Proclaiming The Baptist Vision:

Proclaiming the Baptist Vision ,1993 **Proclaiming the Baptist Vision** ,1999 **Religious Liberty** Walter B. Shurden,1997 Religious liberty is one of the foundational perspectives that define Baptists In this book Shurden gathers the voices of key figures in Baptist life and calls us to hear their ideas on religious liberty through a look at selected sermons and essays The Baptist Summit at Mercer University Mercer University. Baptist Summit,Raleigh Kirby Godsey,Walter B. Shurden,William D. Underwood,2006 **The Making of the 1963 Baptist Faith and Message** A. J. Smith,2008-08-05 Questions regarding the orthodoxy of Dale Moody and Ralph Elliott propelled the Southern Baptist Convention SBC toward a re evaluation of its doctrinal statement the Baptist Faith and Message BFM The SBC adopted this document in 1925 under the leadership of E Y Mullins when faced by the challenge of modernism This dissertation argues that the 1962 Committee on Baptist Faith and Message produced a document that expressed subtle shifts in Baptist theology This shift had the effect of assuring the conservative base while allowing enough latitude in interpretation for those serving in the academy to teach more progressive views After a first introductory chapter chapters 2 and 3 trace the historical developments leading to the formation of the Committee Biblical inspiration and interpretation were key concerns but as chapter 3 demonstrates other concerns drew the attention of the Committee Chapters 4 and 5 deal with the ever sensitive issue of the relationship between Baptist confessionalism soul liberty and soul competency Each chapter examines how Baptist confessionalism functioned in relation to these concepts Chapter 6 examines in detail the work of the Committee itself and looks at those persons or groups who influenced the outcome of the Committee s work Of special note are the contributions made by Wayne Ward Leo Garrett the religion faculty of Mercer University and the theology faculty of Southern Seminary Chapter 7 examines four areas where the 1963 BFM altered the confessional expression of Baptist doctrines 1 Scripture 2 Man 3 Salvation 4 The Church Chapter 8 is the conclusion Four appendices contain early drafts of the Committee s work **A Sacred Trust** Dean Anderson,2015-08-25 Just what makes a Baptist a Baptist What are the beliefs that set Baptists apart from other Christian churches and are they of any real importance for the local church member who just wants to follow Jesus Four centuries of Baptists have found those distinctive beliefs to be the command of Jesus in the Scripture have expressed their love for him by holding and practicing them and have passed that sacred trust down to us A church which fails to know and value its Baptist identity becomes subject to error and false teaching and loses the heritage for which its Baptist ancestors were willing to suffer and die The sermons in this book provide a helpful introduction to the beliefs which distinguish Baptists from other Christian groups and churches and help readers to consider those beliefs in their proper level of importance Extensive guides to additional resources in the distinctive beliefs of Baptists and in doctrinal preaching are provided for those desiring further study and for pastors interested in developing similar messages Includes endorsements from Chuck Kelley and Lloyd Harsch of New Orleans Baptist Theological Seminary and Fisher Humphreys of Beeson Divinity School **Distinctively Baptist**

Essays on Baptist History Walter B. Shurden, 2005 This collection of essays by different authors is presented as a tribute to Walter B. Shurden, a distinctively Baptist church historian, teacher, preacher, author, Baptist apologist, and extraordinaire. The rationale of this celebration of the lifework and influence of Walter Shurden is well stated for example in editor Marc Jolley's preface: During some of the initial forays of our most recent and ongoing Fundamentalist-Moderate controversy, there were days when I thought about changing denominations. Shurden's works were instrumental in my remaining a Baptist, not because I could see how Baptists had always had controversies and survived, although that is true, but because he helped me understand that the reason I had been Baptist and would remain so was due to our Baptist distinctives, our freedoms. For so much more, but especially for that understanding, I am forever grateful. Many students, Baptists in the pews, some at the pulpit or lectern, even some who are not distinctively Baptist, could testify in like terms regarding the ongoing work and influence of Walter B. Shurden. The essays in this collection of course address some of the primary concerns of Walter Shurden,

augmenting that already significant lifework. **The European Baptist Federation** Keith G. Jones, 2009-11-01 A criticism often leveled at Baptists is that they have no theology of ecclesial reality beyond the local. In this book, Keith Jones describes the history and current reality of the European Baptist Federation (EBF), which brings together over fifty national Baptist groups in Europe and the Middle East and seeks to demonstrate that there is an ecclesial reality within the organization, expressed in its communal life, mission activity, working on theological education in relationship to other Christian world communions, and in its decision-making processes. The role of the pivotal figure of the General Secretary of the EBF is examined with particular reference to two significant figures. The relationship of European Baptists during the cold war era is explored, as is the relationship to two key mission agencies from the USA who have done much work in Europe. This represents ground-breaking work in terms of an examination of how Baptists in Europe work together trans-nationally.

The A to Z of the Baptists William H. Brackney, 2009-09-16 With 110 million members worldwide, Baptists are surpassed only by Roman Catholic and Orthodox groups as the largest segment of Christians. The term Baptist has its origins with the Anabaptists, the denomination historically linked to the English Separatist movement of the 16th century. Although Baptist churches are located throughout the world, the largest group of Baptists lives in the Southern United States, and the Baptist faith has historically exerted a powerful influence in that region of the country. *The A to Z of the Baptists* relates the history of the Baptist Church through a chronology, an introductory essay, a bibliography, and hundreds of cross-referenced dictionary entries on important events, doctrines, and the church founders, leaders, and other prominent figures who have made notable contributions. This volume commemorates the 400th anniversary of the founding of the Baptist movement in 1609.

Baptist Theology James Leo Garrett, 2009 This title offers a comprehensive analysis of Baptist theology, embracing in one common trajectory the major Baptist confessions of faith, the major Baptist theologians, and the principal Baptist theological movements and controversies. This book spans four centuries of Baptist doctrinal history. Acknowledging first the

pre 1609 roots patristic medieval and Reformational of Baptist theology it examines the Arminian versus Calvinist issues that were first expressed by the General Baptists and the Particular Baptists that dominated English and American Baptist theology during the seventeenth and eighteenth centuries from Helwys and Smyth and from Bunyan and Kiffin to Gill Fuller Backus and Boyce and that were quickened by the awakenings and the missionary movement Concurrently there were the Baptist defense of the Baptist distinctives vis a vis the pedobaptist world and the unfolding of a strong Baptist confessional tradition Then during the nineteenth and twentieth centuries the liberal versus evangelical issues became dominant with Hovey Strong Rauschenbusch and Henry in the North and Mullins Conner Hobbs and Criswell in the South even as a distinctive Baptist Landmarkism developed the discipline of biblical theology was practiced and a structured ecumenism was pursued Missiology both impacted Baptist theology and took it to all the continents where it became increasingly indigenous Conscious that Baptists belong to the free churches and to the believers churches a new generation of Baptist theologians at the advent of the twenty first century appears somewhat more Calvinist than Arminian and decidedly more evangelical than liberal

Biblical Foundations for Baptist Churches John S. Hammett, 2019-02-26 An updated examination of ecclesiology from a Baptist perspective In this useful book professor and former pastor John Hammett helps church leaders think through foundational questions about the nature of the church Blending biblical teaching and practical ministry experience Hammett presents a comprehensive ecclesiology from a historic Baptist perspective examining crucial contemporary issues such as church discipline the role of elders and church ministry in a post Christian culture This second edition contains updates throughout including Substantive changes to chapters on the nature of the church Baptist church polity and deacons An expanded chapter on baptism and the Lord s Supper A thoroughly revised chapter on church models like multisite churches and missional churches A brand new chapter on meaningful church membership

The Baptist River William Glenn Jonas, 2008 This Baptist history textbook highlights the diversity of the Baptist movement in North America as it has developed over the past few centuries Under the

Baptist tent are such diverse groups as Primitive Baptists Freewill Baptists Seventh Day Baptists American Baptists Southern Baptists North American Baptists and Independent Baptists Each of these Baptists groups shares some basic Baptist principles However there are significant theological and social differences between them This book is the ideal survey for undergraduate level students

Seeds of the Church Teun van der Leer, Henk Bakker, Steven R. Harmon, Elizabeth Newman, 2022-11-30 The landmark World Council of Churches convergence text The Church Towards a Common Vision 2012 which has the potential to become this generation's Baptism Eucharist and Ministry 1982 invites the churches to envision how their own distinctive visions of the church might have a place in the global church's imagination of the ecumenical future Seeds of the Church Towards an Ecumenical Baptist Ecclesiology is a collaborative effort by members of the Baptist World Alliance Commission on Baptist Doctrine and Christian Unity to respond to this invitation This book contends that the distinctive Baptist ecclesial vision is best embodied in twelve core practices of Baptist churches and their interrelationship covenanting discerning gathering befriending proclaiming equipping baptizing discipling caring theologizing scattering and remembering Seeds of the Church opens a window on what is possible when Baptists engage with people of other Christian traditions in the exploration of the common heritage of people belonging to the one household of faith The global Baptist theological voices represented in this volume offer it as a reading of an ecumenical text in a Baptist key that paves the way for ecclesiological renewal among Baptists and in the whole church to which they belong

Understanding Four Views on Baptism Zondervan, 2009-08-30 Gain an understanding of baptism from four main traditional perspectives Of all the sacraments the practice of baptism is often the most disputed Christians hold different views of its exact significance who should receive baptism and how old they need to be the practice of rebaptism and baptism as a requirement for church membership In Understanding Four Views on Baptism four historic views on baptism are considered in depth Baptist view baptism of the professing regenerate by immersion presented by Thomas J Nettles Reformed view infant baptism of children of the covenant presented by Richard Pratt Jr Lutheran view infant baptism by sprinkling as a regenerative act presented by Robert Kolb Church of Christ view believers baptism on the occasion of regeneration by immersion presented by John Castelein Each view is presented by its proponent then critiqued and defended in dialogue with the book's other contributors Here is an ideal setting in which you can consider the strengths and weaknesses of each stance and arrive at your own informed conclusion The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

Thinking With the Church Derek C. Hatch, 2017-12-08 Over the centuries Baptists have labored to follow Christ in faithful devotion and service More recently they have occasionally partnered with fellow Christians from other traditions in these efforts while learning from each other along the way In Thinking With the Church Derek Hatch argues that Baptists need to follow the same

pattern when it comes to their theological reflection engaging the wisdom of all Christian pilgrims across time This will require a new theological method ressourcement that embraces Baptists place within the Great Tradition of the Christian faith Such work will not abandon long held Baptist convictions but offers resources for renewing Baptists theological vision as they participate in the fullness of the mystical body of Christ

Living and Active Telford Work,2001-10 For all of the Bible s popularity both in the church and in Western culture confusion reigns about what the Bible is its relationship to God its relationship to its human authors and readers and its proper use Living and Active answers these fundamental questions by looking anew at Scripture from the perspective of Christian doctrine Rather than treating the Bible as a sourcebook for theology Telford Work uses systematic theology to build a compelling new doctrine of Scripture the doctrine of God establishes the Bible s triune character and purpose the doctrine of salvation explains the mission of Scripture in ancient Israel in the career of Jesus and in the life of his followers the doctrine of the church relates the Bible s qualities to those of its reading communities describes the relation of Scripture and tradition and appreciates the Bible s role in worship and in personal salvation Drawing in this way on the full resources of Christian dogmatics allows us to see the Bible at work accomplishing God s purposes in the world Throughout the book Work incorporates insights from the Eastern Orthodox Roman Catholic Lutheran Calvinist Anabaptist and evangelical traditions in order to produce a truly ecumenical doctrine of Scripture He also interacts with patristic theology and practice historical critical methods of interpretation and postmodern thought refusing to draw lines between biblical studies ethics history philosophy and theology As a result Living and Active is the most comprehensive balanced and relevant statement of Scripture now available It clearly portrays the Bible as integral to the economy of salvation and the life of the church it offers solutions to the current crisis of biblical authority and practice and it prescribes fruitful ways to preach teach and live Scripture in today s world

Restoring Integrity in Baptist Churches Thomas White,Jason G. Duesing,Malcolm B. Yarnell, Respected leaders point a way forward in the key debates within the Southern Baptist Convention one of the largest denominations at more than 16 million members

The Priesthood of All Believers in the Twenty-First Century Robert A. Muthiah,2009-05-01 Robert Muthiah believes a deepened theology of the priesthood of all believers is essential for answering the crucial questions of what shape the church should take in the twenty first century and how this theological query relates to the lived experiences of congregations Emerging churches which tend to develop vibrant practices of the priesthood of all believers need to develop more fully their ecclesiological underpinnings while historic churches with a well developed theology of the priesthood of all believers need a renewed vigor to allow this theology to shape their congregational lives With recourse to relevant New Testament texts and theological conversations *The Priesthood of All Believers in the Twenty First Cenutry* argues for a fresh understanding and embodiment of the priesthood of all believers by setting ecclesiology postmodern culture and congregational practices in dialogue Elements of the discussion include ecumenical and Free church perspectives Trinitarian correspondence

postmodern social structures the relevance of Alasdair McIntyre's social practices for congregations and forms of congregational leadership **Dimensions of Baptism** Stanley E. Porter, Anthony R. Cross, 2002-12-01 This book brings together work by J Ramsey Michaels Joel Green Howard Marshall Bruce Chilton Craig Evans and the editors as well as several others The first section covers baptism in the New Testament including the meaning of the word baptize the baptism of John Paul's own baptism and his theology of it and baptisms in John 13 Acts and Hebrews The second section deals with baptism in the Early Church including essays on Jesus blessing of the children and baptism in the Epistle of Barnabas and in Gregory of Nyssa The third section addresses baptism in contemporary theology embracing ecumenical perspectives baptism as a trinitarian event and baptism as memorial as miracle and as falling into and out of power This wide ranging volume forms a sequel to Baptism the New Testament and the Church JSNT Supplements 171 and makes indispensable reading for all concerned with this topic
