Progressive Odyssey Towards A Democratic South Africa:

Progressive Odyssey Ray Swart, 1991 **Slabbert** Albert Grundlingh, 2021-01-25 Frederik van Zyl Slabbert was a man on a mission whether as an academic an opposition politician a democratic facilitator or a businessman Perhaps this was a product of his restless probing intellect or his early ambition to become a dominee in the Dutch Reformed Church When he famously led a delegation of leading Afrikaners to Dakar in 1987 to meet the exiled ANC many saw it as a breakthrough while others felt he had been taken in And yet his reputation for honesty integrity wit and courage still towers above many of his contemporaries Slabbert was always different As an academic turned politician the charismatic Slabbert brought unusual intellectual rigour to Parliament transforming the upstart Progressive Federal Party into a force that challenged the National Party government But disillusioned by the paralysis of formal white politics and by the growing polarisation of South African society he resigned in 1986 to explore democratic alternatives to the impasse into which the country had been led under apartheid Largely side lined during the democratic transition he continued to pursue a broad range of initiatives aimed at building democracy empowering black South Africans and transforming the economy Albert Grundlingh's penetrating biographical study offers sharp insights into the thinking and motivation of this most unlikely politician Concise but wide ranging Slabbert Man on a Mission provides new perspectives on a figure who even today remains something of an enigma

Harry Oppenheimer Michael Cardo, 2023-03-05 This book will surely be the most readable best informed most complete account of Harry Oppenheimer's life there is ever likely to be Bill Nasson historian and author As chairman of Anglo American and De Beers Harry Oppenheimer held sway over his family's gold and diamond empire for a quarter of a century He combined a passion for commerce with a streak of creative genius In this the first comprehensive biography of Oppenheimer Michael Cardo has produced a vivid portrait based on unrestricted access to his subject's private papers and interviews with Oppenheimer's relatives and associates Cardo brings to life the places people and events that shaped Oppenheimer's career at the intersection of business and politics From the diamond fields of Kimberley where his father Ernest arrived to seek his fortune in 1902 through his long apprenticeship as heir apparent to Harry Oppenheimer's emergence on the world stage as a magnate and monarch in his own right the King of Diamonds and the man with the Midas touch Cardo tells the story of a dynasty As a financier philanthropist and public figure Oppenheimer straddles the history of 20th century South Africa In the 1950s the National Party regarded him as a threat to Afrikanerdom the sinister embodiment of English money power Forty years later Nelson Mandela praised Oppenheimer as a nation builder a key figure in South Africa's transition to democracy Yet nowadays Oppenheimer is demonised in some quarters as the archetype of white monopoly capital and blamed in part for democracy's disappointing dividends Meticulously researched and superbly written this authoritative work sheds new light on the multifaceted legacy of a renowned South African industrialist **The Unquiet Englishman** Richard Greene, 2021-01-12 A Finalist for the 2022 Edgar Award A Washington Post Best Nonfiction

Book of the Year A vivid deeply researched account of the tumultuous life of one of the twentieth century s greatest novelists the author of *The End of the Affair* One of the most celebrated British writers of his generation Graham Greene s own story was as strange and compelling as those he told of Pinkie the Mobster Harry Lime or the Whisky Priest A journalist and MI6 officer Greene sought out the inner narratives of war and politics across the world he witnessed the Second World War the Vietnam War the Mau Mau Rebellion the rise of Fidel Castro and the guerrilla wars of Central America His classic novels including *The Heart of the Matter* and *The Quiet American* are only pieces of a career that reads like a primer on the twentieth century itself *The Unquiet Englishman* braids the narratives of Greene s extraordinary life It portrays a man who was traumatized as an adolescent and later suffered a mental illness that brought him to the point of suicide on several occasions it tells the story of a restless traveler and unfailing advocate for human rights exploring troubled places around the world a man who struggled to believe in God and yet found himself described as a great Catholic writer it reveals a private life in which love almost always ended in ruin alongside a larger story of politicians battlefields and spies Above all *The Unquiet Englishman* shows us a brilliant novelist mastering his craft A work of wit insight and compassion this new biography of Graham Greene the first undertaken in a generation responds to the many thousands of pages of letters that have recently come to light and to new memoirs by those who knew him best It deals sensitively with questions of private life sex and mental illness and sheds new light on one of the foremost modern writers *Kleio* ,1991

Bulletin of the National Library of South Africa ,2016 *Thank you, Judge Mostert!* Carmel Rickard,2012-09-27 Anton Mostert was one of South Africa s youngest judges when he was appointed to head a commission of inquiry into exchange control regulations in 1978 His inquiry seemingly innocuous unearthed what was at that time the greatest political scandal in the country s history massive corruption in the department of information In defiance of warnings by Prime Minister PW Botha not to disclose his findings Mostert released all the evidence that had been led before him exposing some of the most powerful men in the country and effectively changing history The title of this book *Thank You Judge Mostert* is taken from the inscription which appeared overnight on bumper stickers all over South Africa in the weeks following Judge Anton Mostert s revelations of the Information Scandal This overt spontaneous outburst of public appreciation and support requires history to be retold for this is the story of a principled and courageous judge who not only fiercely fought for the independence of the judiciary and the rule of law in South Africa but who also fearlessly confronted the Afrikaner executive at a critical juncture in South Africa s history *Sociological Abstracts* ,1993 **Periodica Islamica** ,1994 *Financial Mail* ,1991-08

technology and history creating an enthralling tapestry of intrigue As the plot unfolds readers are invited to journey through a labyrinthine narrative where each twist and turn reveals another layer of truth and deception The strategic intent is clear to take readers on an unforgettable journey leaving them yearning for more Join the Rodriguez s a middle class family despondent by the illusion and failure of the American dream Witness the emergence of a trio of visionary entrepreneurs striving to revolutionize the world and tackle the pressing issue of climate change Explore the genius of Maya a brilliant scientist whose creation holds the key to mankind s collective consciousness Yet the Council s insidious agenda threatens to exploit her innovation for their gain As the battle for control escalates Maya s invention becomes a focal point of intrigue and danger Follow Syed whose journey from a car crash victim to a beacon of inspiration is marked by resilience and personal growth Unbeknownst to him destiny has set him on a collision course with the malevolent Voidguard where their epic showdown will determine the fate of the emerging world order Elysium Odyssey Beyond the Horizons is a gripping saga that blends action mystery and philosophical exploration As alliances form and betrayals unfold readers will be enthralled by the captivating narrative ultimately declaring I want more

Shadow of Liberation Vishnu Padayachee,Robert Van Niekerk,2019-10-01 *Shadow of Liberation* explores the intricate twists turns contestations and compromises of ANC economic and social policymaking with a focus on the transition era of the 1990 s and the early years of democracy With the damning revelations by the Zondo Commission of Inquiry into State Capture on the massive corruption of the South African body politic the timing of this book could not be more relevant South Africans need to confront the economic and social policy choices that the liberation movement made and to see how these decisions may have facilitated the conditions for corruption to emerge and flourish Answers are needed Padayachee and van Niekerk focus their attention on the primary question of how and why the ANC given its historical anti inequality re distributive stance come in the 1990s to such a dramatic turn around and move towards an essentially market dominated approach Were they pushed or did they go willingly What role if any did Western governments and international financial institutions play And what of the role of the late apartheid state and South African business Did leaders and comrades sell out the ANC s emancipatory policy vision *Shadow of Liberation* tries to provide answers to these questions drawing on the best available primary archival evidence as well as extensive interviews with key protagonists across the political non government and business spectrum The authors argue that the ANC s emancipatory policy agenda was broadly to establish a social democratic welfare state upholding rights of social citizenship However its economic policy framework to realise this emancipatory mission was either non existent or egregiously misguided
