PROJECT GOD: Unveiling the Void K. G. Lansang, 2023-09-07 In a world consumed by darkness and existential despair one man's relentless pursuit of answers leads him to the very edges of his sanity In Project God Unveiling the Void follow the harrowing journey of Jerry as he willingly steps into a macabre experiment aimed at uncovering the truth behind humanity's existence Project God Unveiling the Void is a dark and introspective comic that challenges conventional notions of faith purpose and the limits of human comprehension Delve into the depths of existentialism as the protagonist's journey takes you on a haunting exploration of the human condition where love and hope collide with the cold abyss of realities and the search for answers becomes a descent into unyielding darkness God's Project Plan Thomas 'Doc' Holliday Sr. PMP, 2024-12-12 God is so amazing Imagine a completely loving caring eternal being that wants the most for YOU and YOUR life In God's experience nothing ever happens by accident With this in mind YOU need to know and feel confident in the fact that God has a plan for YOU YOUR life is a very special project in God's eyes That is why God's Project Plan for YOU is entirely unique just like the approach that is taken within the pages of this book The standard project management framework is a perfect way to outline and dive deeper into YOUR individual purpose Utilizing such a sound framework helps to explore and address age old questions such as Who are YOU Why are YOU here What does God have planned for YOU Where do YOU begin How will YOU succeed When can YOU start No need to ever worry or to be filled with fear God is with YOU always God wants the very best for YOU in this life and in the next God is forever focused on being proactive and allowing time for personal growth Nothing in God's creation happens overnight Creation takes time YOU are one of God's favorite creations and he will provide YOU with all of the time space and love that YOU need in order to utilize ALL of YOUR talents to deliver incredible outcomes This is The Story of YOU **God's Shalom Project** Bernhard Ott, 2005-02-01 The author sees God as a gracious parent intent on a restored relationship with humans It is that ongoing effort which Ott calls the Shalom Project Ott believes that God wants a Shalom people a community of the faithful who together love God and each other and then live in the world within that strength **Love'S Lure: God'S Project People** John Ford, 2011-08-30 We were created designed in God's image but God will always be a mystery to our minds bound as they are by time and space By attempting to achieve atonement with God a state of harmony and oneness we can realize our true purposes sharing in the boundless love with which God has bequeathed us and with which he provided the spark for our evolution to begin Our evolution continues as we move into the future and we can no longer afford to let our faith and our thinking be influenced by ancient beliefs In Love's Lure God's Project People A Third Millennium Vision author John Ford seeks to bridge the gap between theology and science by examining how God's Word speaks to us in the present and transforms our modern understanding of truth spirit and love With his intimate knowledge of Scripture Ford helps us explore the nature of Godhead and Jesus's life and teachings as they contribute to the redefinition of faith truth lies in what God says to us now and in following his loving example Every disaster and mishap

should be regarded as an opportunity for the outpouring of love and represents a chance to work tirelessly for positive change. We are all engaged in God's ongoing venture to create beings in harmony with him, but how we let his work touch our hearts is always up to us.

Completing Project Me Matthew A. Thomas, 2019-07-02 Your life is a project. Let God lead it. When failure occurs or tragedy strikes, we struggle to make sense of it. Divine interruptions can sometimes leave us feeling confused. From Genesis to Revelation, God uses conflict as a vehicle for growth. Matthew A. Thomas understands there is more behind every situation than what we can see at first. Completing Project Me is an invitation to understand how God uses challenging experiences to make our lives richer. Learn to consider divine interruptions from God's perspective. Cultivate resilience in faith. Deepen your prayer life and center yourself on gratitude. God doesn't start something to leave it unfinished. He is doing more in your life than you know. Let Him lead you through your conflict and into a more complete life.

Their God/S Michael Jean Nystrom-Schut, 2015-11-19 In the mind of each person on the planet, a set of notions and ideas of God or gods reside. Some of these systems are basic and simple. Others are highly complex and complicated. Some borrow their God/god notions from authority or from others they know. Others are much more original, eclectically piecing together many separate parts from multiple sources. No two people in the world experience and translate God/gods in the same way. And this is what makes things so interesting. As I have encountered this wonderful life, I have also bumped up against countless people who were in the position to explain exactly who God was and was not. They were quite sure of themselves and anxious to impart this wisdom to me. But because I had a mind and heart of my own, this put me on the outside looking in for much of my life. We all come to a place where we realize we must make our minds up as to what we will and will not do, how we will think and who we will be. As I have encountered them and their God/gods, I have found my own way through this foggy maze and discovered a modicum of peace and reconciliation in the process. This is the massive task of all of us as well as why I needed to lay it out to you in this lengthy 2-part book.

The God Who Risks John Sanders, 2009-09-20 If God is all-knowing and all-powerful, can he in any way be vulnerable to his creation? Can God be in control of anything at all if he is not constantly in control of everything? John Sanders says yes to both of these questions. In *The God Who Risks*, he defends his answer with a careful and challenging argument. He first builds his case on an in-depth reading of the Old and New Testaments. Then Sanders probes philosophical, historical, and systematic theology for further support. And he completes his defense with considerations drawn from practical theology. *The God Who Risks* is a profound and often inspiring presentation of relational theism, an understanding of providence in which a personal God enters into genuine give-and-take relations with his creatures. With this book, Sanders not only contributes to serious theological discussion but also enlightens pastors and laypersons who struggle with questions about suffering, evil, and human free will.

What Are We Doing When We Pray? Vincent Brümmer,2017-05-15 Vincent Brümmer's classic book on prayer from 1984 provides a comprehensive philosophical analysis of central issues regarding the nature and practice of prayer What do we do when we ask things of other people when we thank them or praise them when we express penitence for what we have done to them and ask their forgiveness And how does doing these things in relation to God differ from when we do them in relation to other people And what does this entail for the existence and nature of the God to whom we pray This new edition has been substantially revised and updated Three new chapters have been added which develop in detail a hint by G K Chesterton that faith is not a thing like a theory but a thing like a love affair Since prayer is the expression of this love affair it is also the clue to understanding the nature of faith These chapters contribute significantly to the current academic interest in spirituality by showing how Brümmer's analysis of prayer helps us to understand the nature of spirituality of faith and religious belief and of theology Spirituality is not aimed at achieving religious experiences or mystical knowledge about God it is primarily aimed at attaining the religious form of life and at coming to see the world in the light of faith Religious belief is not merely a cognitive enterprise like science it cannot be divorced from spirituality and the life of faith and is therefore fundamentally existential and not merely intellectual Serving as a valuable core text for students this book also contributes to a number of current debates in theology and philosophy of religion the debates on realism and religious belief on the rationality of faith and the nature of theology on the relation between religious belief and morality on the relation between science and religion and the lively debate among evangelical Christians in America on the openness of God

Cultivating an Evangelistic Character Christopher James Schoon,2018-04-24 This project explores the relationship between worship discipleship and evangelism within the missional church movement Engaging contributions from liturgical theology Christian ethics and post Christendom evangelism the book proposes a missional approach to worship that when integrated with a praxis oriented discipleship cultivates Jesus character among God's people Along the way the project attends to the Holy Spirit's transformative presence the liturgical rhythms of remembering and anticipating and the practices of hospitality and compassion In the end Cultivating an Evangelistic Character contends that the Spirit

works through the integration of worship and discipleship to form God's people. In other words, God's people become evangelistic or as Newbigin said, the hermeneutic of the gospel. Preaching God's Compassion LeRoy Aden, Robert G. Hughes, 2001-12-01. Centering on five particular situations of suffering, loss, illness, violence, fear, and failure, this book suggests ways in which a pastor can preach to parishioners who are experiencing trauma. Three sample sermons illustrate how to preach on God's gracious activity while avoiding psychologizing the text and reducing the gospel to cheap therapy for individual problems.

Animals as Seen Through God's Eyes Dwila R. Funk, 2014-06-30. Have you ever wondered what happens to your beloved pet when he or she dies? Will you ever be able to see him or her again in heaven? Or have you been plagued by the disturbing thought that animals are only here on earth for our enjoyment in this life, but when they die, that is it for them and they are gone forever? This haunted me for decades until I finally got up enough courage to seek out the truth for myself. I went to the word of God to conduct my own research. This book is the result of my quest to find the truth about how God really sees animals and His plan for them. I was astounded by the wealth of information that God shares in the Holy Bible regarding animals. The answers are there hidden in His word. All anyone needs to do is look.

Satan Vs. God Herman Saini, 2008-07. Did Noah's Flood really occur or is it a MYTH? Yes, God did really drown that world except for Noah and a PART of his family. But why did God submerge that entire world? How really WICKED had that society become? Who were the main characters that led it to its doom? What kind of EVILS were they practicing? Gleaning information from ancient sources, Herman Saini provides detailed answers to these questions. He explains why pre-Flood history seemed lost and restores much of that history. He tells the gripping yet sobering history of the universe and man from the creation of Adam and Eve and how their son Cain sold himself to work EVIL. His descendants followed in his footsteps and led the world to its doom. He draws vital lessons from that experience to enable men to avoid the same fate in a fast approaching great tribulation.

HERMAN SAINI has been an accountant and business consultant for over 16 years. He has developed a model of economic development and international trade that nations can use as a guide to develop plans for economic growth. He holds a chemical engineering degree, a MBA, and has been a Ph.D. candidate in marketing, having completed three years of work towards the degree. He is also licensed as a Certified Public Accountant. He maintains two blogs, the purpose of which is to preach the gospel of the soon coming kingdom of God in fulfillment of the prophecy in Matthew 24:14.
