

A person wearing a dark jacket and carrying a bag is walking away from the camera on a dirt path that winds through a grassy, hilly landscape. The path is slightly muddy with some puddles. The hills in the background are covered in low-lying vegetation under a cloudy sky.

Progressive Christian Discipleship:

Progressive Christian Discipleship Newton N. Riddell, 2005-12 This scarce antiquarian book is a facsimile reprint of the original. Due to its age it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high-quality modern editions that are true to the original work. Being a Progressive Christian Chuck Queen, 2013-10 Chuck Queen explores the following themes from a distinctly progressive Christian viewpoint: Scripture, faith, Christianity, salvation, discipleship, and the Beatitudes. Each chapter consists of seven reflections; each reflection is followed by questions that probe deeper into the topic and facilitate group discussion. As an introduction to progressive Christianity, the author wrote with the church in mind, providing a good resource for church discipleship and study groups. For example, chapter 1 includes the following topics: What the Bible Says Is Not Necessarily What God Says, The Bible Is Not an Answer Book, Reading Scripture Transformatively, Hearing the Divine Voice, How Jesus Read His Bible, Experience Generally Trumps Tradition, Honoring Sacred Texts. Each reflection is designed to stir the reader's theological imagination, spark critical thinking, and nurture Christian faith and spirituality. The articles weave together personal experiences and vignettes from literature and film with creative biblical interpretation and theological exposition. Most of all, they are intended to ignite new questions that will inspire the reader to explore, think, and embrace the mystery of the Christian spiritual path. Chuck Queen is a minister, teacher, author, and blogger at <http://www.afreshperspective.chuckblogspot.com>. He welcomes conversation at cqueen@fewpb.net. *Glorify* E. Carrington Heath, 2016-04-01 Mainline Protestant denominations are dying, while conservative traditions are flourishing. Nones are the fastest growing religious demographic in the United States. A pastor and self-proclaimed former none, Heath possesses an excellent understanding of church growth and the lack thereof and frequently draws upon that experience when looking for ways to welcome people to church. In *Glorify: Reclaiming the Heart of Progressive Christianity*, Heath shares the experiences, insights, lessons, and challenges that shaped them on their journey of faith. The book is sometimes practical, sometimes spiritual, and always glorifying the Gospel of Jesus Christ, which Heath asserts is the true way to change the world. **Progressive Christianity** William A. Vrooman, 1926 **Relational Discipleship** Brian Craig Drurey, 2017-03-28 God is waiting for each of us to return home. In fact, God is already out in the world, searching and inviting each person to take the journey back to God's house. *Relational Discipleship: Moving Back Home with God* approaches discipleship from a fresh perspective and intentionally draws on biblical principles and examples of discipleship. In this approach, the metaphor of a house is used to describe our journey back to God. Hospitality plays a key factor in how discipleship from this perspective warmly calls each person forward in each step. Other modes of discipleship are solely focused on transformation of the disciple. Here, in this model, the transformation of the discipler must occur first. Then the discipler can be a warm host, helping other travelers on

the path to God's house Join in the journey today and see how Relational Discipleship offers the call to move back home with God *Advancing Practical Theology* Eric Stoddart,2014-07-07 *Advancing Practical Theology* argues that the practical theology as a discipline does not at present fulfil its radical potential and addresses some directions that the discipline needs to take in order to respond adequately to changing social ecclesial and global circumstances This book will generate debate as a polemic contending for a future of the discipline that features an enhanced role for the lay i.e non professional practical theologian who is radicalized with respect to the discipline's preferential option for the broken in which practical theology addresses and is addressed by postcolonial concerns The Dark Side of Discipleship Gary Tyra,2020-10-21 There's a dark side to Christian discipleship church members ignore to their peril The New Testament has much to say about why and how Christ's followers must deal with the devil Learning to take the evil one seriously without obsessing over him is crucial to the spiritual endurance training we all need if we are to someday hear Jesus say to us Well done good and faithful servant Specifically pastor theologian Gary Tyra argues in this work that key to overcoming Satan is a balanced Spirit empowered engagement in what he refers to as the four cardinal components of Christian discipleship Understanding the various ways the devil attempts to derail our experiences of worship nurture community and mission can serve to motivate us with respect to them With the help of the Holy Spirit church members can cultivate a lifestyle spirituality that enables them to don the full armor of God and engage in several critical close quarters combat tactics the New Testament encourages In the end *The Dark Side of Discipleship* is a no nonsense yet inspirational New Testament theology of spiritual warfare that can serve Christ's church as a powerful aid to the spiritual moral and ministry formation of contemporary Christians A Biblical Theology of Christian Discipleship Johnny Turner,2021-06-11 *A Biblical Theology of Christian Discipleship* is a spiritual resource that examines the biblical and theological doctrines to do ministry amid challenges and oppositions The role of the church is to persuade individuals to establish a philosophy of authentic discipleship This book challenges the church to walk humbly before God as genuine disciples The primary focus is to carefully follow Christ's mandate of the Great Commission in Matthew 28:18-20 Go and make disciples More importantly the book describes how the church can effectively use different methods and principles to better prepare believers for Christ **Forming Christian Disciples** David Lowes Watson,2002-04-26 In this volume David Lowes Watson provides a basic resource for the formation of faithful Christian disciples and the revitalizing of congregations Beginning with a Christ centered model for the church Watson shows how leaders in discipleship are the key to vital congregations He then offers procedures for introducing and sustaining covenant discipleship groups as a means of developing these leaders and concludes with guidelines for the office of class leader as a means of implementing their leadership How does a congregation decide on covenant discipleship How are the groups formed What is the role of a class leader How do class leaders connect with other leaders in the congregation These questions and much more are the subject of a resource that is foundational for any congregation wishing to revitalize its life

The Incarnate Christ and His Critics Robert M. Bowman Jr., J. Ed Komoszewski, 2024-11-12 A current comprehensive and clear defense of the deity of Christ The central theological claim of Christianity that Jesus is God incarnate finds eager detractors across a wide spectrum from scholars who interpret Jesus as a prophet angel or guru to adherents of progressive Christianity and non-Christian religions and philosophies Yet thorough biblical scholarship strongly supports the historic Christian teaching on the deity of Christ Authors Robert M Bowman Jr and J Ed Komoszewski follow the approach of their landmark 2007 study on the same topic Putting Jesus in His Place They focus on five pillars of New Testament teaching using the acronym HANDS and demonstrate what both Jesus and the earliest believers recognized namely that Jesus shares in the Honors that are due God Attributes of God Names of God Deeds that God does Seat of God's eternal throne The Incarnate Christ and His Critics engages objections to the divine identity of Jesus from Jehovah's Witnesses Mormons progressive Christians Muslims Unitarians and others Bowman and Komoszewski show how biblical scholarship cannot reasonably ignore the enduring wide ranging and positive case for the deity of Christ

Radical Discipleship Robert P. Vande Kappelle, 2022-08-11 Discipleship is a universal experience all human beings share In our lifetime each of us has had a mentor tutor teacher or role model someone we admired respected and followed As the central character in the Bible the world's best selling book Jesus is known and revered the world over What would it be like to be mentored by such an individual Of course we can follow the accounts of the historical Jesus and his disciples in the gospels but what would it mean to be discipled by a contemporary twenty first century Jesus While people across the world claim to follow Jesus what would it mean to live in the modern world guided by a modern Jesus on religious issues such as faith God and scripture and on social issues such as poverty healthcare social justice political reform and caring for the environment A good place to begin is with compassion for Christianity and compassion are largely linked To be apprenticed to Jesus is to follow one whose profound love for the hungry sick and dying inspired more compassion than any single person movement or force in history Addressing discipleship as a priority in our lives *Radical Discipleship* illustrates its subject with stories and accounts of ordinary Christians living out their discipleship in

Godly Union and Concord Hensley Henson,1902 **A Letter to My Anxious Christian Friends** David P. Gushee,2016-08-02 The last few years have seen dizzying social change in the United States Many of these changes such as the Supreme Court decision on same sex marriage seem to challenge or overturn long standing Christian teachings while disputes over issues such as immigration racism and the abuse of police authority create uncertainty and confusion about what a faithful Christian response looks like Small wonder then that the dominant mood among many Christians is anxiety about what it means to be a follower of Jesus in the world today In a clear and readable style leading Christian ethicist David P Gushee explores the many social and political changes that are causing Christian anxiety offering ways to understand and act on these issues that are grounded in the reign of God rather than in human fear What do we see when we look at a given political issue argument or candidate What do we wish to see And what might Christian faith contribute to seeing interpreting and acting rightly in this particular moment Gushee helps average Christians think through and make sense of their fears and anxieties about rapid social change in American society showing how our faith is calling us not to fear and worry but to hope *Glorify: Reclaiming the Heart of Progressive Christianity* Emily C. Heath,2016-04-01 Mainline Protestant denominations are dying while conservative traditions are flourishing Nones are the fastest growing religious demographic in the United States A pastor and self proclaimed former none Heath possesses an excellent understanding of church growth and the lack thereof and frequently draws upon that experience when look for ways to welcome people to church In *Glorify Reclaiming the Heart of Progressive Christianity* Heath shares the experiences insights lessons and challenges that shaped them on their journey of faith The book is sometimes practical sometimes spiritual and always

glorifying the Gospel of Jesus Christ which Heath asserts is the true way to change the world *Shalom, the Spirit and Pentecostal Conversion* Grace Milton, 2015-08-17 In *Shalom the Spirit and Pentecostal Conversion* Grace Milton presents a uniquely practical theological model of Pentecostal conversion centered on empirical data from a congregational case study Pentecostal Charismatic conversion is commonly equated with a dramatic Damascus road type event which directly opposes prevailing theories within the social sciences that conversion is a more gradual process over time This raises the question how far do these Pentecostal stereotypes reflect lived experience In this book for the first time the experiences and beliefs of ordinary Pentecostal believers are drawn into conversation with conversion theories from the human sciences sociology psychology and anthropology and theology The result is a distinctly Pentecostal model of conversion which interprets religious transformation through the theological lens of Shalom **A Biblical Theology of Missions** George W. Peters, 1984-05-08 This exhaustive theology of missions focuses on theory and biblical mandates for missions as a vital part of theology George Peters a foremost missions authority considers both liberal and conservative views although his own stance is solidly evangelical **The Deconstruction of Christianity** Alisa Childers, Tim Barnett, 2024-01-30 A groundbreaking book on the true nature of faith deconstruction Alisa and Tim help the reader to deconstruct the deconstructionists and thus to respond to them both with arguments and with love and sensitivity This is a timely book Carl Trueman author of *The Rise and Triumph of the Modern Self* A movement called deconstruction is sweeping through our churches and it is affecting our loved ones It has disrupted dismantled and destroyed the faith of so many and this book can help you not only understand what's happening but also stand your ground and respond with clarity and confidence Maybe you have a loved one who is deconstructing their faith and you are struggling to know how to respond Maybe you are trying to understand the radical spiritual makeover your friend or family member is going through Maybe your relationship with a loved one has been strained or even cut off because of your toxic Christian beliefs and you don't know what to do Maybe you're experiencing doubt yourself and facing hard questions about truth God the Bible theology and the gospel Some who leave the faith feel wounded by the church Others feel repressed by some of the moral imperatives found in Scripture For some it leads to a custom made spirituality For others deconstructing their faith leads them away from the truth into agnosticism atheism the occult or humanism In this seminal book Alisa Childers author of *Another Gospel* and Tim Barnett creator of *Red Pen Logic* will help you understand what deconstruction is where it comes from why it is compelling to some and how it disorients the lives of so many You will be able to think through the main issues around faith deconstruction and explore wise and loving ways to respond from a biblical worldview
