direction This book has broad relevance for national security uses of social science research today Adapted from dust jacket *Eastern Europe, Russia and Central Asia 2003* ,2000

Socialist Economies and the Transition to the Market Ian Jeffries, 1993-05-27 First published in 1993 Routledge is an imprint of Taylor Francis an informa company **Between Two Revolutions** Peter Waldron, 2022-02-06 This book first published in 1998 is an original and comprehensive study of a key period of Russian history between the success of the autocracy in retaining power in the 1905 Revolution and the debacle of the Tsar s crushing defeat in 1917 Focusing on Stolypin Prime Minister between 1906-11 the study explores tsarism s final attempt to reform Russia Stolypin seized the opportunity to drive through a programme which would have transformed the social and political structure of Imperial Russia by promoting the development of an independent peasantry and reducing the authority of the traditional elites The book analyses the weakness of the new parliamentary system and the continuing influence of the traditional elites [The Political Economy of State-Society Relations in Hungary and Poland](#) Anna Seleny, 2006-02-13 This book shows how Hungary and Poland led the transformations that brought down Communism
