System of obstetrics v.1, 1888 Barton Cooke Hirst, 1888 **The Evolution and perfection of the aseptic surgical technique** Lewis Samuel MacMurtry, 1897 Mentored to Perfection Simone Dennis, Alison Behie, 2022-05-23 Mentored to Perfection The Masculine Terms of Success in Academia examines how mentoring programs between women tend to

replicate the hierarchical relations of patriarchy that they are meant to dismantle Simone Dennis and Alison Behie argue that while paradigmatic mentoring programs look like networking support services for neophytes these mentorships nevertheless replicate the very institutional structures they seek to uproot The generosity that senior women show to junior women as they share their tips and offer their support ironically obscures participants involvement in debt relations and the biases of replicating a particular type of success This book considers the possibilities for disrupting our tendency to reproduce ourselves in the masculine terms of success Perfection Makes Practice Anna M.
