Rabbit (un)redeemed Peter J. Bailey, 2006 This book approaches Updike's oeuvre by illuminating its ongoing pervasive conflict between faith and doubt Concentrating on a trio of Olinger stories the Rabbit Angstrom tetralogy *In the Beauty of the Lilies* and *Rabbit Remembered* and dramatizing most emphatically Updike's career spanning dialogue with his complexly fragile religious beliefs Bailey interprets the Rabbit saga as fictionalized spiritual autobiography in which through imposing Harry Angstrom's perceptual limitations upon his own stylistic gifts Updike set himself the toughest trial of his ethical and aesthetic creed of the spirit affirming capacities of human perception and expression *Becoming John Updike* Laurence W. Mazzeno, 2013 When John Updike died in 2009 tributes from the literary establishment were immediate and fulsome However no one reading reviews of Updike's work in the late 1960s would have predicted that kind of praise for a man who was known then as a brilliant stylist who had nothing to say What changed Why And what is likely to be his legacy These are the questions that *Becoming John Updike* pursues by examining the journalistic and academic response to his writings Several things about Updike's career make a reception study appropriate First he was prolific he began publishing fiction and essays in 1956 published his first book in 1958 and from then on brought out at least one new book each year Second his books were reviewed widely usually in major American newspapers and magazines and often in foreign ones as well Third Updike quickly became a darling of academics the first book about his work was published in 1967 less than a decade after his own first book More than three dozen books and hundreds of articles of academic criticism have been devoted to Updike The present volume will appeal to the continuing interest in Updike's writing among academics and general readers alike Laurence W. Mazzeno is President Emeritus of Alvernia University Among other books he has written volumes on Austen Dickens Tennyson and Matthew Arnold for Camden House's *Literary Criticism in Perspective* series **Projection** Keith R. Ablow, 1999 In his stunning debut novel *Denial* Keith Ablow took us deep into the workings of the criminal mind In this electrifying new book he takes us back to that same territory but with a horrifying new twist In a psychiatric hospital just outside Boston Trevor Lucas a brilliant but psychopathic plastic surgeon on trial for a grisly serial murder has taken over a locked unit for the criminally insane The murderous inmates are holding staff members hostage and they will die unless Lucas gets what he wants a meeting with forensic psychiatrist Frank Clevenger Clevenger and Lucas have a past they share a secret that if revealed would end Clevenger's career and quite possibly his freedom It's the perfect diabolical bargaining chip and Lucas uses it refusing to negotiate with anyone but Clevenger As an army of police tanks and helicopters mass outside the hospital Clevenger enters the locked unit and the stage is set two extraordinary men both doctors enmeshed in deep conflict that threatens to erupt into mass murder Unrelenting fueled by its characters' ferocious intelligence *Projection* is destined to take its place among the classic psychological thrillers **Imperfect Passage** Michael Cosgrove, 2012-06-05 Turning sixty isn't the end it's just the **The Complete 13 Novels & Longer Fiction** Robert Louis Stevenson, 2013 This carefully crafted ebook *The Complete 13 Novels longer fiction* *Treasure Island* *The Strange Case of Dr Jekyll and Mr Hyde*
