**The Sermons of Henry Ward Beecher** Henry Ward Beecher, 1874 *Metropolitan Magazine*, 1912 **The Psychic Life of Racism in Gay Men's Communities** Damien W. Riggs, 2017-12-06 The *Psychic Life of Racism in Gay Men's Communities* engages in the necessarily complex task of mapping out the operations of racialized desire as it circulates among gay men In exploring such desire the contributors to this collection consider the intersections of privilege and marginalization in the context of gay men's lives and in so doing argue that as much as experiences of discrimination on the basis of sexuality are shared among many gay men experiences of discrimination within gay communities are equally as common Focusing specifically on racialization the contributors offer insight as to how hierarchies inequalities and practices of exclusion serve to bolster the central position accorded to certain groups of gay men at the expense of other groups Considering how racial desire operates within gay communities allows the contributors to connect contemporary struggles for inclusion and recognition with ongoing histories of marginalization and exclusion The *Psychic Life of Racism in Gay Men's Communities* is an important intervention that disputes the claim that gay communities are primarily organized around acceptance and homogeneity and instead demonstrates the considerable diversity and ongoing tensions that mark gay men's relationships with one another **Railway Signaling and Communications**, 1929 **The Flaming Sword**, 1894
