Profane Justice Suzanne Shell,1997 **God's Plan To Save America** L. Nelson "Mac" McAlexander,2013-11 In a dream I had back in 1977 thousands of people were shouting out in unison an unusual name that I had never heard before What I saw in that dream compelled me to try and find out if this name had any special meaning That same day a language professor at the University of Maryland told me the only word he knew of that sounded like the one I heard in the dream was a Greek word He said the word had three possible definitions which changed when the accent over the e changed Those definitions are very significant and I write about them in the chapter on Dreams and Visions The definitions and an interpretation of the dream by a Rabbi three days after the dream led me to eventually believe that this unusual name could be the fulfillment of Revelations 2 17 and or 3 12 In subsequent dreams I was writing a book titled God s Plan to Save America and in one of those dreams a man was passing out white stones that had the name written on it that I heard in the dream It is important to note that I learned of these Biblical Scriptures after I had these unusual dreams Revelations 2 17 Let the one who has an ear hear what the spirit says to the congregations To him that conquers I will give some of the hidden manna and I will give him a white pebble and UPON THE PEBBLE A NEW NAME written which no one knows except the one receiving it
